A BILL FOR AN ACT

Relating to tolling; amending ORS 383.004 and 383.009.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 383.004, as amended by section 16, chapter 7, Oregon Laws 2022, is amended to read:

383.004. (1) Except as provided in subsection (2) of this section, a toll may not be established unless the Oregon Transportation Commission has reviewed and approved the toll. The commission shall adopt rules specifying the process under which proposals to establish tolls will be reviewed. When reviewing a proposal to establish tolls, the commission shall take into consideration:

(a) The amount and classification of the traffic using, or anticipated to use, the tollway;

(b) The amount of the toll proposed to be established for each class or category of tollway user and, if applicable, the different amounts of the toll depending on time and day of use;

(c) The extent of the tollway, including improvements necessary for tollway operation and improvements necessary to support the flow of traffic onto or off of the tollway;

(d) The location of toll booths or electronic toll collection systems to collect the toll for the tollway;

(e) The cost of constructing, reconstructing, improving, installing, maintaining, repairing and operating the tollway;

(f) The amount of indebtedness incurred for the construction of the tollway and all expenses and obligations related to the indebtedness including, without limitation, financial covenants, debt service requirements, reserve requirements and any other funding requirements established under the terms of any indenture prepared under ORS 383.225 and any other contracts establishing the terms of the indebtedness, if any;

(g) The value of assets, equipment and services required for the operation of the tollway;

(h) The period of time during which the toll will be in effect;

(i) The process for altering the amount of the toll during the period of operation of the tollway;

(j) The method of collecting the toll; and

(k) The rate of return that would be fair and reasonable for a private equity holder, if any, in

LC 1790
(2)(a) A registered owner of a motor vehicle whose vehicle is registered at an address that is within a three-mile radius of a toll collection facility on Interstate 205 is eligible for a limited toll rate. The limited toll rate may not be more than $2 per day or $10 per month. The limited toll rate does not apply to any toll collection facility that is outside the three-miles radius. The commission shall adopt rules establishing procedures for applying and qualifying for the limited toll rate.

(b) As used in this subsection, “toll collection facility” means any physical location at which a toll is charged to vehicles for using the highway, including a toll booth or electronic toll collection system.

(3)(a) Nothing in ORS 383.001 to 383.245 prohibits a city or county from establishing a toll on any highway, as defined in ORS 801.305, that the city or county has jurisdiction over as a road authority pursuant to ORS 810.010.

(b) Nothing in ORS 383.001 to 383.245 prohibits Multnomah County from establishing a toll on the bridges across the Willamette River that are within the boundaries of the City of Portland and that are operated and maintained by Multnomah County as required under ORS 382.305 and 382.310.

(c) Nothing in ORS 383.001 to 383.245 prohibits the Port of Hood River from establishing a toll on the bridges across the Columbia River that are operated and maintained by the port.

(d) Nothing in ORS 383.001 to 383.245 prohibits the Port of Cascade Locks from establishing a toll on the bridges across the Columbia River that are operated and maintained by the port.

(e) Nothing in ORS 383.001 to 383.245 prohibits a commission formed under section 3, chapter 7, Oregon Laws 2022, from establishing a toll on a bridge across the Columbia River that is operated and maintained by the commission or the commission’s designee.

SECTION 2. ORS 383.009 is amended to read:

383.009. (1) There is hereby established the Toll Program Fund as a separate and distinct fund from the State Highway Fund. The Toll Program Fund shall consist of:

(a) All moneys and revenues received by the Department of Transportation from or made available by the federal government to the department for any tollway project or for the operation or maintenance of any tollway;

(b) Any moneys received by the department from any other unit of government or any private entity for a tollway project or from the operation or maintenance of any tollway;

(c) All moneys and revenues received by the department from any agreement entered into or loan made by the department for a tollway project pursuant to ORS 383.005, and from any lease, agreement, franchise or license for the right to the possession and use, operation or management of a tollway project;

(d) All tolls and other revenues received by the department or tollway operator from the users of any tollway project;

(e) The proceeds of any bonds authorized to be issued for tollway projects;

(f) Any moneys that the department has legally transferred from the State Highway Fund to the Toll Program Fund for tollway projects;

(g) All moneys and revenues received by the department from all other sources that by gift, bequest, donation, grant, contract or law from any public or private source are for deposit in the Toll Program Fund;

(h) All interest earnings on investments made from any of the moneys held in the Toll Program Fund;
(i) All civil penalties and administrative fees paid to the department from the enforcement of 
tolls;
(j) Fees paid to the department for information provided under ORS 383.075;
(k) Moneys appropriated for deposit in or otherwise transferred to the Toll Program Fund by the 
Legislative Assembly; and
(L) Moneys received from federal sources or other state or local sources, excluding proceeds of 
Highway User Tax Bonds issued under ORS 367.615 that finance projects other than toll projects.
(2) Moneys in the Toll Program Fund may be used by the department for the following purposes:
(a) To finance preliminary studies and reports for any tollway project;
(b) To acquire land to be owned by the state for tollways and any related facilities therefor;
(c) To finance the construction, renovation, operation, improvement, maintenance or repair of 
any tollway project;
(d) To make grants or loans to a unit of government for tollway projects;
(e) To make loans to private entities for tollway projects;
(f) To pay the principal, interest and premium due with respect to, and to pay the costs con-
    nected with the issuance or ongoing administration of, any bonds or other financial obligations au-
thorized to be issued by, or the proceeds of which are received by, the department for any tollway 
project, including capitalized interest and any rebates or penalties due to the United States in con-
    nexion with the bonds;
(g) To provide a guaranty or other security for any bonds or other financial obligations, in-
cluding but not limited to financial obligations with respect to any bond insurance, surety or credit 
    enhancement device issued or incurred by the department, a unit of government or a private entity, 
    for the purpose of financing a single tollway project or any related group or system of tollway 
    projects or related facilities;
(h) To pay the costs incurred by the department in connection with its oversight, operation and 
    administration of the Toll Program Fund, the proposals and projects submitted under ORS 383.015 
and the tollway projects financed under ORS 383.005;
(i) To develop, implement and administer the toll program established under ORS 383.150, in-
cluding the cost of consultants, advisors, attorneys or other professional service providers appointed, 
    retained or approved by the department; and
(j) To make improvements or fund efforts on the tollway and on adjacent, connected or parallel 
    highways to the tollway to reduce traffic congestion as a result of a tollway project, improve safety 
    as a result of a tollway project and reduce impacts of diversion as a result of a tollway project.
(3) Except as provided in subsection (4) of this section, for purposes of paying or securing 
bonds or providing a guaranty, surety or other security authorized by this section, the department 
may:
(a) Irrevocably pledge all or any portion of the amounts that are credited to, or are required to 
    be credited to, the Toll Program Fund;
(b) Establish subaccounts in the Toll Program Fund, and make covenants regarding the credit 
    to and use of amounts in those subaccounts; and
(c) Establish separate trust funds or accounts and make covenants to transfer to those separate 
    trust funds or accounts all or any portion of the amounts that are required to be deposited in the 
    Toll Program Fund.
(4) Each year five percent of the moneys collected by the department from tolls shall be 
allocated for distribution as provided in ORS 366.762 to counties whose border is within a
three-mile radius of a toll collection facility, as defined in ORS 383.004. The counties, in collaboration with affected cities within the counties, shall use the moneys to mitigate the impact of traffic diversion on local highways as a result of a tollway project.

[(4)] (5) Notwithstanding any other provision of ORS 383.001 to 383.245, the department shall not pledge any funds or amounts at any time held in the Toll Program Fund as security for the obligations of a unit of government or a private entity unless the department has entered into a binding and enforceable agreement that provides the department reasonable assurance that the department will be repaid, with appropriate interest, any amounts that the department is required to advance pursuant to that pledge.

[(5)] (6) Moneys in the Toll Program Fund are continuously appropriated to the department for purposes authorized by this section.

[(6)] (7) Notwithstanding subsection (1) of this section, a city, county, district, port or other public corporation organized and existing under statutory law or under a voter-approved charter is not required to deposit into the Toll Program Fund tolls, or other revenues are received from the users of any tollway, that are assessed by a city, county, district, port or other public corporation organized and existing under statutory law or under a voter-approved charter.

[(7)] (8) Moneys in the Toll Program Fund that are transferred from the State Highway Fund or are derived from any revenues under Article IX, section 3a, of the Oregon Constitution, may be used only for purposes permitted by Article IX, section 3a, of the Oregon Constitution.
