(b) A public body as defined in ORS 174.109; and

(c) The federal government or any of its agencies.

(10) “Pesticide” includes:

(a) “Defoliant” which means any substance or mixture of substances intended for causing the leaves or foliage to drop from a plant with or without causing abscission;

(b) “Desiccant” which means any substance or mixture of substances intended for artificially accelerating the drying of plant tissue;

(c) “Fungicide” which means any substance or mixture of substances intended for preventing, destroying, repelling or mitigating any fungus;

(d) “Herbicide” which means any substance or mixture of substances intended for preventing, destroying, repelling or mitigating any weed;

(e) “Insecticide” which means any substance or mixture of substances intended for preventing, destroying, repelling or mitigating any insects which may be present in any environment whatsoever;

(f) “Nematicide” which means any substance or mixture of substances intended for preventing, destroying, repelling or mitigating nematodes;

(g) “Plant regulator” which means any substance or mixture of substances intended, through physiological action, to accelerate or retard the rate of growth or rate of maturation or to otherwise alter the behavior of ornamental or crop plants or the produce thereof, but does not include substances to the extent that they are intended as plant nutrients, trace elements, nutritional chemicals, plant inoculants or soil amendments; or

(h) Any substance, or mixture of substances intended to be used for defoliating plants or for preventing, destroying, repelling or mitigating all insects, plant fungi, weeds, rodents, predatory animals or any other form of plant or animal life which is, or which the department declares to be a pest, which may infest or be detrimental to vegetation, humans, animals, or be present in any environment thereof.

(11) “Pesticide applicator” or “applicator” means an individual who:

(a)(A) Is using, spraying or applying restricted-use or highly toxic pesticides; or

(B) Is spraying or applying pesticides for others;

(b) Is authorized to work for and is employed by a pesticide operator; and

(c) Is in direct charge of or supervises the spraying or other use of pesticides or operates, uses, drives or physically directs propulsion of equipment, apparatus or machinery during the spraying or other application of pesticides, either on the ground or, if certified under ORS 634.128, by aircraft.

(12) “Pesticide consultant” means a person who offers or supplies technical advice, supervision, aid or recommendations to the user of pesticides classified by the department as restricted-use or
highly toxic pesticides, whether licensed as a pesticide dealer or not.

(13) “Pesticide dealer” means a person who sells, offers for sale, handles, displays or distributes any pesticide classified by the department as a restricted-use or highly toxic pesticide.

(14) “Pesticide equipment” means any equipment, machinery or device used in the actual application of pesticides, including aircraft and ground spraying equipment.

(15) “Pesticide operator” means a person who owns or operates a business engaged in the application of pesticides upon the land or property of another.

(16) “Pesticide trainee” means an individual who:

(a) Is employed by a pesticide operator; and

(b) Is working and engaged in a training program under special certificate to qualify as a pesticide applicator.

(17) “Private applicator” means an individual who uses or supervises the use of any pesticide, classified by the department as a restricted-use or highly toxic pesticide, for the purpose of producing agricultural commodities or forest crops on land owned or leased by the individual or the employer of the individual.

(18) “Professed standard of quality” means a plain and true statement of the name and percentage of each active ingredient and the total percentage of all inert ingredients contained in any pesticide.

(19) “Protected area” means an area established under the provisions of this chapter to prohibit or restrict the application of pesticides.

(20) “Public applicator” means an individual who is an employee of the State of Oregon or its agencies, counties, cities, municipal corporations, other governmental bodies or subdivisions thereof, irrigation districts, drainage districts and public utilities and telecommunications utilities, or a federally recognized Indian tribe, and who performs or carries out the work, duties or responsibilities of a pesticide applicator.

(21) “Public trainee” means an individual who is an employee of the State of Oregon or its agencies, counties, cities, municipal corporations, other governmental bodies or subdivisions thereof, irrigation districts, drainage districts and public utilities and telecommunications utilities, or a federally recognized Indian tribe, and who performs or carries out the work, duties or responsibilities of a pesticide trainee.

(22) “Registrant” means a person registering any pesticide pursuant to this chapter.

(23) “Restricted area” means an area established under the provisions of this chapter to restrict, but not prohibit, the application of pesticides.

(24) “Restricted-use pesticide” means any pesticide or device that the department has found and determined to be so injurious or detrimental to humans, pollinating insects, bees, animals, crops, wildlife, land or environment, other than the pests it is intended to prevent, destroy, control or mitigate, that additional restrictions are required.

(25) “Trainee” means a pesticide trainee, public trainee or noncommercial pesticide trainee.

(26) “Weed” means any plant that grows where not wanted.

SECTION 2. ORS 634.116 is amended to read:

634.116. (1) A pesticide operator’s license, or supplements thereto, shall authorize the licensee to engage in one or more of the classes of pest control or pesticide application business prescribed by the State Department of Agriculture under ORS 634.306 (2). The department may not issue a pesticide operator license to the United States, the State of Oregon or federal, state or local agencies, instrumentalities, political subdivisions, counties, cities, towns, municipal corporations, irri-
(2) During a license period, and after a person has been issued a license to engage in certain classes of pest control or pesticide application business during a license period, the department upon receiving an additional application and applicable fees, may authorize the licensee to engage in additional classes of pest control or pesticide application business for the remainder of the license period as prescribed in ORS 634.306 (2).

(3)(a) The department shall establish a pesticide operator license fee not to exceed $90 for the first class of pest control or pesticide application business as prescribed in ORS 634.306 (2) and not to exceed $15 for each additional class.

(b) After a person makes first application for a specific license period, if later during the same license period the person desires to engage in additional classes of pest control or pesticide application businesses, such person shall pay the fee for each additional class established by the department not to exceed $20.

(4) At least one owner or part owner of the pest control or pesticide application business shall also obtain and maintain a pesticide applicator’s license if the pesticide operator is a sole proprietorship or a partnership. At least one officer or employee shall obtain and maintain a pesticide operator’s license if the pesticide operator is a corporation. If a pesticide operator is found to be in violation of this subsection, the pesticide operator’s license, notwithstanding ORS chapter 183, is automatically suspended until the pesticide operator is in compliance. If the business is owned by one individual, the department shall make no charge for the pesticide applicator license issued to the individual under ORS 634.122.

(5) The department shall not issue or renew a pesticide operator’s license until the applicant or licensee has furnished evidence to the department, in the form of a public liability policy issued by an insurance company qualified to do business in Oregon, protecting the applicant or licensee against liability for injury or death to persons and loss of or damage to property resulting from the application of pesticides, or in lieu of a policy, has furnished a deposit of cash, surety bond or other evidence of financial responsibility acceptable to the department that may be applied by the department to the payment of damages resulting from operator liability. However:

(a) Except as required under paragraph (b) of this subsection, the financial responsibility required by this section shall not apply to damages or injury to crops, real or personal property being worked upon by the applicant.

(b) If the applicant or licensee is to be engaged in the business of controlling or eradicating structural pests, or pests within a public or private place, or pests within private or public places where food is served, prepared or processed or where persons are regularly housed, the financial responsibility required by this section shall apply to damages or injury to real or personal property being worked upon, as well as all the other real and personal property set forth in this section.

(6) The financial responsibility required by subsection (5) of this section must be not less than $25,000 for bodily injury to one or more persons and not less than $25,000 for property damage.

(7) Notwithstanding the provisions of ORS chapter 183, if the licensed pesticide operator fails to maintain the financial responsibility required by subsections (5) and (6) of this section, the license is automatically suspended until the department again verifies the pesticide operator is in compliance with subsections (5) and (6) of this section. The liability insurance company shall notify the department in writing at least 30 days prior to any cancellation of an insurance policy required by this section.

(8) Notwithstanding the provisions of ORS 105.810 and 105.815 or other laws to the contrary, the
amount of damages for which a pesticide operator or pesticide applicator is liable as a result of use of pesticides, or financial responsibility for the same is limited to actual damages only.

(9) The department shall return the deposit required by subsection (5) of this section to the pesticide operator if the pesticide operator at any time establishes exemption from the financial responsibility requirements under this chapter. After the expiration of two years from the date of an injury, death, loss or damage, the department shall return any deposit remaining to the pesticide operator or to the personal representative of the pesticide operator except that the department shall not make a return if the department has received notice that an action for damages arising out of the provisions of this section has been filed against the pesticide operator for whom the deposit was made, and the department has determined that the action is pending or that any judgment resulting from the action remains unpaid.

(10) If the pesticide operator is or employs a pesticide applicator to spray or otherwise apply pesticides by aircraft, in addition to other provisions of this section relating to financial responsibility, the department may by rule allow the pesticide operator to reduce, suspend or terminate the liability insurance, applicable to spraying or otherwise applying pesticides by aircraft, and required by subsections (5) and (6) of this section during certain periods of the year.

(11) The department may by rule allow liability insurance policies required by subsections (5) and (6) of this section to include deductible clauses of amounts to be determined by the department.

(12)(a) The United States, the State of Oregon or federal, state or local agencies, instrumentalities, political subdivisions, counties, cities, towns, municipal corporations, irrigation, drainage or other districts or other federal, state or local governmental bodies are not required to obtain a license as a pesticide operator or to furnish evidence of financial responsibility to the department when:

(A) Applying pesticides to property under their ownership, possession, control or jurisdiction;

(B) Applying pesticides pursuant to an order issued by the department for purposes of controlling or eradicating noxious weeds or pests; or

(C) Applying pesticides to property under the ownership, possession, control or jurisdiction of another federal, state or local agency, instrumentality, political subdivision, county, city, town, municipal corporation, irrigation, drainage or other district or other federal, state or local governmental body or of a homeowners association as defined under ORS 94.550 if:

(i) The land is in a jurisdiction adjacent to property under their ownership, possession, control or jurisdiction;

(ii) The application is done in conjunction with, or as an extension of, an application of pesticides to property under their ownership, possession, control or jurisdiction; and

(iii) The pesticide application is done on a cost recovery, cooperative trade of services or no cost basis, and not as a source for profit.

(b) A public utility or telecommunications utility is not required to obtain a license as a pesticide operator or to furnish evidence of financial responsibility to the department when applying pesticides to property under the ownership, possession or control of the utility.

(c) In addition to any application allowed under paragraph (a) of this subsection, a vector control district is not required to obtain a license as a pesticide operator or to furnish evidence of financial responsibility to the department when applying pesticides for the prevention, control or eradication of a public health vector as defined in ORS 452.010 to property under the ownership, possession, control or jurisdiction of another federal, state or local agency, instrumentality, political subdivision, county, city, town, municipal corporation, irrigation, drainage or other district or other
federal, state or local governmental body or of a homeowners association as defined under ORS 94.550 if the pesticide application is done on a cost recovery, cooperative trade of services or no cost basis, and not as a source of profit.

(d) A federally recognized Indian tribe is not required to obtain a license as a pesticide operator or to furnish evidence of financial responsibility to the department when applying pesticides to property under the ownership, possession, control or jurisdiction of a federal, state or local agency, instrumentality, political subdivision, county, city, town, municipal corporation, irrigation district, drainage district or other district or other federal, state or local governmental body or of a homeowners association as defined under ORS 94.550 if:

(A) The land is in a jurisdiction adjacent to property under the ownership, possession, control or jurisdiction of the federally recognized Indian tribe;

(B) The application is done in conjunction with, or as an extension of, an application of pesticides to property under the federally recognized Indian tribe's ownership, possession, control or jurisdiction; and

(C) The pesticide application is done on a cost recovery, cooperative trade of services or no cost basis, and not as a source of profit.

(13) Subject to subsection (15) of this section, the employees of the agencies, instrumentalities, subdivisions, counties, cities, towns, municipal corporations, districts, governmental bodies, tribal governments or utilities described in subsection (12) of this section who perform or carry out the work, duties or responsibilities of a pesticide applicator are subject to the provisions of this chapter, except they shall be issued “public applicator” licenses or, if they carry out the work, duties or responsibilities of a pesticide trainee, shall be issued “public trainee” certificates, if they otherwise comply or qualify with the provisions of this chapter relating thereto.

(14) The public applicator license or public trainee certificate shall be:

(a) Issued by the department upon payment of the fee for the pesticide applicator license or pesticide trainee certificate.

(b) Valid and used by the licensee or certificate holder only when applying pesticides as described in subsection (12) of this section.

(c) Renewed, suspended or revoked each year in the same manner, under the same provisions and at the same time as other pesticide applicator licenses and trainee certificates are renewed, suspended or revoked.

(15) The provisions of subsection (13) of this section apply only to:

(a) The application of restricted-use pesticides;

(b) The application of any pesticide by using a machine-powered device; or

(c) The application of any pesticide at the campus of a school, as defined in ORS 634.700, by an employee of the school.

(16) Prior to applying pesticides to land described in subsection (12)(a)(C) of this section, a public applicator shall inform the person requesting pesticide application of the possible availability of alternative sources of assistance, including sources in the private sector that are registered with the department or with industry trade or professional organizations.

(17) A federal, state or local agency, instrumentality, political subdivision, county, city, town, municipal corporation, irrigation, drainage or other district or other federal, state or local governmental body may not solicit or advertise for pesticide application business in areas outside its jurisdiction.

SECTION 3. This 2023 Act takes effect on the 91st day after the date on which the 2023
regular session of the Eighty-second Legislative Assembly adjourns sine die.
