A BILL FOR AN ACT

Relating to offered school courses; creating new provisions; and amending ORS 329.045.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 329.045 is amended to read:

329.045. (1)(a) In order to achieve the goals contained in ORS 329.025, the State Board of Education shall regularly and periodically review and revise its Common Curriculum Goals, performance indicators and diploma requirements.

(b) The review and revision conducted under this section shall:

(A) Include Essential Learning Skills and rigorous academic content standards in mathematics, science, language arts, history, geography, economics, civics, physical education, health, the arts and world languages.

(B) Involve teachers and other educators, parents of students and other citizens and shall provide ample opportunity for public comment.

(C) Encourage increased learning time. As used in this subparagraph, “increased learning time” means a schedule that encompasses a longer school day, week or year for the purpose of increasing the total number of school hours available to provide:

(i) Students with instruction in core academic subjects, including mathematics, science, language arts, history, geography, economics, civics, the arts and world languages;

(ii) Students with instruction in subjects other than the subjects identified in sub-subparagraph (i) of this subparagraph, including health and physical education;

(iii) Students with the opportunity to participate in enrichment activities that contribute to a well-rounded education, including learning opportunities that may be based on service, experience or work and that may be provided through partnerships with other organizations; and

(iv) Teachers with the opportunity to collaborate, plan and engage in professional development within and across grades and subjects.

(c) Nothing in this subsection prevents a school district or public charter school from maintaining control over course content, format, materials and teaching methods.

(2) The State Board of Education shall continually review and revise all adopted academic content standards necessary for students to successfully transition to the next phase of their education.

(a) School districts and public charter schools must offer students instruction in mathematics, science, language arts, history, geography, economics, civics, physical education, health, the arts and

(b) Instruction required under paragraph (a) of this subsection must:
(A) Meet the academic content standards adopted by the State Board of Education; and
(B) Meet the requirements adopted by the State Board of Education and the board of the school
district or public charter school.

(4) In addition to the requirements prescribed by subsection (3) of this section, school
districts and public charter schools must offer students in grades 11 and 12 instruction in:
(a) Adult basic skills, including guidance on filing income tax returns, registering to vote,
creating a budget, understanding bank and credit card statements, performing basic car
maintenance, owning and maintaining a home, and applying for post-secondary education
admission and scholarships.
(b) State, county and city history and politics, which may be provided as part of an
Oregon Studies course.

(5) School districts and public charter schools are encouraged to offer students courses or
other educational opportunities in civics and financial literacy to allow every student who wants to
receive instruction in civics and financial literacy to be able to receive the instruction.
