NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

1 **(C) Has seven or more years of relevant technical experience conducting similar work.**

2 **SECTION 2.** ORS 537.798 is amended to read:

3 537.798. (1) The State Board of Examiners for Engineering and Land Surveying may issue a
4 water right examiner certificate to *[a registered professional land surveyor, registered professional*
5 *engineer or registered geologist who meets the criteria established by the Water Resources Commission*
6 *under]* **an applicant described in** ORS 537.797. The board shall require an applicant for the certif-
7 icate to pass an examination establishing the qualification of the applicant to be a water right ex-
8 aminer. The Water Resources Department shall prepare, administer and score the examination.

9 (2) The board shall establish fees for the examination, certification and renewal of certification
10 of water right examiners. The fees shall be based upon the expenses of the board and the department
11 in conducting the certification program. The board shall reimburse the department for department
12 expenses related to the preparation, administration and scoring of the examination.

13 (3) The board may adopt rules to regulate persons certified as water right examiners. The rules
14 may include, but need not be limited to, rules establishing standards of professional conduct and
15 rules establishing professional development or continuing education requirements.

16 (4) Upon receipt of a complaint, or upon its own initiative, the board may investigate any al-
17 leged or suspected violation by a water right examiner of ORS 672.002 to 672.325, the criteria es-
18 tablished under ORS 537.797, **Water Resources** Commission rules or a board rule adopted under
19 this section or ORS 672.255. If the board finds that a violation has occurred, in addition to any other
20 disciplinary or regulatory authority of the board, the board may suspend, revoke or modify a cer-
21 tificate issued under this section. Board action to suspend, revoke or modify the certificate is subject
22 to the provisions of ORS chapter 183 relating to contested cases.

23 **SECTION 3.** ORS 537.797, as amended by section 1 of this 2023 Act, is amended to read:

7 applicant for the certificate to pass an examination establishing the qualification of the applicant
8 to be a water right examiner. The Water Resources Department shall prepare, administer and score
9 the examination.

10 (2) The board shall establish fees for the examination, certification and renewal of certification
11 of water right examiners. The fees shall be based upon the expenses of the board and the department
12 in conducting the certification program. The board shall reimburse the department for department
13 expenses related to the preparation, administration and scoring of the examination.

14 (3) The board may adopt rules to regulate persons certified as water right examiners. The rules
15 may include, but need not be limited to, rules establishing standards of professional conduct and
16 rules establishing professional development or continuing education requirements.

17 (4) Upon receipt of a complaint, or upon its own initiative, the board may investigate any al-
18 leged or suspected violation by a water right examiner of ORS 672.002 to 672.325, the criteria es-
19 tablished under ORS 537.797, [*Water Resources*] commission rules or a board rule adopted under this
20 section or ORS 672.255. If the board finds that a violation has occurred, in addition to any other
21 disciplinary or regulatory authority of the board, the board may suspend, revoke or modify a cer-
22 tificate issued under this section. Board action to suspend, revoke or modify the certificate is subject
23 to the provisions of ORS chapter 183 relating to contested cases.
