“SECTION 1. The Water Resources Department shall:

“(1) Work with the Department of Justice, the Office of Administrative Hearings and the State Department of Fish and Wildlife to reduce the backlog of protests of decisions concerning water rights and transfers.

“(2) Develop a strategy for reducing the backlog, including criteria for prioritizing protests, measures to sustainably increase the pace of reducing the backlog and provisions to ensure coordination with the State Department of Fish and Wildlife and other affected agencies.

“(3) Contract for an independent assessment of the backlog of protests that:

“(a) Is based on both independent research and consultation with the Water Resources Department, the Department of Justice and the Office of Administrative Hearings, as well as consultation with protestants representing public and private interests.

“(b) Summarizes the status of the backlog.

“(c) Evaluates trends in the types of applications for water rights and transfers that are protested, referred and resolved.

“(d) Evaluates existing policies and practices for assessing protests for contested case referral and scheduling, including any standards for how the Water Resources Department communicates with applicants and protestants.

“(e) Analyzes existing causes of delay that contribute to the backlog, including but not limited to causes of delay related to the capacity of the Water Resources Department, the Department of Justice, the Office of Administrative Hearings and the State Department of Fish and Wildlife.

“(4) Provide recommendations for changing the system of making decisions concerning water rights and transfers to improve the delivery of fair and efficient dispositions of existing protests and prevent future backlogs.

“(5) Report, in the manner prescribed in ORS 192.245, to the committees or interim committees of the Legislative Assembly related to water, on or before December 31, 2024, on the strategy described in subsection (2) of this section, the assessment described in subsection (3) of this section and the recommendations described in subsection (4) of this section.

“SECTION 2. Section 1 of this 2023 Act is repealed on January 2, 2026.

“SECTION 3. In addition to and not in lieu of any other appropriation, there is appropriated to the Water Resources Department, for the biennium beginning July 1, 2023, out of
the General Fund, the amount of $2,430,000, which may be expended for purposes described
in section 1 of this 2023 Act.

"SECTION 4. In addition to and not in lieu of any other appropriation, there is appro-
priated to the State Department of Fish and Wildlife, for the biennium beginning July 1, 2023,
