(a) All students who reside in the school district in which the public charter school is located are eligible for enrollment in the public charter school if space is available.

(b) Students who do not reside in the school district in which the public charter school is located are eligible for enrollment in the public charter school if space is available [and subject to subsection (4) of this section].

(c) A public charter school may not limit student enrollment based on race, religion, sex, sexual orientation, gender identity, ethnicity, national origin, disability, the terms of an individualized education program, income level, proficiency in the English language or athletic ability. A public charter school may implement a weighted lottery that favors historically underserved students as provided by subsection (3)(a) of this section.

(3)(a) Except as provided by paragraphs (b) and (c) of this subsection, if the number of applications from students exceeds the capacity of a program, class, grade level or building, the public charter school shall select students through an equitable lottery selection process. For the purpose of ameliorating the impact of discrimination against historically underserved students, an equitable lottery selection process may include weights that favor historically underserved students. As used in this paragraph, “historically underserved students” are students who are at risk because of any combination of their race, sex, sexual orientation, gender identity, ethnicity, disability, income level, proficiency in the English language, socioeconomic status or geographic location.

(b)(A) A public charter school may give priority for admission to students who reside within the...

(B) Nothing in this paragraph requires an amendment to a charter. A school district board may take an action described in subparagraph (A)(iv) of this paragraph at any time during the term of a charter.

(c) After a public charter school has been in operation for one or more years, the public charter school may give priority for admission to students who:

(A) Were enrolled in the prior year in the public charter school;

(B) Were enrolled in a public preschool or prekindergarten program operated by the public charter school;

(C) Have siblings who are presently enrolled in the school and who were enrolled in the school in the prior year;

(D) Are at risk because the student has an economic or academic disadvantage that requires special services or assistance, including students who:

(i) Are from economically disadvantaged families;

(ii) Are identified as having special educational needs;

A school district is not required to give approval if more than three percent of the students who reside in the school district are enrolled in virtual public charter schools that are not sponsored by the school district.]

(C) Students who reside in the school district, regardless of whether the students are considered residents of different school districts as provided by ORS 339.133 (5), must receive approval from the school district before enrolling in a virtual public charter school if the limit described in subparagraph (A) of this paragraph has been met.

(A) Determine the length of time for which consent is given; and

(B) Revoke consent for failure to comply with minimum standards for behavior or attendance, but may not revoke consent for failure to meet standards for academics.

(b) Any limitations in length of time for consent, as allowed under paragraph (a) of this subsection, must be applied consistently among all students to whom consent is given. The length of time for which consent is given shall not be affected by any changes in the legal residence of the student if the student wishes to continue to attend the schools of the school district.

(c) If consent is revoked as provided by paragraph (a) of this subsection, a student may not re-
quest consent from the same school district that revoked the consent for the school year following
the school year in which the consent was revoked.

(8) For a resident student who receives consent to be admitted to another school district as
