(b) The commission shall use moneys from the Part-Time Faculty Insurance Fund established under ORS 350.357 to fully reimburse each public institution of higher education for all documented costs requested by the institution under this subsection, except for any costs described in subsection (3) of this section.

SECTION 2. ORS 238.074 is amended to read:

The combination of duties that comprises a 1.0 FTE in any given discipline or academic activity shall be determined by the governing body of the institution in which the academic employee is employed.] For purposes of calculating hours of employment of an academic employee of a community college operated under ORS chapter 341 or a public university listed in ORS 352.002, each hour assigned to the academic employee as an hour of lecture time or as an hour of classroom time constitutes 4.35 hours of employment. [(1) An academic employee of a community college who during a calendar year is employed 0.375 full-time equivalent on a 12-month basis, or is employed 0.50 full-time equivalent on a nine-month basis, is considered to have performed 600 hours of service in the calendar year for all purposes under this chapter.]

[(2) The governing body of a community college shall determine the duties of an academic employee of the community college that constitute a full-time equivalent in any discipline or academic activity for the purposes of this section.] For purposes of calculating hours of service of an academic employee of a community college operated under ORS chapter 341 or a public university listed in ORS 352.002, each hour assigned to the academic employee as an hour of lecture time or as an hour of classroom time constitutes 4.35 hours of service.

SECTION 4. If a community college operated under ORS chapter 341 or a public university listed in ORS 352.002 offers a benefit to part-time faculty members, the community college or public university shall ensure that a part-time faculty member is eligible for the benefit if the part-time faculty member is employed as a part-time faculty member for at least 600 hours in a calendar year. For purposes of calculating hours of employment of a part-time faculty member under this section, each hour assigned to the part-time faculty member as an hour of lecture time or as an hour of classroom time constitutes 4.35 hours of employment.

SECTION 5. (1) Except as provided in subsection (2) of this section, the amendments to ORS 350.355 by section 1 of this 2023 Act apply to health benefit plans offered to part-time faculty members on or after January 1, 2024.

(2) To the extent that a conflict exists, the terms of collective bargaining agreements and other contracts entered into before the effective date of this 2023 Act shall prevail over the amendments to ORS 350.355 by section 1 of this 2023 Act.
