Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 279.850 is amended to read:

ORS 279.850. (1)(a) Except as provided in paragraph (b) of this subsection subsection (2) of this section and subject to paragraph (c) of this subsection subsection (3) of this section, a public agency that intends to procure a product or service on the procurement list that the Oregon Department of Administrative Services established under ORS 279.845 shall, in accordance with the department's rules, procure the product or service at the price the department establishes from a qualified nonprofit agency for individuals with disabilities, provided that the product or service is of the appropriate specifications and is available within the period the public agency requires.

(b) A public agency that under paragraph (a) of this subsection must procure cleaning services or security services from a qualified nonprofit agency for individuals with disabilities may:

(A) Establish detailed, commercially reasonable specifications for the cleaning services or security services;

(B) Inspect and evaluate the quality of the cleaning services or security services that the qualified nonprofit agency for individuals with disabilities provides; and

(C) Terminate for cause any agreement for cleaning services or security services the public agency has with the qualified nonprofit agency for individuals with disabilities if the cleaning services or security services do not meet all of the public agency's specifications. The public agency shall give the qualified nonprofit agency for individuals with disabilities not less than 30 days' notice of a termination and may provide an opportunity to cure deficiencies in performance.

(c) Except as provided in subsection (2)(a) of this section, a public agency that terminates
a contract with a qualified nonprofit agency for individuals with disabilities under paragraph (b)(C) of this subsection shall enter into an agreement with another qualified nonprofit agency for individuals with disabilities to perform the cleaning services or security services the public agency requires. The public agency shall apply the same specifications and shall inspect and evaluate the cleaning services or security services the new qualified nonprofit agency for individuals with disabilities provides using the same standards that applied under the agreement that the public agency terminated.

(d) Rules the department adopts and the procurement list and prices that the department establishes under ORS 279.845 and paragraph (a) of this subsection must allow for and take into account of specifications that public agencies establish under paragraph (b) of this subsection.

[(b)] (2) A public agency may procure a product or service that is on the procurement list described in paragraph (a) of this subsection [(1)(a) of this section] from a person other than a qualified nonprofit agency for individuals with disabilities if:

[(A)] (a) All of the qualified nonprofit agencies for individuals with disabilities on the procurement list that applies to the public agency have a record in the previous three years of repeatedly violating, or are not now in compliance with, applicable local ordinances or resolutions that govern labor standards or, if the public agency is procuring cleaning services or security services, all qualified nonprofit agencies for individuals with disabilities cannot provide, as appropriate, cleaning services or security services that meet all of the specifications that the public agency establishes under subsection (1)(b) of this section; and

[(B)] (b) The person, for a period of 90 days after the person enters into an agreement with the public agency, offers to employ the employees of a qualified nonprofit agency for individuals with disabilities from which the public agency would have procured the product or service but for the failure of the qualified nonprofit agency for individuals with disabilities to comply with an applicable local ordinance or resolution that governs labor standards.

[(c)] (3) If a public agency [may choose] chooses to procure a product or service from more than one qualified nonprofit agency for individuals with disabilities, the public agency may give a preference to the qualified nonprofit agency for individuals with disabilities that best demonstrates that the qualified nonprofit agency for individuals with disabilities:

[(A)] (a) Complies with all applicable local ordinances and resolutions that govern labor standards; and

[(B)] (b) Provides wages, health care benefits, alternative dispute resolution services and pension or other retirement arrangements that, in the aggregate, are better than the average package of wages, health care benefits, alternative dispute resolution services and pension or other retirement arrangements that private employers provide to employees that perform the same or similar job duties:

[(ii)] (A) In the same industry in which the qualified nonprofit agency for individuals with disabilities engages; and

[(iii)] (B) In the county in which the qualified nonprofit agency for individuals with disabilities will deliver the product or perform the service.

[(2)(a)] (4)(a) A public agency may require in any agreement with a qualified nonprofit agency for individuals with disabilities under ORS 279.835 to 279.855 that the qualified nonprofit agency for individuals with disabilities comply with applicable local ordinances or resolutions that govern labor standards.
HB 3335

(b) A public agency may disqualify a qualified nonprofit agency for individuals with disabilities from entering into an agreement with the public agency under ORS 279.835 to 279.855 for a period of three years if the public agency:

(A) Determines that the qualified nonprofit agency for individuals with disabilities repeatedly violated local ordinances or resolutions that govern labor standards during the term of an agreement with the public agency under ORS 279.835 to 279.855; or

(B) Finds that the qualified nonprofit agency for individuals with disabilities has a record in the previous three years of repeatedly violating applicable local ordinances or resolutions that govern labor standards.
