A BILL FOR AN ACT

Relating to water safety; creating new provisions; amending ORS 830.215 and 830.990; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 830.215 is amended to read:

830.215. (1) All boats must carry at least one United States Coast Guard approved personal flotation device in good and serviceable condition for each person on board. Each device must be of an appropriate size for the person for whom it is intended and must be readily accessible whenever the boat is in use. As used in this subsection, a personal flotation device is not “readily accessible” if it is stowed in a locked compartment or locker or is otherwise not immediately, physically available to persons on board the boat in case of an emergency.

(2) The State Marine Board by rule shall classify types of personal flotation devices and specify which types are approved for various classes of vessels. The rules must be consistent with, but may not exceed those regulations promulgated by the United States Coast Guard.

(3) Notwithstanding the classification by the State Marine Board of the types of personal flotation devices approved for various classes of vessels pursuant to subsection (2) of this section, a person operating a boat on any section of waters rated class III or higher on a commonly accepted scale of river difficulty, and all passengers in the boat, shall wear a properly secured personal flotation device. The personal flotation device must be of a type prescribed by rules adopted by the State Marine Board.

(2) The State Marine Board by rule shall:

(a) Classify types of personal flotation devices required under this section;

(b) Specify which types of personal flotation devices are approved for various classes of vessels; and

(c) Specify which types of personal flotation devices are approved for children under 16 years of age.

(3) A person shall wear a properly sized and secured personal flotation device when the person is operating or riding in or on a boat on any section of waters of this state rated class III or higher on a commonly accepted scale of river difficulty.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.

LC 1850
(4) A person may not operate a boat on the waters of this state while a child under 16 years of age is on board, unless the child is wearing a properly sized and secured personal flotation device.

(5) The board may by rule provide exceptions to the requirements to wear a personal flotation device under this section.

(6) The rules adopted under this section must be consistent with, but may not exceed, those regulations promulgated by the United States Coast Guard.

SECTION 2. Sections 3 and 4 and of this 2023 Act are added to and made a part of ORS chapter 830.

SECTION 3. (1) As used in this section, “floating item” includes but is not limited to beach and water toys, inner tubes and buoyant foam, except that “floating item” does not include a swim buoy.

(2) A child under 16 years of age may not use any floating item outside of a swimming area that is clearly marked by buoys or some other distinguishing device as a swimming area on the waters of this state unless the child is wearing a properly sized and secured personal flotation device, in accordance with rules adopted by the State Marine Board under ORS 830.215 (2)(c).

(3) A parent, legal guardian or person with legal responsibility for the safety and welfare of a child under 16 years of age shall ensure that a child who uses any floating item outside of a swimming area that is clearly marked by buoys or some other distinguishing device as a swimming area on the waters of this state is wearing a properly sized and secured personal flotation device, in accordance with rules adopted by the State Marine Board under ORS 830.215 (2)(c).

SECTION 4. (1) If a child in violation of section 3 (2) of this 2023 Act is 11 years of age or younger, any citation issued shall be issued to the parent, legal guardian or person with legal responsibility for the safety and welfare of the child for violation of section 3 (3) of this 2023 Act, rather than to the child for violation of section 3 (2) of this 2023 Act.

(2) If a child in violation of section 3 (2) of this 2023 Act is at least 12 years of age and is under 16 years of age, a citation may be issued to the child for violation of section 3 (2) of this 2023 Act or to the parent, legal guardian or person with legal responsibility for the safety and welfare of the child for violation of section 3 (3) of this 2023 Act, but not to both.

(3) The first time a person is convicted of an offense described in section 3 (2) or (3) of this 2023 Act, the person may not be required to pay a fine if the person proves to the satisfaction of the court that the person has a properly sized personal flotation device, in accordance with rules adopted by the State Marine Board under ORS 830.215 (2)(c).
