“(B) Oregon Health and Science University.

“(C) An Oregon-based private university, including out-of-state private universities that have campuses located in Oregon.

“(2) The Oregon Health Authority shall establish a grant program for the purpose of distributing moneys to institutions of higher education, and organizations that administer training programs, to develop training and instructional programs that prepare students to enter into the behavioral health workforce.

“(3) Moneys awarded to a grant recipient under subsection (2) of this section may be used for:

“(a) Scholarships or other tuition assistance for students going into the field of behavioral health.

“(b) Developing pathways to employment opportunities in the field of behavioral health.

“(c) Recruitment and outreach efforts to increase the number of students training for and entering into the behavioral health workforce.

“(d) Job training and instruction for behavioral health occupations.

“(4)(a) The Oregon Health Authority shall establish by rule criteria and standards by
which an institution of higher education or an organization that administers training pro-
grams may apply for and receive a grant award. At a minimum, the rules must:
“(A) Include a methodology for reviewing and approving grant applications;
“(B) Establish grant application periods that enable the authority to distribute grant
funds in accordance with grant distribution requirements established under section 3 of this
2023 Act; and
“(C) Require that any grant moneys awarded to an institution of higher education must
be used for training programs administered in this state.
“(b) The authority shall award grants based on the ability of the applicant to use the
grant as required under subsection (3) of this section.
“(5) A recipient of grant moneys under this section shall compile and submit information
to the Oregon Health Authority as deemed necessary by the authority to enable the author-
ity to meet the reporting requirements under sections 8 and 11 of this 2023 Act.
“(6) The Oregon Health Authority may adopt any rules necessary for the implementation
and administration of this section.

SECTION 3. The Oregon Health Authority shall distribute the funds specifically appro-
priated to the authority under section 6 of this 2023 Act to approved institutions of higher
education, and organizations that administer training programs, at the conclusion of a grant
application period established under section 6 of this 2023 Act, but not later than July 1, 2024.
If unallocated funds remain at the conclusion of the grant acceptance period, the authority
may establish a supplemental grant period and distribute the unallocated funds no later than
July 1, 2025.

SECTION 4. (1) As used in this section, ‘institution of higher education’ has the meaning
given that term in section 2 of this 2023 Act.
