A BILL FOR AN ACT

1
2 Relating to habitat connectivity; creating new provisions; amending ORS 366.161 and 366.162; and
3 prescribing an effective date.

4 **Be It Enacted by the People of the State of Oregon:**

5 **SECTION 1.** ORS 366.161 is amended to read:

6 366.161. (1) The Department of Transportation shall establish a program to reduce wildlife-
7 vehicle collisions in areas where wildlife corridors identified in the Wildlife Corridor Action Plan
8 by the State Department of Fish and Wildlife intersect with proposed or existing public roads. The
9 program shall include, but need not be limited to, **feasibility studies and** plans for creating or
10 modifying road infrastructure in a manner that reduces wildlife-vehicle collisions and promotes
11 public safety. The plans may include but need not be limited to the use of wildlife crossing struc-
12 tures and roadway fencing.

13 (2) To the extent practicable, the Department of Transportation shall coordinate with local
14 governments, as defined in ORS 174.116, and the tribal governments for tribes and bands listed under
15 ORS 172.110, to achieve the goals of the program described in this section.

16 **SECTION 2.** ORS 366.162 is amended to read:

17 366.162. (1) The Department of Transportation shall establish the program required under ORS
18 366.161 no later than December 31, 2023.

19 (2) Until the Department of Transportation establishes the program, the Department of Trans-
20 portation and the State Department of Fish and Wildlife shall coordinate efforts to reduce wildlife-
21 vehicle collisions based on the data gathered under ORS 496.272. The Department of Transportation
22 shall consider the benefit of including a wildlife crossing as part of a project if the data suggests
23 that such a crossing could significantly reduce wildlife-vehicle collisions.

24 (3) The Department of Transportation shall report biennially regarding the status of the program
25 required under ORS 366.161 to interim or regular Senate and House committees relating to natural
