LC 1552
Supportive; or

Geriatric.

“Health care cost growth” means the annual percentage change in total health expenditures in this state.

“Health entity” means a payer or a provider.

“Health insurance” has the meaning given that term in ORS 731.162.

“Net cost of private health insurance” means the difference between health insurance premiums received by a payer and the claims for the cost of health care paid by the payer under a policy or certificate of health insurance.

“Payer” means:
(a) An insurer offering a policy or certificate of health insurance or a health benefit plan as defined in ORS 743B.005;
(b) A publicly funded health care program, including but not limited to Medicaid, Medicare and the State Children’s Health Insurance Program;
(c) A third party administrator; and
(d) Any other public or private entity, other than an individual, that pays or reimburses the cost for the provision of health care.

“Provider” means an individual, organization or business entity that provides health care.

“Total health expenditures” means all health care expenditures on behalf of residents of this state by public and private sources, including:
(A) All payments on providers’ claims for reimbursement of the cost of health care provided;
(B) All payments to providers other than payments described in subparagraph (A) of this paragraph;
(C) All cost-sharing paid by residents of this state, including but not limited to copayments, deductibles and coinsurance; and
(D) The net cost of private health insurance.

“Total health expenditures” may include expenditures for care provided to out-of-state residents by in-state providers to the extent practicable.

Notwithstanding paragraph (a) of this subsection, “total health expenditures” does not include costs incurred by a health care entity to meet a community’s need for access to health care, including but not limited to:
(A) Workforce costs.
(B) Pharmaceutical costs.
(C) Costs of essential services.

SECTION 2. Section 3 of this 2023 Act is added to and made a part of ORS 173.025 to 173.055.

SECTION 3. (1) As used in this section, “health care entity” has the meaning given that term in ORS 442.385.

(2) The Legislative Fiscal Officer, with the aid of the Legislative Revenue Officer, Legislative Policy and Research Director and state agencies, shall prepare a fiscal impact statement for each measure reported out of a committee of the Legislative Assembly that could have an effect on the ability of the state or health care entities, in the 10-year period following enactment of the measure, to meet the target for health care cost growth established by the Health Care Cost Growth Target program under ORS 442.386, including the extent to
which the measure is expected to:

(a) Increase the operating expenses of health care entities in this state;
(b) Increase consumers’ costs for health care including health insurance premiums and
cost sharing;
(c) Increase health care expenditures by the state or by local governments;
(d) Impact the overall growth in health care costs in this state;
(e) Impact access to health care in this state;
(f) Impact health equity in this state; and
(g) Impact the overall health of residents of this state including the extent to which the
concept is expected to reduce premature death and the economic loss associated with dis-
ease.

SECTION 4. ORS 173.035 is amended to read:
173.035. The Legislative Fiscal Officer and Legislative Revenue Officer shall submit the state-
ment prepared under ORS 173.025 or 173.029 or section 3 of this 2023 Act to the Legislative As-
sembley at a time set by the rules of the house where the measure was introduced.
