

House Bill 2726

Sponsored by Representatives MARSH, REYNOLDS, Senator CAMPOS; Senator PATTERSON (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure **as introduced**.

Appropriates moneys from General Fund to Early Learning Division of Department of Education to distribute to specified Early Learning Hub to administer pilot program to coordinate services and other resources provided to low-income pregnant individuals and families with children under five years of age by local and state agencies, human services providers, early learning services providers, health care providers and other community organizations in Jackson and Josephine Counties.

Requires Early Learning Division to report to Legislative Assembly, by September 15, 2024, on outcomes of pilot program and recommendations for expanding program statewide.

Sunsets January 2, 2029.

Declares emergency, effective on passage.

A BILL FOR AN ACT

1 Relating to coordination of resources for low-income individuals; and declaring an emergency.

2
3 Whereas in many areas of this state the majority of families with children under the age of five
4 have household incomes of 200 percent or less of the federal poverty guidelines; and

5 Whereas for these families, issues such as support during pregnancy, housing costs, access to
6 quality child care and other basic needs can be overwhelming and, where services and supports are
7 available, the services and supports are often challenging to access and are not well coordinated;
8 and

9 Whereas, given that the issues facing low-income families with small children cross all sectors,
10 including education, health care, mental health care, housing, human services, public safety, the
11 community justice systems and workforce development, a well coordinated system of support for
12 pregnant individuals and families with children under five years old must be developed; now, there-
13 fore,
