any other jurisdiction.
(e) The person must make a future responsibility filing.
(f) The person must submit any other information the department may require for purposes of
determining whether the person qualifies under this section and ORS 813.520.
(4) If the department finds that the person meets the requirements of this section and any ap-
plicable requirements under ORS 813.520, the department may issue the person a hardship permit,
valid for the duration of the suspension or revocation or for a shorter period of time established by
the department unless sooner suspended or revoked under this section. If the department issues the
permit for a period shorter than the suspension or revocation period, renewal of the permit shall
be on such terms and conditions as the department may require. The permit:
(a) Shall limit the holder to operation of a motor vehicle only during specified times.
(b) May bear other reasonable limitations relating to the hardship permit or the operation of a
motor vehicle that the department deems proper or necessary. The limitations may include any
limitation, condition or requirement. Violation of a limitation is punishable as provided by ORS
811.175 or 811.182.
(5) The department, upon receiving satisfactory evidence of any violation of the limitations of
a permit issued under this section, may suspend or revoke the hardship permit.
(6) The fee charged for application or issuance of a hardship driver permit is the hardship driver
permit application fee under ORS 807.370. The department may not refund the fee if the application
is denied or if the driver permit is suspended or revoked. The fee upon renewal of the driver permit
is the same fee as that charged for renewal of a license. The application fee charged under this
subsection is in addition to any fee charged for reinstatement of driving privileges under ORS
807.370.
(7) The department may issue a permit granting the same driving privileges as those suspended
or revoked or may issue a permit granting fewer driving privileges, as the department determines
necessary to assure safe operation of motor vehicles by the permit holder.
(8) The department may not issue a hardship permit to a person:
(a) Whose driver license or driver permit is suspended pursuant to ORS 25.750 to 25.783;
(b) Whose driving privileges are suspended pursuant to ORS 809.280 (2);
(c) That authorizes the person to operate a commercial motor vehicle;
(d) Whose suspension of driving privileges is based on a second or subsequent conviction of
driving while under the influence of intoxicants in violation of ORS 813.010 or the statutory
counterpart to ORS 813.010 in another jurisdiction and the suspension period is determined by ORS
809.428 (2)(b) or (c);
(e) Whose driving privileges are suspended for a conviction of assault in the second, third or
fourth degree if the person, within 10 years preceding application for the permit, has been convicted
of:
(A) Any degree of murder, manslaughter, criminally negligent homicide or assault resulting from
the operation of a motor vehicle;
(B) Reckless driving, as defined in ORS 811.140;
(C) Driving while under the influence of intoxicants, as defined in ORS 813.010;
(D) Failure to perform the duties of a driver involved in a [collision] crash, as described in ORS 811.700 or 811.705;
(E) Criminal driving while suspended or revoked, as defined in ORS 811.182;
(F) Fleeing or attempting to elude a police officer, as defined in ORS 811.540;
(G) Aggravated vehicular homicide, as defined in ORS 163.149; or
(H) Aggravated driving while suspended or revoked, as defined in ORS 163.196; or

(f) Whose driving privileges are suspended for a conviction of assault in the second, third or fourth degree:

(A) For a period of four years from the date the department suspends driving privileges if the person’s driving privileges are suspended for conviction of assault in the second degree and the person was not incarcerated for that conviction.

(B) For a period of four years from the date the person is released from incarceration for the conviction if the person’s driving privileges are suspended for conviction of assault in the second degree and the person was incarcerated for that conviction.

(C) For a period of two years from the date the department suspends driving privileges if the person’s driving privileges are suspended for conviction of assault in the third degree and the person was not incarcerated for that conviction.

(D) For a period of two years from the date the person is released from incarceration for the conviction if the person’s driving privileges are suspended for conviction of assault in the third degree and the person was incarcerated for that conviction.

(E) For a period of six months from the date the department suspends driving privileges if the person’s driving privileges are suspended for conviction of assault in the fourth degree and the person was not incarcerated for that conviction.

(F) For a period of six months from the date the person is released from incarceration for the conviction if the person’s driving privileges are suspended for conviction of assault in the fourth degree and the person was incarcerated for that conviction.

(9) A conviction arising out of the same episode as the current suspension is not considered a conviction for purposes of subsection (8)(e) of this section.

(10) A person’s driving privileges under a hardship permit are subject to suspension or revocation if the person does not maintain a good driving record, as defined by the administrative rules of the department, during the term of the permit.

SECTION 32. ORS 807.570 is amended to read:

807.570. (1) A person commits the offense of failure to carry a license or to present a license to a police officer if the person either:

(a) Drives any motor vehicle upon a highway in this state without a license, driver permit or out-of-state license in the person’s possession; or

(b) Does not present and deliver such license or permit to a police officer when requested by the police officer under any of the following circumstances:

(A) Upon being lawfully stopped or detained when driving a vehicle.

(B) When the vehicle that the person was driving is involved in [an accident] a crash.

(2) This section does not apply to any person expressly exempted under ORS 807.020 from the requirement to have a driver license or driver permit.

(3) Except as provided in ORS 813.110, it is a defense to any charge under this section that the person so charged produce a license, driver permit or out-of-state license that had been issued to the
person and was valid at the time of violation of this section.

(4) A police officer may detain a person arrested or cited for the offense described in this section only for such time as reasonably necessary to investigate and verify the person's identity.

(5) The offense described in this section, failure to carry a license or to present a license to a police officer, is a Class C misdemeanor.

SECTION 33. ORS 807.720 is amended to read:

807.720. On or before the 15th day of each month, the Director of the Oregon Health Authority shall forward to the Department of Transportation a copy of the death record of any persons within the jurisdiction of the Director of the Oregon Health Authority who died from a motor vehicle [accident] crash during the preceding calendar month.

SECTION 34. ORS 809.380 is amended to read:

809.380. All of the following apply to a person whose driving privileges have been suspended:

(1) The period of suspension shall last as long as provided for that particular suspension by law.

(2) During the period of suspension, the person is not entitled to exercise any driving privileges in this state except as provided under this subsection. Unless otherwise specifically provided by law, a person whose driving privileges are suspended may obtain, if the person qualifies, a hardship driver permit under ORS 807.240, and exercise driving privileges under the driver permit.

(3) Upon expiration of the suspension, the Department of Transportation shall reissue, upon request of the person, the suspended driving privileges and any license or driver permit that evidences the driving privileges. The reissuance shall be without requalification by the person except that the department may require the person to furnish evidence satisfactory to the department that the person is qualified to continue to exercise driving privileges in this state before the department reissues the driving privileges.

(4) The department may not issue any driving privileges in contradiction to this section.

(5) If the person fails to surrender to the department any license or driver permit issued as evidence of driving privileges that are suspended, the person is subject to the penalties under ORS 809.500.

(6) No reinstatement of suspended driving privileges will be made by the department until the fee for reinstatement of suspended driving privileges established under ORS 807.370 is paid to or waived by the department. The department may waive the reinstatement fee for any of the following reasons:

(a) The suspension occurred under ORS 809.419 for failure to take an examination upon request of the department under ORS 807.340.

(b) The suspension occurred under ORS 809.419 for failure to obtain required medical clearance upon request of the department under ORS 807.070 or 807.090.

(c) The suspension occurred under ORS 809.419 for incompetence to drive a motor vehicle or having a mental or physical condition or impairment that affects the person's ability to safely operate a motor vehicle.

(d) The suspension occurred under ORS 809.419 upon notification by the superintendent of a hospital under ORS 807.700 that a person should not drive.

(e) The suspension occurred under ORS 809.419 upon notification by a court under ORS 810.375 that a person charged with a traffic offense has been found guilty except for insanity.

(f) The department committed an error in issuing the suspension.

(g) The suspension was the result of an error committed by an insurance company in issuing or failing to issue a certification of insurance or in canceling a certification of insurance filed with the
department under ORS 806.270.

(h) The department issued the suspension without error because the person failed to respond as required under ORS 806.150 or to furnish proof of exemption under ORS 806.210 from the filing requirement of ORS 806.200, but the department later determines that the person in fact was in compliance with financial responsibility requirements as of the date specified by the department by rule under ORS 806.150 or at the time of [an accident] a crash described in ORS 806.200.

(i) The department issued the suspension without error because the person was not in compliance with financial responsibility requirements as of the date specified by the department by rule under ORS 806.150 or at the time of [an accident] a crash described in ORS 806.200, but the department later determines that the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150 or at the time of the [accident] crash.

(j) The suspension was the result of an error committed by an insurance company in notifying the department regarding the correctness of proof of compliance with financial responsibility requirements provided under ORS 806.150.

(k) The suspension occurred because the person failed to make future responsibility filings but the department later determines that the reason for the failure was that the person was a military reservist or a member of a national guard unit that was ordered to active military duty to a location outside of the United States. The effective date of the military orders must be prior to the effective date of a suspension issued by the department for failure to make a future responsibility filing.

(L) The department issued the suspension without error because the department received a notice to suspend from a court under ORS 809.220, but the department later determines that the person in fact was in compliance with the requirements of the court prior to the effective date of the suspension.

SECTION 35. ORS 809.409 is amended to read:

809.409. (1)(a) Upon receipt of a record of conviction of an offense described in this section, the Department of Transportation shall revoke the driving privileges of the person convicted.

(b) A person is entitled to administrative review under ORS 809.440 of a revocation under this section.

(c) Except as otherwise provided in subsections (2) and (3) of this section, the revocation shall be for a period of one year from the date of revocation, except that the department may not reinstate driving privileges of any person whose privileges are revoked under this section until the person complies with future responsibility filings.

(2) The department shall take action under subsection (1) of this section upon receipt of a record of conviction of aggravated vehicular homicide or aggravated driving while suspended or revoked or any degree of murder, manslaughter or criminally negligent homicide resulting from the operation of a motor vehicle or assault in the first degree resulting from the operation of a motor vehicle, except that the provisions of this subsection do not apply to a person whose driving privileges are ordered revoked under ORS 809.235. A person whose driving privileges are revoked under this subsection may apply for reinstatement of driving privileges:

(a) If the sentence for the crime for which the person's driving privileges were revoked, or any other crimes arising from the same criminal episode, includes incarceration, no sooner than 10 years from the date the person is released from incarceration for all crimes arising out of the same criminal episode; or

(b) If the sentence for the crime for which the person's driving privileges were revoked and any
other crimes arising from the same criminal episode does not include incarceration, no sooner than 10 years from the date the department revoked the privileges under this subsection.

(3)(a) Except as provided in paragraphs (b) and (c) of this subsection, the department shall take action under subsection (1) of this section upon receipt of a record of conviction of failure to perform the duties of a driver to injured persons under ORS 811.705.

(b) The department shall revoke driving privileges under this subsection for a period of three years if the court indicates on the record of conviction that a person sustained serious physical injury, as defined in ORS 161.015, as a result of the [accident] crash. The person may apply for reinstatement of privileges three years after the date the person was released from incarceration, if the sentence includes incarceration. If the sentence does not include incarceration, the person may apply for reinstatement three years from the date the revocation was imposed under this subsection.

(c) The department shall revoke driving privileges under this subsection for a period of five years if the court indicates on the record of conviction that a person was killed as a result of the [accident] crash. The person may apply for reinstatement of privileges five years after the date the person was released from incarceration, if the sentence includes incarceration. If the sentence does not include incarceration, the person may apply for reinstatement five years from the date the revocation was imposed under this subsection.

(4) The department shall take action under subsection (1) of this section upon receipt of a record of conviction of any felony with a material element involving the operation of a motor vehicle.

SECTION 36. ORS 809.417 is amended to read:

809.417. (1)(a) The Department of Transportation shall suspend the driving privileges of a person who fails to file [an accident] a crash report required under ORS 811.725 or 811.730.

(b) A suspension under this subsection shall continue until the person files the required report or for five years from the date of suspension, whichever is sooner.

(2) The department shall suspend the driving privileges of any person for a period of time required by this subsection if the person is involved in a motor vehicle [accident] crash at any time when the department determines the person has been operating a vehicle in violation of ORS 806.010. A suspension under this subsection shall be for a period of one year except that the department shall not reinstate any driving privileges to the person until the person complies with future responsibility filing requirements.

(3)(a) The department may suspend the driving privileges of a person who, while operating a motor vehicle, causes or contributes to [an accident] a crash resulting in death to any other person if the department has reason to believe that the person’s incompetence, recklessness, criminal negligence or unlawful operation of the vehicle caused or contributed to the [accident] crash.

(b) A suspension under this subsection shall continue for a period determined by the department and shall be subject to any conditions the department determines to be necessary.

(c) The department may impose an immediate suspension of driving privileges of any person described in paragraph (a) of this subsection without hearing and without receiving a record of the conviction of the person of a crime if the department has reason to believe that the person may endanger people or property if the person’s driving privileges are not immediately suspended. A suspension under this paragraph is subject to a post-imposition hearing under ORS 809.440.

SECTION 37. ORS 809.440 is amended to read:

809.440. (1) When other procedures described under this section are not applicable to a suspension or revocation under ORS 809.409 to 809.421, the procedures described in this subsection shall be applicable. All of the following apply to this subsection:
(a) The hearing shall be given before the department imposes the suspension or revocation of driving privileges.

(b) Before the hearing, the department shall notify the person in the manner described in ORS 809.430.

(c) The hearing shall be in the county where the person resides unless the person and the department agree otherwise.

(d) The hearing shall be conducted by an administrative law judge assigned from the Office of Administrative Hearings established under ORS 183.605.

(2) The following apply when administrative review is provided under any statute or rule of the department:

(a) An administrative review shall consist of an informal administrative process to assure prompt and careful review by the department of the documents upon which an action is based.

(b) It shall be a defense to the department's action if a petitioner can establish that:

(A) A conviction on which the department's action is based was for an offense that did not involve a motor vehicle and the department's action is permitted only if the offense involves a motor vehicle.

(B) An out-of-state conviction on which the department's action is based was for an offense that is not comparable to an offense under Oregon law.

(C) The records relied on by the department identify the wrong person.

(c) A person requesting administrative review has the burden of showing by a preponderance of the evidence that the person is not subject to the action.

(d) Actions subject to administrative review shall be exempt from the provisions of ORS chapter 183 applicable to contested cases, and from the provisions of subsection (5) of this section applicable to post-imposition hearings. A suspension, revocation or cancellation may not be stayed during the administrative review process or by the filing of a petition for judicial review. A court having jurisdiction may order the suspension, revocation or cancellation stayed pending judicial review.

(e) Judicial review of a department order affirming a suspension or revocation after an administrative review shall be available as for review of orders other than contested cases, and the department may not be subject to default for failure to appear in such proceedings. The department shall certify its record to the court within 20 days after service upon the department of the petition for judicial review.

(f) If the suspension or revocation is upheld on review by a court, the suspension or revocation shall be ordered for the length of time appropriate under the appropriate statute except that the time shall be reduced by any time prior to the determination by the court that the suspension or revocation was in effect and was not stayed.

(g) The department shall adopt any rules governing administrative review that are considered necessary or convenient by the department.

(3) At a hearing for failure to make a future responsibility filing or false certification of financial responsibility requirements under ORS 809.415, it is a defense to the department's action if the petitioner can establish that:

(a) An error was committed by the department;

(b) The person in fact was in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150;

(c) An error was committed by an insurance company in notifying the department regarding the correctness of proof of compliance with financial responsibility requirements provided under ORS
806.150;

(d) The person was not in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150, and the department also determines that the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements on the date the department sent the notice of verification and that the person currently is in compliance with financial responsibility requirements; or

(e) At the time of the [accident] crash the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements, and the person is currently in compliance with financial responsibility requirements.

(4) When permitted under this section or under any other statute, a hearing may be expedited under procedures adopted by the department by rule. The procedures may include a limited time in which the person may request a hearing, requirements for telephone hearings, expedited procedures for issuing orders and expedited notice procedures.

(5) When permitted under ORS 809.417, 809.419, 809.421 or 809.510 to 809.545, a hearing may be a post-imposition hearing under this subsection. A post-imposition hearing is a hearing that occurs after the department imposes the suspension or revocation of driving privileges. All of the following apply to this subsection:

(a) The department must provide notice in the manner described in ORS 809.430 before the suspension or revocation may take effect.

(b) Except as provided in this subsection, the hearing shall be conducted as a contested case in accordance with ORS chapter 183.

(c) Unless there is an agreement between the person and the department that the hearing be conducted elsewhere, the hearing shall be held either in the county where the person resides or at any place within 100 miles, as established by the department by rule.

(6) The department has complied with a requirement for a hearing or administrative review if the department has provided an opportunity for hearing or review and the person with the right to the hearing or review has not requested it. Any request for hearing or review must be made in writing.

(7) For any hearing described under this section, and for administrative review described under this section, no further notice need be given by the department if the suspension or revocation is based upon a conviction and the court gives notice, in a form established by the department, of the rights to a hearing or review and of the suspension or revocation.

SECTION 38. ORS 809.450 is amended to read:

809.450. (1) If a person whose driving privileges have been suspended for one of the reasons specified in subsection (2) of this section requests that the suspension be rescinded and specifies the reason for the request, the Department of Transportation may provide a hearing to determine the validity of the suspension. The department may rescind a suspension only as provided in subsection (3) of this section.

(2) This section applies to suspensions under:

(a) ORS 809.415 for failure to make a future responsibility filing;

(b) ORS 809.415 for false certification of financial responsibility requirements; and

(c) ORS 809.417 for involvement in a motor vehicle [accident] crash when the department has determined that the person has been operating a vehicle in violation of ORS 806.010.

(3) The granting of a hearing under this section [shall] does not stay the suspension. However, the department shall rescind the suspension if the department determines:
(a) That an error was committed by the department;
(b) That the person in fact was in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150;
(c) That an error was committed by an insurance company in notifying the department regarding the correctness of proof of compliance with financial responsibility requirements provided under ORS 806.150;
(d) That the person was not in compliance with financial responsibility requirements on the date specified by the department by rule under ORS 806.150 and the department also determines that the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements on the date the department sent the notice of verification and that the person currently is in compliance with financial responsibility requirements; or
(e) That at the time of the [accident] crash the person reasonably and in good faith believed that the person was in compliance with financial responsibility requirements and the person is currently in compliance with financial responsibility requirements.

(4) The hearing shall be held in the manner provided in ORS 809.440.

SECTION 39. ORS 809.470 is amended to read:
809.470. (1) This section establishes when a judgment described under ORS 806.040 is settled for purposes of ORS 809.130, 809.280 and 809.415. A judgment shall be deemed settled for the purposes described if any of the following occur:
(a) Payments in the amounts established by the payment schedule under ORS 806.070 have been credited upon any judgment or judgments rendered in excess of those amounts.
(b) Judgments rendered for less than the amounts established under ORS 806.070 have been satisfied.
(c) The judgment creditor and the judgment debtor have mutually agreed upon a compromise settlement of the judgment.
(d) The judgment against the judgment debtor has been discharged in bankruptcy.
(2) Payments made in settlement of any claims because of bodily injury, death or property damage arising from the [accident] crash shall be credited in reduction of the amounts provided for in subsection (1) of this section.

SECTION 40. ORS 809.480 is amended to read:
809.480. (1) The Department of Transportation may establish, by administrative rule, programs for the improvement of the driving behavior of persons who drive in this state. The programs shall have as their goal the reduction of traffic convictions and especially [accidents] crashes. The programs may include, but need not be limited to, letters, interviews and classroom instruction.
(2) The department may establish programs for persons who are under 18 years of age that are different from programs for adults. Differences may include, but need not be limited to, differences in criteria for entry into a program and differences in content.
(3) The department, under a program authorized by this section, may suspend driving privileges based on any of the following:
(a) A person’s record of convictions or [accidents] crashes.
(b) A person’s failure or refusal to complete or comply with a requirement of a program established by the department under this section.
(4) The department may charge a reasonable fee to participants in a driver improvement program to cover costs of administration.
(5) Any suspension that the department stays under a driver improvement program in this sec-
tion shall continue for the full term of the suspension if a person fails to complete the program.

For purposes of reinstating driving privileges, the stay of a suspension under this section may not be used to determine the length of time a person's driving privileges have been suspended if the person does not successfully complete the program.

(6) A person is entitled to administrative review of a suspension imposed under this section if based on a conviction.

**SECTION 41.** ORS 810.410, as amended by section 2, chapter 78, Oregon Laws 2022, is amended to read:

810.410. (1) A police officer may arrest or issue a citation to a person for a traffic crime at any place within or outside the jurisdictional authority of the governmental unit by which the police officer is authorized to act as provided by ORS 133.235 and 133.310.

(2) A police officer may issue a citation to a person for a traffic violation at any place within or outside the jurisdictional authority of the governmental unit by which the police officer is authorized to act:

(a) When the traffic violation is committed in the police officer's presence; or

(b) When the police officer has probable cause to believe an offense has occurred based on a description of the vehicle or other information received from a police officer who observed the traffic violation.

(3) A police officer:

(a) May not arrest a person for a traffic violation.

(b) May stop and detain a person for a traffic violation for the purposes of investigation reasonably related to the traffic violation, identification and issuance of citation.

(c) May make an inquiry into circumstances arising during the course of a detention and investigation under paragraph (b) of this subsection that give rise to a reasonable suspicion of criminal activity.

(d) May make an inquiry to ensure the safety of the officer, the person stopped or other persons present, including an inquiry regarding the presence of weapons.

(e) May request consent to search in relation to the circumstances referred to in paragraph (c) of this subsection or to search for items of evidence otherwise subject to search or seizure under ORS 133.535, only if the officer first informs the person that the person has the right to refuse the request. If consent is obtained, the officer shall ensure that there is a written, video or audio record that the person gave informed and voluntary consent to search. This subsection does not apply to implied consent searches described in ORS 813.100, 813.131 or 813.135.

(f) May use the degree of force reasonably necessary to make the stop and ensure the safety of the police officer, the person stopped or other persons present.

(g) May make an arrest of a person as authorized by ORS 133.310 (2) if the person is stopped and detained pursuant to the authority of this section.

(4) When a police officer at the scene of a [traffic accident] crash has reasonable grounds, based upon the police officer's personal investigation, to believe that a person involved in the [accident] crash has committed a traffic offense in connection with the [accident] crash, the police officer may issue to the person a citation for that offense. The authority under this subsection is in addition to any other authority to issue a citation for a traffic offense.

**SECTION 42.** ORS 810.415 is amended to read:

810.415. A law enforcement officer who comes to the scene of a [collision] crash described in ORS 811.700 may remove or direct the driver of a vehicle involved in the [collision] crash to remove
from the roadway any vehicle, cargo or debris resulting from the [collision] crash. A person acting under the authority granted by this section is not liable for damage to a vehicle, cargo or debris caused by reasonable efforts at removal.

SECTION 43. ORS 810.460 is amended to read:

810.460. (1) A police officer shall submit a report to the Department of Transportation whenever the officer does any of the following:
(a) Investigates a vehicle [accident] crash which ORS 811.725 or 822.600 requires to be reported.
(b) Prepares a report of [an accident] a crash investigated at the time and place of the [accident] crash or by field interviews with the participants or witnesses.

(2) A police officer shall submit a report required by this section to the department within 10 days of the investigation or preparation of the report.

(3) Police reports submitted to the department under this section are subject to release or use as provided under ORS 802.240.

SECTION 44. ORS 811.135 is amended to read:

811.135. (1) A person commits the offense of careless driving if the person drives any vehicle upon a highway or other premises described in this section in a manner that endangers or would be likely to endanger any person or property.

(2) The offense described in this section, careless driving, applies on any premises open to the public and is a Class B traffic violation unless commission of the offense contributes to [an accident] a crash. If commission of the offense contributes to [an accident] a crash, the offense is a Class A traffic violation.

(3) In addition to any other penalty imposed for an offense committed under this section, if the court determines that the commission of the offense described in this section contributed to the serious physical injury or death of a vulnerable user of a public way, the court shall:
(a) Impose a sentence that requires the person to:
   (A) Complete a traffic safety course; and
   (B) Perform between 100 and 200 hours of community service, notwithstanding ORS 137.129. The community service must include activities related to driver improvement and providing public education on traffic safety;
(b) Order, but suspend on the condition that the person complete the requirements of paragraph (a) of this subsection:
   (A) A fine of up to $12,500, notwithstanding ORS 153.018; and
   (B) A suspension of driving privileges for one year as provided in ORS 809.280; and
(c) Set a hearing date up to one year from the date of sentencing.

(4) At the hearing described in subsection (3)(c) of this section, the court shall:
(a) If the person has successfully completed the requirements described in subsection (3)(a) of this section, dismiss the penalties ordered under subsection (3)(b) of this section; or
(b) If the person has not successfully completed the requirements described in subsection (3)(a) of this section:
   (A) Grant the person an extension based on good cause shown; or

(e) Render to any person injured in the [collision] crash reasonable assistance, including the conveying, or the making of arrangements for the conveying, of an injured person to a physician, surgeon or hospital for medical or surgical treatment, if it is apparent that such treatment is necessary or if such conveying is requested by any injured person.

(f) Remain at the scene of a [collision] crash until a police officer has arrived and has received the required information, if all persons required to be given information under paragraph (c) of this subsection are killed in the [collision] crash or are unconscious or otherwise incapable of receiving the information. The requirement of this paragraph to remain at the scene of a [collision] crash until a police officer arrives does not apply to a driver who needs immediate medical care, who needs to leave the scene in order to secure medical care for another person injured in the [collision] crash or who needs to leave the scene in order to report the [collision] crash to the authorities, as long as the driver who leaves takes reasonable steps to return to the scene or to contact the nearest police officer.

The driver shall immediately contact 9-1-1 and provide to the dispatcher any requested information described in paragraph (c) of this subsection and the location and approximate time of the [collision] crash.

(2) As used in this section, “reason to believe” means that the driver is aware of a circumstance that would cause a reasonable person to be aware of a substantial and unjustifiable risk that the driver's vehicle has been in a [collision] crash. The risk must be of such nature or degree that failure to be aware of it constitutes a gross deviation from the standard of care that a reasonable person would observe in the situation.

of this section.
(2) The requirements under this section for a driver to stop and attend an injured animal depend
on the traffic hazards then existing.
(3) As used in this section, “reason to believe” means that the driver is aware of a circumstance
that would cause a reasonable person to be aware of a substantial and unjustifiable risk that the
driver’s vehicle has been in a [collision] crash. The risk must be of such nature or degree that

Sufficient service pursuant to this subparagraph may be shown if the proof of service includes a true copy of the envelope in which each of the certified, registered, or express mailings required by parts D(4)(a)(i)(A), D(4)(a)(i)(B), and D(4)(a)(i)(C) of this rule was made showing that it was returned to sender as undeliverable or that the defendant did not sign the receipt. For the purpose of computing any period of time prescribed or allowed by these rules or by statute, service under this subparagraph shall be complete on the latest date on which any of the mailings required by parts D(4)(a)(i)(A), D(4)(a)(i)(B), and D(4)(a)(i)(C) of this rule is made. If the mailing required by part D(4)(a)(i)(C) of this rule is omitted because the plaintiff did not know of any address other than those specified in parts D(4)(a)(i)(A) and D(4)(a)(i)(B) of this rule, the proof of service shall so certify.

D(4)(a)(ii) Any fee charged by the Department of Transportation for providing address information concerning a party served pursuant to subparagraph D(4)(a)(i) of this rule may be recovered as provided in Rule 68.

D(4)(a)(iii) The requirements for obtaining an order of default against a defendant served pursuant to subparagraph D(4)(a)(i) of this rule are as provided in Rule 69 E.

D(4)(b) Notification of change of address. Any person who; while operating a motor vehicle on the roads, highways, streets, or premises open to the public as defined by law of this state; is involved in any [accident, collision,] crash or other event giving rise to liability shall forthwith notify the Department of Transportation of any change of the person's address occurring within 3 years after the [accident, collision,] crash or event.

D(5) Service in foreign country. When service is to be effected on a party in a foreign country, it is also sufficient if service of true copies of the summons and the complaint is made in the manner prescribed by the law of the foreign country for service in that country in its courts of general jurisdiction, or as directed by the foreign authority in response to letters rogatory, or as directed by order of the court. However, in all cases service shall be reasonably calculated to give actual notice.

D(6) Court order for service by other method. When it appears that service is not possible under any method otherwise specified in these rules or other rule or statute, then a motion supported by affidavit or declaration may be filed to request a discretionary court order to allow alternative service by any method or combination of methods that, under the circumstances, is most reasonably calculated to apprise the defendant of the existence and pendency of the action. If the court orders alternative service and the plaintiff knows or with reasonable diligence can ascertain the defendant's current address, the plaintiff must mail true copies of the summons and the complaint to the defendant at that address by first class mail and any of the following: certified, registered, or express mail, return receipt requested. If the plaintiff does not know, and with reasonable diligence cannot ascertain, the current address of any defendant, the plaintiff must mail true copies of the summons and the complaint by the methods specified above to the defendant at the defendant's last known address. If the plaintiff does not know, and with reasonable diligence cannot ascertain, the defendant's current and last known addresses, a mailing of copies of the summons and the complaint is not required.

D(6)(a) Non-electronic alternative service. Non-electronic forms of alternative service may include, but are not limited to, publication of summons; mailing without publication to a specified post
office address of the defendant by first class mail as well as either by certified, registered, or express
mail with return receipt requested; or posting at specified locations. The court may specify a re-
response time in accordance with subsection C(2) of this rule.

D(6)(a)(i) Alternative service by publication. In addition to the contents of a summons as de-
scribed in section C of this rule, a published summons must also contain a summary statement of
the object of the complaint and the demand for relief, and the notice required in subsection C(3) of
this rule must state: “The motion or answer or reply must be given to the court clerk or adminis-
trator within 30 days of the date of first publication specified herein along with the required filing
fee.” The published summons must also contain the date of the first publication of the summons.

D(6)(a)(i)(A) Where published. An order for publication must direct publication to be made in a
newspaper of general circulation in the county where the action is commenced or, if there is no such
newspaper, then in a newspaper to be designated as most likely to give notice to the person to be
served. The summons must be published four times in successive calendar weeks. If the plaintiff
knows of a specific location other than the county in which the action is commenced where publi-
cation might reasonably result in actual notice to the defendant, the plaintiff must so state in the
affidavit or declaration required by paragraph D(6) of this rule, and the court may order publication
in a comparable manner at that location in addition to, or in lieu of, publication in the county in
which the action is commenced.

D(6)(a)(ii) Alternative service by posting. The court may order service by posting true copies
of the summons and complaint at a designated location in the courthouse where the action is com-
menced and at any other location that the affidavit or declaration required by subsection D(6) of this
rule indicates that the posting might reasonably result in actual notice to the defendant.

D(6)(b) Electronic alternative service. Electronic forms of alternative service may include, but
are not limited to: e-mail; text message; facsimile transmission as defined in Rule 9 F; or posting to
a social media account. The affidavit or declaration filed with a motion for electronic alternative
service must include: verification that diligent inquiry revealed that the defendant’s residence ad-
dress, mailing address, and place of employment are unlikely to accomplish service; the reason that
plaintiff believes the defendant has recently sent and received transmissions from the specific e-mail
address or telephone or facsimile number, or maintains an active social media account on the spe-
cific platform the plaintiff asks to use; and facts that indicate the intended recipient is likely to
personally receive the electronic transmission. The certificate of service must verify compliance
with subparagraph D(6)(b)(i) and subparagraph D(6)(b)(ii) of this rule. An amended certificate of
service must be filed if it later becomes evident that the intended recipient did not personally re-
ceive the electronic transmission.

D(6)(b)(i) Content of electronic transmissions. If the court allows service by a specific electronic
method, the case name, case number, and name of the court in which the action is pending must be
prominently positioned where it is most likely to be read first. For e-mail service, those details must
appear in the subject line. For text message service, they must appear in the first line of the first
text. For facsimile service, they must appear at the top of the first page. For posting to a social
media account, they must appear in the top lines of the posting.

D(6)(b)(ii) Format of electronic transmissions. If the court allows alternative service by an
electronic method, the summons, complaint, and any other documents must be attached in a file
format that is capable of showing a true copy of the original document. When an electronic method
is incapable of transferring transmissions that exceed a certain size, the plaintiff must not exceed
those express size limitations. If the size of the attachments exceeds the limitations of any electronic
method allowed, then multiple sequential transmissions may be sent immediately after the initial
transmission to complete service.

D(6)(c) Unknown heirs or persons. If service cannot be made by another method described in
this section because defendants are unknown heirs or persons as described in Rule 20 I and J, the
action will proceed against the unknown heirs or persons in the same manner as against named
defendants served by publication and with like effect; and any unknown heirs or persons who have
or claim any right, estate, lien, or interest in the property in controversy at the time of the com-
mencement of the action, and who are served by publication, will be bound and concluded by the
judgment in the action, if the same is in favor of the plaintiff, as effectively as if the action had been
brought against those defendants by name.

D(6)(d) Defending before or after judgment. A defendant against whom service pursuant to this
subsection is ordered or that defendant’s representatives, on application and sufficient cause shown,
at any time before judgment will be allowed to defend the action. A defendant against whom service
pursuant to this subsection is ordered or that defendant’s representatives may, on good cause shown
and on any terms that may be proper, be allowed to defend after judgment and within one year after
entry of judgment. If the defense is successful, and the judgment or any part thereof has been col-
lected or otherwise enforced, restitution may be ordered by the court, but the title to property sold
on execution issued on that judgment, to a purchaser in good faith, will not be affected thereby.

D(6)(e) Defendant who cannot be served. Within the meaning of this subsection, a defendant
cannot be served with summons by any method authorized by subsection D(3) of this rule if service
pursuant to subparagraph D(4)(a)(i) of this rule is not applicable, the plaintiff attempted service of
summons by all of the methods authorized by subsection D(3) of this rule, and the plaintiff was un-
able to complete service; or if the plaintiff knew that service by these methods could not be ac-

SECTION 84. ORS 12.278 is amended to read:

12.278. (1) A civil action against a manufacturer of pickup trucks for injury or damage resulting
from a fire caused by rupture of a sidesaddle gas tank in a vehicle [collision] crash, including any
product liability action under ORS 30.900 to 30.920 and any action based on negligence, must be
commenced not later than two years after the injury or damage occurs. A civil action against a
manufacturer of pickup trucks for death resulting from a fire caused by rupture of a sidesaddle gas
tank in a vehicle [collision] crash, including any product liability action under ORS 30.900 to 30.920
and any action based on negligence, must be commenced not later than three years after the death.

(2) A civil action against a manufacturer of pickup trucks for death, injury or damage resulting
from a fire caused by rupture of a sidesaddle gas tank in a vehicle [collision] crash is not subject
to ORS 12.115, 30.020, 30.905 or any other statute of limitation or statute of ultimate repose in
Oregon Revised Statutes.

(3) For the purposes of this section, “sidesaddle gas tank” means a gas tank mounted outside
of the side rails of the frame of a pickup truck.

SECTION 85. ORS 30.480 is amended to read:

30.480. (1) When a provider of volunteer transportation services who is qualified under sub-
section (3) of this section provides the services under the conditions described in subsection (4) of
this section to a person with a disability or a person who is 55 years of age or older, the liability
of the provider to the person for injury, death or loss arising out of the volunteer transportation
services shall be limited as provided in this section. When volunteer transportation services are
provided to five or fewer persons at one time, the liability of the provider of the volunteer trans-
portation services shall not exceed the greater of the amount of coverage under the terms of the
provider’s motor vehicle liability insurance policy, as described in ORS 806.080, or the amounts
specified in ORS 806.070 for future responsibility payments for:
(a) Bodily injury to or death of any one person to whom the transportation services are pro-
vided, in any one accident crash.
(b) Bodily injury to or death of two or more persons to whom the transportation services are
provided, in any one accident crash.
(c) Injury to or destruction of the property of one or more persons to whom the transportation
services are provided, in any one accident crash.
(2) Notwithstanding the amount specified in subsection (1)(b) of this section by reference to ORS
806.070, if a qualified provider of transportation services provides the services to more than five
persons, but not more than 16, at one time who have disabilities or who are 55 years of age or older,
under the conditions described in subsection (4) of this section, the liability under subsection (1)(b)
of this section shall not exceed the greater of the amount of coverage under the terms of the
provider’s motor vehicle liability insurance policy or $300,000. The limitations on liability provided
by ORS 30.475, 30.480 and 30.485 do not apply when volunteer transportation services are provided
to 17 or more persons at one time who have disabilities or who are 55 years of age or older.
(3) The following persons qualify for the limitation on liability under subsections (1) and (2) of
this section:
(a) The person who provides or sponsors transportation services.
(b) The owner of the vehicle in which transportation services are provided.
(c) The person who operates the vehicle in which transportation services are provided.
(4) The limitation on liability under subsections (1) and (2) of this section applies to a person
qualified under subsection (3) of this section only under the following conditions:
(a) If the person is an individual, the individual must hold a valid Oregon driver’s license.
(b) The person must provide the transportation services on a nonprofit and voluntary basis.
However, this paragraph does not prohibit a sponsor of transportation services from reimbursing an
operator of a private motor vehicle providing the services for actual expenses incurred by the op-
erator. If an operator is paid, that operator is qualified only if operating as an emergency operator.
(c) The person providing the transportation services must not receive from the persons using the
services any substantial benefit in a material or business sense that is a substantial motivating
factor for the transportation. A contribution or donation to the provider of the transportation ser-
vices other than the operator of the motor vehicle or any mere gratuity or social amenity shall not
be a substantial benefit under this paragraph.
(d) Except as provided in paragraph (c) of this subsection, the transportation services must be
provided without charge to the person using the services.
(5) The amounts received by a person with a disability or a person 55 years of age or older
under the personal injury protection provisions of the insurance coverage of a person who qualifies
for the limitation on liability under this section shall not reduce the amount that the person may
recover under subsection (1) or (2) of this section.
(6) The liability of two or more persons whose liability is limited under this section, on claims
arising out of a single accident crash, shall may not exceed in the aggregate the amounts limited
by subsection (1) or (2) of this section.
(7) This section does not apply in the case of an accident a crash or injury if the accident

[62]
or if the [accident] crash or injury was caused by the person’s gross negligence or intoxication. For purposes of this subsection, gross negligence is negligence which is materially greater than the mere absence of reasonable care under the circumstances, and which is characterized by conscious indifference to or reckless disregard of the rights of others.

(8) For purposes of this section, a person has a disability if the person has a physical or mental disability that for the person constitutes or results in a functional limitation to one or more of the following activities: Self-care, ambulation, communication, transportation, education, socialization or employment.

SECTION 86. ORS 31.760 is amended to read:

31.760. (1) In an action brought to recover damages for personal injuries arising out of a motor vehicle [accident] crash, evidence of the nonuse of a safety belt or harness may be admitted only to mitigate the injured party’s damages. The mitigation [shall] may not exceed five percent of the amount to which the injured party would otherwise be entitled.

(2) Subsection (1) of this section [shall] does not apply to:

(a) Actions brought under ORS 30.900 to 30.920; or

(b) Actions to recover damages for personal injuries arising out of a motor vehicle [accident] crash when nonuse of a safety belt or harness is a substantial contributing cause of the [accident] crash itself.

SECTION 87. ORS 41.905 is amended to read:

41.905. A plea to a charge of a traffic crime, as defined in ORS 801.545, and any judgment of conviction or acquittal of a person charged with a traffic crime, as defined by ORS 801.545, are not admissible in the trial of a subsequent civil action arising out of the same [accident] crash or occurrence to prove or negate the facts upon which such judgment was rendered.

SECTION 88. ORS 98.854 is amended to read:

98.854. A tower may not:

(1) (a) Tow a motor vehicle from a parking facility unless there is a sign displayed in plain view at the parking facility that, using clear and conspicuous language, prohibits or restricts public parking at the parking facility.

(b) Notwithstanding paragraph (a) of this subsection, a tower may tow a motor vehicle from a parking facility with the prior consent of the owner or operator of the motor vehicle.

(2) Except as provided in ORS 98.853, tow a motor vehicle from a parking facility without first contacting the owner of the parking facility or the owner’s agent at the time of the tow and receiving signed authorization from the owner of the parking facility or the owner’s agent that the tower should tow the motor vehicle. The tower shall maintain for at least two years, in electronic or printed form, each signed authorization received under this subsection. Upon request, the tower shall provide a copy of the signed authorization to the owner or operator of the motor vehicle at no additional charge.

(3) Serve as an agent of an owner of a parking facility for the purpose of signing an authorization required by subsection (2) of this section.

(4) Tow a motor vehicle from a parking facility if the owner of the parking facility or the owner’s agent is an employee of a tower.

(5) Charge more than a price disclosed under ORS 98.856 when towing a motor vehicle without the prior consent or authorization of the owner or operator of the motor vehicle.

(6) Charge more than an amount set under ORS 98.859 when towing a motor vehicle without the prior consent or authorization of the owner or operator of the motor vehicle.

(8) Park a tow vehicle within 1,000 feet of a parking facility for the purpose of monitoring the parking facility for towing business.

(9) Provide consideration to obtain the privilege of towing motor vehicles from a parking facility. For the purposes of this paragraph, the provision of:
   (a) Signs by a tower under ORS 98.862 does not constitute consideration.
   (b) Goods or services by a tower below fair market value constitutes consideration.

(10) Require, as a condition of towing a motor vehicle or releasing a motor vehicle or personal property in the motor vehicle, that the owner or operator of the motor vehicle agree not to dispute:
   (a) The reason for the tow;
   (b) The validity or amount of charges; or
   (c) The responsibility of the tower for the condition of the motor vehicle or personal property in the motor vehicle.

(11) Hold a towed motor vehicle for more than 24 hours without:
   (a) Taking an inventory of all personal property in the motor vehicle that is visible from the exterior of the motor vehicle; and
   (b) Holding the personal property in the motor vehicle in a secure manner.

(12) Accept cash as a method of payment for towing services unless the tower provides exact change not later than the end of the business day following receipt of payment.

(13) Operate in a city or county without a license issued by the city or county if required by ORS 98.861.

(14) Charge for the hookup and release of a motor vehicle except as provided in ORS 98.853.

SECTION 89. ORS 105.932 is amended to read:

105.932. (1) Data on a motor vehicle event data recorder does not become the property of a lienholder or insurer solely because the lienholder or insurer succeeds in ownership of a motor vehicle as a result of [an accident] a crash.

(2) An insurer may not condition the payment or settlement of an owner’s claim on the owner’s consent to the retrieval or use of the data on a motor vehicle event data recorder.

(3) An insurer or lessor of a motor vehicle may not require an owner to consent to the retrieval or use of the data on a motor vehicle event data recorder as a condition of providing the policy or lease.

SECTION 90. ORS 105.935 is amended to read:

105.935. Data from a motor vehicle event data recorder may be retrieved or used without the consent of the owner after [an accident] a crash if a court orders the production of the data based on a determination by the court that:

(1) A law enforcement officer has probable cause to believe that a crime has occurred and that the data is relevant to the investigation of the crime; or

(2) A law enforcement officer, firefighter or emergency medical services provider seeks to obtain the data in the course of responding to or investigating an emergency involving the physical injury or the risk of physical injury to any person.

SECTION 91. ORS 105.938 is amended to read:

105.938. (1) Upon petition of an insurer, a court may order that data from a motor vehicle event data recorder be retrieved or used without the consent of the owner of the motor vehicle after [an
accident] a crash if the court determines that:

(a) The owner has a policy of insurance for the vehicle issued by the insurer;
(b) The data is necessary to reconstruct the facts of the [accident] crash and to allow the insurer to determine the obligations of the insurer under the insurance policy; and
(c) An accurate and timely determination of the facts of the [accident] crash cannot occur without the data.

(2) A petition under this section must be filed in the circuit court for the county in which the owner of the motor vehicle resides. The petition must be served on the owner in the manner provided by ORCP 7 not less than 30 days before a hearing on the petition. An insurer filing a petition under this section must pay the filing fee specified by ORS 21.135.

SECTION 92. ORS 133.405 is amended to read:

(c) “Employing agency” means a state or local government of an adjoining state that employs a certified peace officer.

(2) A certified peace officer is a peace officer and a police officer in this state when:
(a) The officer enters this state in order to provide, or attempt to provide, law enforcement services described in subsection (3) of this section; and
(b) The law enforcement services occur within 50 miles from the contiguous border of this state and the adjoining state where the officer is employed.

(3) Subsection (2) of this section applies when the certified peace officer is providing, or attempting to provide, law enforcement services under any of the following circumstances:
(a) In response to a request for law enforcement services initiated by an Oregon sheriff, constable, marshal, municipal police officer or member of the Oregon State Police.
(b) In response to a reasonable belief that emergency law enforcement services are necessary for the preservation of life, and a request for services by an Oregon sheriff, constable, marshal, municipal police officer or member of the Oregon State Police for those services is impractical to obtain under the circumstances. The certified police officer shall obtain authorization from an Oregon law enforcement agency having jurisdiction over the location where the services were provided as soon as is practicable after the services have been provided.
(c) For the purpose of assisting an Oregon sheriff, constable, marshal, municipal police officer or member of the Oregon State police in providing emergency service in response to criminal activity, [traffic accidents] crashes, emergency incidents or other similar public safety problems, whether or not an Oregon sheriff, constable, marshal, municipal police officer or member of the Oregon State Police is present at the scene of the incident.

(4) When a certified peace officer exercises any authority granted under this section, the officer shall submit, as soon as is practicable, a written report concerning the incident to the Oregon law enforcement agency having primary jurisdiction over the geographic area in which the incident occurred. Oregon law enforcement agencies may establish reporting procedures and forms to facilitate reporting required under this subsection.

(5) This section does not confer upon a certified peace officer the authority to enforce Oregon traffic or motor vehicle laws.
SECTION 93. ORS 135.857 is amended to read:

135.857. (1) In any criminal prosecution arising from an automobile [collision] crash in which the defendant is alleged to have been under the influence of alcohol or drugs, the district attorney prosecuting the action shall make available, upon request, to the victim or victims and to their attorney, or to the survivors of the victim or victims and to their attorney, all reports and information disclosed to the defendant pursuant to ORS 135.805 to 135.873. The reports and information shall be made available at the same time as it is disclosed to the defendant or as soon thereafter as may be practicable after a request is received. The district attorney may impose such conditions as may be reasonable and necessary to prevent the release of the reports and information from interfering with the trial of the defendant. The district attorney may apply to the court for an order requiring any person receiving such reports and information to comply with the conditions of release.

(2) For the purpose of this section:
(a) “District attorney” has that meaning given in ORS 131.005.
(b) “Drug” has that meaning given in ORS 475.005.

SECTION 94. ORS 146.113 is amended to read:

Such blood or urine samples shall be analyzed for the presence and quantity of ethyl alcohol, and if considered necessary by the Chief Medical Examiner, the presence of cannabis or controlled substances.

(3) Laboratory reports of the analysis shall be made a part of the Chief Medical Examiner’s and district medical examiner’s files.

SECTION 95. ORS 153.061 is amended to read:

153.061. (1) Except as provided in subsection (2) of this section, a defendant who has been issued a violation citation must either:

(a) Make a first appearance by personally appearing in court at the time indicated in the summons; or

(b) Make a first appearance in the manner provided in subsection (3) of this section before the time indicated in the summons.

(2) If a defendant is issued a violation citation for careless driving under ORS 811.135 on which a police officer noted that the offense contributed to [an accident] a crash and that the cited offense appears to have contributed to the serious physical injury or death of a vulnerable user of a public way, the officer may not enter the amount of the presumptive fine on the summons and the defendant must make a first appearance by personally appearing in court at the time indicated in the summons.

(3)(a) Except as provided in this section, a defendant who has been issued a violation citation may make a first appearance in the matter before the time indicated in the summons by one of the following means:

(A) The defendant may submit to the court a written or oral request for a trial.

(B) The defendant may enter a plea of no contest by:

(i) Delivering to the court, a Central Violations Bureau established under ORS 153.806 or a Violations Bureau established by the court under ORS 153.800 the summons and a check or money order in the amount of the presumptive fine set forth in the summons; or

[66]
(ii) Appearing by electronic or telephonic means and entering the plea with a Central Violations Bureau established under ORS 153.806 or a Violations Bureau established by the court under ORS 153.800.

(c) A no contest plea under this subsection is not subject to the requirements of ORS chapter 135 relating to the entry of pleas and, upon receipt of the plea, the court may enter judgment against the defendant without taking further evidence.

(4) The court may require that a defendant requesting a trial under subsection (3) of this section deposit an amount equal to the presumptive fine established under ORS 153.019 and 153.020 or such other amount as the court determines appropriate if the defendant has failed to appear in any court on one or more other charges in the past. If the defendant does not deposit the amount specified by the court, the defendant must personally appear in court at the time indicated in the summons. The amount deposited by the defendant may be applied against any fine imposed by the court, and any amount not so applied shall be refunded to the defendant at the conclusion of the proceedings.

(5) The court may require a defendant to appear personally in any case, or may require that all defendants appear in specified categories of cases.

(6) If a defendant has entered a no contest plea in the manner provided in subsection (3) of this section, and the court determines that the presumptive fine is not adequate by reason of previous convictions of the defendant, the nature of the offense charged or other circumstances, the court may require that a trial be held unless an additional fine amount is paid by the defendant before a specified date. Notice of an additional fine amount under this subsection may be given to the defendant by mail. In no event may the court require a total fine amount in excess of the maximum fine established for the violation by statute.

(7) If a defendant fails to make a first appearance on a citation for a traffic violation, as defined by ORS 801.557, fails to make a first appearance on a citation for a violation of ORS 471.430, or fails to appear at any other subsequent time set for trial or other appearance, the driving privileges of the defendant are subject to suspension under ORS 809.220.

SECTION 96. ORS 163.115 is amended to read:

163.115. (1) Except as provided in ORS 163.095, 163.118 and 163.125, criminal homicide constitutes murder in the second degree:

(a) When it is committed intentionally, except that it is an affirmative defense that, at the time of the homicide, the defendant was under the influence of an extreme emotional disturbance;

(b) When it is committed by a person, acting either alone or with one or more persons, who commits or attempts to commit any of the following crimes and in the course of and in furtherance of the crime the person is committing or attempting to commit, or during the immediate flight therefrom, the person, or another participant if there be any, causes the death of a person other than one of the participants:

(H) Any felony sexual offense in the first degree defined in this chapter;
(I) Compelling prostitution as defined in ORS 167.017; or

   (B) The person causes the death by neglect or maltreatment.
(2) An accusatory instrument alleging murder by abuse under subsection (1)(c) of this section need not allege specific incidents of assault or torture.
(3) It is an affirmative defense to a charge of violating subsection (1)(b) of this section that the defendant:
   (a) Was not the only participant in the underlying crime;

(d) The vehicle is not classified for underwriting purposes as used for a business.

(2) If the person qualifying for a premium reduction under subsection (1) of this section is the
principal operator of two or more vehicles, the premium discount shall apply to only one vehicle.
No more than one premium discount may be applied to one vehicle.

SECTION 110. ORS 742.492 is amended to read:

742.492. Except as otherwise provided in this section, the premium reduction required by ORS
742.490 (1) shall be effective for an insured for a three-year period after successful completion of the
approved course if the person is less than 70 years of age at the time of taking the course or for a
two-year period after successful completion of an approved course if the person is 70 years of age
or more at the time of taking the course. An insurer may require, as a condition of maintaining the
discount, that the insured:

However, nothing contained in this section requires the insurer to reproduce in the policy the particular language of any of the following provisions:

(1)(a) Notwithstanding ORS 30.260 to 30.300, the insurer will pay all sums that the insured or the heirs or legal representative of the insured is legally entitled to recover as damages from the owner or operator of an uninsured vehicle because of bodily injury sustained by the insured caused by accident and arising out of the ownership, maintenance or use of the uninsured vehicle. Determination as to whether the insured, the insured’s heirs or the insured’s legal representative is legally entitled to recover such damages, and if so, the amount thereof, shall be made by agreement between the insured and the insurer, or, in the event of disagreement, may be determined by arbitration as provided in subsection (10) of this section.

(b) No judgment against any person or organization alleged to be legally responsible for bodily injury, except for proceedings instituted against the insurer as provided in this policy, shall be conclusive, as between the insured and the insurer, on the issues of liability of the person or organization or of the amount of damages to which the insured is legally entitled.

(2) As used in this policy:

(a) “Bodily injury” means bodily injury, sickness or disease, including death resulting therefrom.

(b) “Hit-and-run vehicle” means a vehicle that causes bodily injury to an insured arising out of physical contact of the vehicle with the insured or with a vehicle the insured is occupying at the time of the [accident] crash, provided:

(B) Any child residing in the household of the named insured if the insured has performed the duties of a parent to the child by rearing the child as the insured’s own although the child is not related to the insured by blood, marriage or adoption; and

(d) “Insured vehicle,” except as provided in paragraph (e) of this provision, means:

(f) “Occupying” means in or upon or entering into or alighting from.

(g) “Phantom vehicle” means a vehicle that causes bodily injury to an insured arising out of a motor vehicle [accident] crash that is caused by a vehicle that has no physical contact with the insured or the vehicle the insured is occupying at the time of the [accident] crash, provided:

(A) The identity of either the operator or the owner of the phantom vehicle cannot be ascertained;

(B) The facts of the [accident] crash can be corroborated by competent evidence other than the testimony of the insured or any person having an uninsured motorist claim resulting from the [accident] crash; and

(B) Are calculated without regard to the tort claims limitations of ORS 30.260 to 30.300; and

(C) Are no larger than benefits payable under the terms of the policy as provided in subsection (7) of this section.
(k) “Uninsured vehicle,” except as provided in paragraph (L) of this provision, means:

(A) A vehicle with respect to the ownership, maintenance or use of which there is no collectible motor vehicle bodily injury liability insurance, in at least the amounts or limits prescribed for bodily injury or death under ORS 806.070 applicable at the time of the [accident] crash with respect to any person or organization legally responsible for the use of the vehicle, or with respect to which there is collectible bodily injury liability insurance applicable at the time of the [accident] crash but the insurance company writing the insurance denies coverage or the company writing the insurance becomes voluntarily or involuntarily declared bankrupt or for which a receiver is appointed or becomes insolvent. It shall be a disputable presumption that a vehicle is uninsured in the event the insured and the insurer, after reasonable efforts, fail to discover within 90 days from the date of the [accident] crash, the existence of a valid and collectible motor vehicle bodily injury liability insurance applicable at the time of the [accident] crash.

(B) A hit-and-run vehicle.

(C) A phantom vehicle.

(L) “Uninsured vehicle” does not include:

(A) An insured vehicle, unless the vehicle is a stolen vehicle;

(B) Except as provided in paragraph (k)(E) of this subsection, a vehicle that is owned or operated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor carrier law or any similar law;

(C) A vehicle that is owned by the United States of America, Canada, a state, a political subdivision of any such government or an agency of any such government;

(D) A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for use as a residence or premises and not as a vehicle;

(E) A farm-type tractor or equipment designed for use principally off public roads, except while actually upon public roads; or

(F) A vehicle owned by or furnished for the regular or frequent use of the insured or any member of the household of the insured.

(m) “Vehicle” means every device in, upon or by which any person or property is or may be transported or drawn upon a public highway, but does not include devices moved by human power or used exclusively upon stationary rails or tracks.

(3) This coverage applies only to [accidents] crashes that occur on and after the effective date of the policy, during the policy period and within the United States of America, its territories or possessions, or Canada.

(4)(a) This coverage does not apply to bodily injury of an insured with respect to which the insured or the legal representative of the insured shall, without the written consent of the insurer, make any settlement with or prosecute to judgment any action against any person or organization who may be legally liable therefor.

(b) This coverage does not apply to bodily injury to an insured while occupying a vehicle, other
than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any
relative resident in the same household, or through being struck by the vehicle.

(c) This coverage does not apply so as to inure directly or indirectly to the benefit of any
workers' compensation carrier, any person or organization qualifying as a self-insurer under any
workers' compensation or disability benefits law or any similar law or the State Accident Insurance
Fund Corporation.

(d) This coverage does not apply with respect to underinsured motorist benefits unless:
(A) The limits of liability under any bodily injury liability insurance applicable at the time of
the [accident] crash regarding the injured person have been exhausted by payment of judgments or
settlements to the injured person or other injured persons;
(B) The described limits have been offered in settlement, the insurer has refused consent under
paragraph (a) of this subsection and the insured protects the insurer's right of subrogation to the
claim against the tortfeasor;
(C) The insured gives credit to the insurer for the unrealized portion of the described liability
limits as if the full limits had been received if less than the described limits have been offered in
settlement, and the insurer has consented under paragraph (a) of this subsection; or
(D) The insured gives credit to the insurer for the unrealized portion of the described liability
limits as if the full limits had been received if less than the described limits have been offered in
settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insured
protects the insurer's right of subrogation to the claim against the tortfeasor.

(e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow
the insurer a reasonable time in which to collect and evaluate information related to consent to the
proposed offer of settlement. The insured shall provide promptly to the insurer any information that
is reasonably requested by the insurer and that is within the custody and control of the insured.
Consent will be presumed to be given if the insurer does not respond within a reasonable time. For
purposes of this paragraph, a “reasonable time” is no more than 30 days from the insurer's receipt
of a written request for consent, unless the insured and the insurer agree otherwise.

(5)(a) As soon as practicable, the insured or other person making claim shall give to the insurer
written proof of claim, under oath if required, including full particulars of the nature and extent of
the injuries, treatment and other details entering into the determination of the amount payable
hereunder. The insured and every other person making claim hereunder shall submit to examinations
under oath by any person named by the insurer and subscribe the same, as often as may reasonably
be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails
to furnish the forms within 15 days after receiving notice of claim.

(b) Upon reasonable request of and at the expense of the insurer, the injured person shall submit
to physical examinations by physicians, naturopathic physicians, physician assistants or nurse
practitioners selected by the insurer and shall, upon each request from the insurer, execute au-
thorization to enable the insurer to obtain medical reports and copies of records.

(6) If, before the insurer makes payment of loss hereunder, the insured or the legal representa-
tive of the insured institutes any legal action for bodily injury against any person or organization
legally responsible for the use of a vehicle involved in the [accident] crash, a copy of the summons
and complaint or other process served in connection with the legal action shall be forwarded im-
mediately to the insurer by the insured or the legal representative of the insured.

(7)(a) The limit of liability stated in the declarations as applicable to “each person” is the limit
of the insurer's liability for all damages because of bodily injury sustained by one person as the
result of any one [accident] crash and, subject to the above provision respecting each person, the
limit of liability stated in the declarations as applicable to “each [accident] crash” is the total limit
of the company’s liability for all damages because of bodily injury sustained by two or more persons
as the result of any one [accident] crash.

(b) Any amount payable under the terms of this coverage because of bodily injury sustained in
[an accident] a crash by a person who is an insured under this coverage shall be reduced by the
amount paid and the present value of all amounts payable on account of the bodily injury under any
workers’ compensation law, disability benefits law or any similar law.

(c) Any amount payable under the terms of this coverage because of bodily injury sustained in
[an accident] a crash by a person who is an insured under this coverage shall be reduced by the
credit given to the insurer pursuant to subsection (4)(d)(C) or (D) of this section.

(d) The amount payable under the terms of this coverage may not be reduced by the amount of
liability proceeds offered, described in subsection (4)(d)(B) or (D) of this section, that has not been
paid to the injured person. If liability proceeds have been offered and not paid, the amount payable
under the terms of the coverage shall include the amount of liability limits offered but not accepted
due to the insurer’s refusal to consent. The insured shall cooperate so as to permit the insurer to
proceed by subrogation or assignment to prosecute the claim against the uninsured motorist.

(8) [No An action [shall] may not lie against the insurer unless, as a condition precedent
thereto, the insured or the legal representative of the insured has fully complied with all the terms
of this policy.

(9)(a) With respect to bodily injury to an insured:
(A) While occupying a vehicle owned by a named insured under this coverage, the insurance
under this coverage is primary.

(B) While occupying a vehicle not owned by a named insured under this coverage, the insurance
under this coverage shall apply only as excess insurance over any primary insurance available to
the occupant that is similar to this coverage, and this excess insurance coverage shall then apply
only to the sums that the insured or the heirs or legal representative of the insured is legally enti-
tled to recover as damages for bodily injury or death that is caused by accident and that arises out
of owning, maintaining or using an uninsured vehicle.

(b) With respect to bodily injury to an insured while occupying any motor vehicle used as a
public or livery conveyance, the insurance under this coverage shall apply only as excess insurance
over any other insurance available to the insured that is similar to this coverage, and this excess
insurance coverage shall then apply only to the amount by which the applicable limit of liability of
this coverage exceeds the sum of the applicable limits of liability of all other insurance.

(10) If any person making claim hereunder and the insurer do not agree that the person is le-
gally entitled to recover damages from the owner or operator of an uninsured vehicle because of
bodily injury to the insured, or do not agree as to the amount of payment that may be owing under
this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time
of the dispute to settle the matter by arbitration, the arbitration shall take place as described in
ORS 742.505. Any judgment upon the award rendered by the arbitrators may be entered in any court
having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration pro-
ceeding do not exceed $100 and that all other costs of arbitration are borne by the insurer.
“Costs” as used in this provision does not include attorney fees or expenses incurred in the pro-
duction of evidence or witnesses or the making of transcripts of the arbitration proceedings. The
person and the insurer each agree to consider themselves bound and to be bound by any award made
by the arbitrators pursuant to this coverage in the event of such election. At the election of the
insured, the arbitration shall be held:

(a) In the county and state of residence of the insured;
(b) In the county and state where the insured’s cause of action against the uninsured motorist
arose; or
(c) At any other place mutually agreed upon by the insured and the insurer.

(11) In the event of payment to any person under this coverage:
(a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement
or judgment that may result from the exercise of any rights of recovery of the person against any
uninsured motorist legally responsible for the bodily injury because of which payment is made;
(b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the
person shall have against such other uninsured person or organization because of the damages that
are the subject of claim made under this coverage, but only to the extent that the claim is made or
paid herein;
(c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one
or more of whom is uninsured, the insured shall have the election to receive from the insurer any
payment to which the insured would be entitled under this coverage by reason of the act or acts
of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with
legal action against any or all persons claimed to be liable to the insured for the injuries. If the
insured elects to receive payment from the insurer under this coverage, then the insured shall hold
in trust for the benefit of the insurer all rights of recovery the insured shall have against any other
person, firm or organization because of the damages that are the subject of claim made under this
coverage, but only to the extent of the actual payment made by the insurer;
(d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice
such rights;
(e) If requested in writing by the insurer, the person shall take, through any representative not
in conflict in interest with the person, designated by the insurer, such action as may be necessary
or appropriate to recover payment as damages from such other uninsured person or organization,
such action to be taken in the name of the person, but only to the extent of the payment made
hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for ex-
penses, costs and attorney fees incurred by the insurer in connection therewith; and
(f) The person shall execute and deliver to the insurer any instruments and papers as may be
appropriate to secure the rights and obligations of the person and the insurer established by this
provision.

(12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured
under this coverage unless within two years from the date of the [accident] crash:
(A) Agreement as to the amount due under the policy has been concluded;
(B) The insured or the insurer has formally instituted arbitration proceedings;
(C) The insured has filed an action against the insurer; or
(D) Suit for bodily injury has been filed against the uninsured motorist and, within two years
from the date of settlement or final judgment against the uninsured motorist, the insured has
formally instituted arbitration proceedings or filed an action against the insurer.
(b) For purposes of this subsection:
(A) “Date of settlement” means the date on which a written settlement agreement or release is
signed by an insured or, in the absence of these documents, the date on which the insured or the
attorney for the insured receives payment of any sum required by the settlement agreement. An
advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for pur-
poses of the time limitation in this subsection.

(B) “Final judgment” means a judgment that has become final by lapse of time for appeal or by
entry in an appellate court of an appellate judgment.

applicable at the time of the [accident] crash with respect to any person or organization legally
responsible for the use of such vehicle, or with respect to which there is such collectible insurance
applicable at the time of the [accident] crash but the insurance company writing the same denies
coverage thereunder or, within two years of the date of the [accident] crash, such company writing
the same becomes voluntarily or involuntarily declared bankrupt or for which a receiver is ap-
pointed or becomes insolvent. It shall be a disputable presumption that a vehicle is uninsured in the
event the insured and the insurer, after reasonable efforts, fail to discover within 90 days from the
date of the [accident] crash, the existence of valid and collectible property damage insurance ap-
licable at the time of the [accident] crash.

(B) A hit-and-run vehicle as defined in subsection (5) of this section.

(B) The insured or someone on behalf of the insured reports the [accident] crash within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the [accident] crash occurred, and files with the insurer within 30 days thereafter a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of such [accident] crash for damages against a person or persons whose identity is unascertainable, and setting forth the facts in support thereof; and

(C) At the insurer’s request, the insured or the legal representative of the insured makes available for inspection the vehicle which was insured at the time of the [accident] crash.

(C) The insured or someone on behalf of the insured shall have reported the [accident] crash within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the [accident] crash occurred, and shall have filed with the insurer within 30 days thereafter a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of such [accident] crash for damages against a person or persons whose identity is unascertainable, and setting forth the facts in support thereof.

SECTION 114. ORS 742.510 is amended to read:

742.510. (1) Every insurer issuing motor vehicle liability insurance policies on private passenger motor vehicles or on self-propelled mobile homes for delivery in this state shall have for sale coverage for property damage to a vehicle of the insured caused by an uninsured vehicle. Coverage offered under this section shall be at least the amount prescribed to meet the requirements of ORS 806.070 for insurance for injury to or destruction of the property of others in any one [accident] crash.

(2) A policy with the coverage described in this section does not cover the first $300 of property damage to the covered motor vehicle as the result of [an accident] a crash with a hit-and-run vehicle or phantom vehicle. In all other cases the first $200 damage is not covered.

(3) Coverage for property damage described in this section:

(a) Applies only to the amount of damages the insured may be legally entitled to recover.

(b) Does not include coverage for loss of use of the covered vehicle.

SECTION 115. ORS 742.530 is amended to read:

SECTION 116. ORS 742.534 is amended to read:

742.534. (1) Except as provided in ORS 742.544, every authorized motor vehicle liability insurer whose insured is or would be held legally liable for damages for injuries sustained in a motor vehicle [accident] crash by a person for whom personal injury protection benefits have been furnished by another such insurer, or for whom benefits have been furnished by an authorized health insurer, shall reimburse such other insurer for the benefits it has so furnished if it has requested such reimbursement, has not given notice as provided in ORS 742.536 that it elects recovery by lien in accordance with that section and is entitled to reimbursement under this section by the terms of its policy. Reimbursement under this subsection, together with the amount paid to injured persons by the liability insurer, shall not exceed the limits of the policy issued by the insurer.

(2) In calculating such reimbursement, the amount of benefits so furnished shall be diminished in proportion to the amount of negligence attributable to the person for whom benefits have been so furnished, and the reimbursement shall not exceed the amount of damages legally recoverable by the person.

(3) Disputes between insurers as to such issues of liability and the amount of reimbursement required by this section shall be decided by arbitration.

(4) Findings and awards made in such an arbitration proceeding are not admissible in any action at law or suit in equity.

(5) If an insurer does not request reimbursement under this section for recovery of personal injury protection payments, then the insurer may only recover personal injury protection payments under the provisions of ORS 742.536 or 742.538.

SECTION 117. ORS 742.536 is amended to read:

742.536. (1) If an authorized motor vehicle liability insurer has furnished personal injury protection benefits, or an authorized health insurer has furnished benefits, to a person who was injured in a motor vehicle [accident] crash and the injured person makes a claim, or brings legal action, for damages for injuries against any other person, the injured person shall give notice of the claim or legal action to the insurer by personal service or by registered or certified mail. Service of a copy of the summons and complaint or copy of other process served in connection with the legal action is sufficient notice to the insurer, in which case a return showing service of the notice must be filed with the clerk of the court but is not a part of the record except to give notice.

(2) An insurer may elect to seek reimbursement as provided in this section for benefits the insurer has furnished to the injured person out of any recovery the injured person obtains from a claim or legal action if the insurer has not been a party under ORS 742.534 to an interinsurer reimbursement proceeding with respect to benefits the insurer furnished to the injured person and the insurer is entitled by the terms of the insurer’s policy to the benefit of this section. The insurer shall give written notice of an election under this subsection by personal service or by registered or certified mail within 30 days after receiving the notice or knowledge of the claim or legal action to the person who made the claim or brought the legal action and to the person against whom the injured person made a claim or brought legal action. In the case of a legal action, a return showing service of the notice of election must be filed with the clerk of the court but is not a part of the record except to give notice to the claimant and the defendant of the lien of the insurer.

(3) If the insurer serves a written notice of the insurer’s election under subsection (2) of this...
section and, if applicable, files a return showing service:

(a) Subject to ORS 742.544, an insurer has a lien, for not more than the amount of benefits the
insurer furnished, against an injured person’s recovery in an action for damages, less a propor-
tionate amount of not more than 100 percent of the expenses, costs and attorney fees the injured
person incurred in connection with the recovery. The proportionate amount must be calculated as
the ratio between the amount of the lien before a reduction under this paragraph and the amount
of the recovery.

(b) The injured person shall include the benefits the insurer furnished as damages in a claim or
legal action.

c) In the case of a legal action, the action must be taken in the name of the injured person.

SECTION 118. ORS 742.538 is amended to read:

742.538. If a motor vehicle liability insurer has furnished personal injury protection benefits, or
a health insurer has furnished benefits, to a person who was injured in a motor vehicle [accident]
crash and the interinsurer reimbursement benefit of ORS 742.534 is not available under the terms
of that section, the insurer has not elected recovery by lien as provided in ORS 742.536, and the
insurer is entitled by the terms of the insurer’s policy to the benefit of this section:

(1) Subject to ORS 742.544, the insurer is entitled to the proceeds of any settlement or judgment
that results from the exercise of any rights of recovery the injured person has against any person
legally responsible for the [accident] crash, to the extent of the benefits the insurer furnished less
the insurer’s share of expenses, costs and attorney fees the injured person incurred in connection
with the recovery.

(2) The injured person shall hold in trust for the benefit of the insurer the amount to which the
insurer is entitled under this section, which may not exceed the amount of benefits the insurer fur-
nished.

(3) The injured person shall do whatever is proper to secure, and may not prejudice, the rights
an insurer has under this section.

(4) If requested in writing by the insurer, the injured person shall take, in the injured person’s
name and through any representative the insurer designates who is not in conflict in interest with
the injured person, such action as is necessary or appropriate to recover the amounts to which the
insurer is entitled under this section, including amounts for the injured person’s share of expenses,
costs and attorney fees that the insurer incurred in connection with the recovery.

(5) In calculating respective shares of expenses, costs and attorney fees under this section, the
basis of allocation must be the respective proportions borne to the total recovery by:

(a) Benefits the insurer furnished; and

(b) The total recovery less the benefits the insurer furnished.

(6) The injured person shall execute and deliver to the insurer instruments and papers as are
appropriate to secure the rights and obligations of the insurer and the injured person as established
by this section.

(7) Any provisions in a motor vehicle liability insurance policy or health insurance policy giving
rights to the insurer relating to subrogation or the subject matter of this section must be construed
and applied in accordance with the provisions of this section.

SECTION 119. ORS 742.542 is amended to read:

742.542. Payment by a motor vehicle liability insurer of personal injury protection benefits for
its own insured shall be applied in reduction of the amount of damages that the insured may be entitled to recover from the insurer under uninsured or underinsured motorist coverage for the same accident crash but may not be applied in reduction of the uninsured or underinsured motorist coverage policy limits.

SECTION 120. ORS 742.544 is amended to read:

742.544. (1)(a) As used in this subsection, “total amount of the recovery” means the amount that a person injured in a motor vehicle accident crash recovers from:

(A) Underinsured motorist benefits described in ORS 742.502 (2);
(B) Liability insurance coverage the injured person receives from other parties involved in the motor vehicle accident crash;
(C) Personal injury protection benefits or health insurance benefits; and
(D) Any other payment by or on behalf of the party that caused the motor vehicle accident crash.

(b) An insurer may not receive a reimbursement or subrogation for personal injury protection benefits or health benefits the insurer provided to a person injured in a motor vehicle accident crash from any recovery the injured person obtains in an action for damages except to the extent that:

(A) The injured person first receives full compensation for the injured person's injuries; and
(B) The reimbursement or subrogation is paid only from the total amount of the recovery in excess of the amount that fully compensates for the injured person's injuries.

(2) For purposes of this section, the following rebuttable presumptions apply:

(a) The amount of any judgment that an injured person obtains is the amount necessary to fully compensate for the injured person's injuries.
(b) An injured person has received full compensation for the injured person's injuries if the amount of the recovery is less than the coverage available to the injured person from the sum of benefits paid under another person's motor vehicle liability policy, under an underinsured motorist policy described in ORS 742.502 (2), as personal injury protection payments and from any other source of payment from or on behalf of the party whose fault caused the injuries.
(c) An injured person has not received full compensation for the injured person's injuries if the injured person recovers an amount that is equal to the coverage available to the injured person from the sum of benefits paid under another person's motor vehicle liability policy, under an underinsured motorist policy described in ORS 742.502 (2), as personal injury protection payments and from any other source of payment from or on behalf of the party whose fault caused the injuries.

(3) An insurer may not deny or refuse to provide benefits that are otherwise available to an injured person because of the potential the injured person has to make a claim or bring an action against another person or enter into a settlement with another person.

(4) A person with whom an injured person enters into a settlement or from whom the injured person obtains a judgment in connection with a claim or action may not name an insurer that seeks a reimbursement or subrogation under ORS 742.536 or 742.538 as a payee on a check, draft or other form of payment in satisfaction of the claim or judgment.

(5) An insurer may not delay, withhold or reduce benefits to an injured person because of an act or omission for which a third party is or may be liable or as a means of enforcing or attempting to enforce a claim for reimbursement or subrogation.

(6) An insurer that receives a reimbursement for benefits the insurer provided to an injured person shall apply the amount of the reimbursement as a credit against any lifetime maximum ben-
efit set forth for the injured person in the policy, benefit plan or contract under which the insurer paid the benefits.

(7) A provision in a policy, benefit plan or contract that permits reimbursement or subrogation other than as provided in this section is void and unenforceable.

(8) This section does not:

(a) Prohibit insurers from coordinating benefits;
(b) Limit an insurer’s right to seek reimbursement or subrogation to recover, without reduction, amounts the insurer paid for property damage;
(c) Limit an insurer that provided coverage against underinsured motorists from pursuing a claim against a party at fault; or
(d) Require a person to repay more than the amount of personal injury protection benefits that the person actually received.

SECTION 121. ORS 742.546 is amended to read:

742.546. (1) When a motor vehicle liability insurer obtains a release for bodily injuries within 60 calendar days following [an accident] a crash from a person who is eligible to receive personal injury protection benefits under ORS 742.518 to 742.542, the release must state that, subject to the motor vehicle liability insurer’s applicable limits of liability, the rights of an insurer furnishing personal injury protection to recover payments made for medical benefits from the motor vehicle liability insurer are not impaired.

(2) Nothing in this section impairs the rights of a motor vehicle liability insurer to contest a recovery claim from an insurer furnishing personal injury protection, based upon liability or the reasonableness or necessity of medical benefits paid by the insurer furnishing personal injury protection.

SECTION 122. ORS 746.265 is amended to read:

746.265. (1) Subject to subsection (2) of this section, an insurer may consider the abstract of an individual’s nonemployment driving record under ORS 802.220 when evaluating the individual’s application to obtain or renew personal insurance, as defined in ORS 746.600, that provides automobile liability coverage, uninsured motorist coverage, automobile medical payments coverage or automobile physical damage coverage on an individually owned passenger vehicle, including pickup and panel trucks and station wagons:

(a) For the purpose of determining whether to issue or renew the individual’s policy.
(b) For the purpose of determining the rates of the individual’s policy.
(2) For the purposes specified in subsection (1) of this section, an insurer that issues or renews a policy described in subsection (1) of this section may not consider any:

(a) [Accident] Vehicle crash or conviction for violation of motor vehicle laws that occurred more than three years immediately preceding the application for the policy or for renewal of the policy;
(b) Diversion agreements under ORS 813.220 that were entered into more than three years immediately preceding the application for the policy or for renewal of the policy; or
(c) Suspension of driving privileges pursuant to ORS 809.280 (6) or (8) if the suspension is based on a nondriving offense.
(3) Subsection (2) of this section does not apply if an insurer considers an individual’s nonemployment driving record under ORS 802.220 for the purpose of providing a discount to the individual.

SECTION 123. ORS 746.292 is amended to read:

746.292. (1) All work done by a motor vehicle body and frame repair shop shall be recorded on
an invoice and shall describe all service work done and parts supplied. If any used parts are supplied, the invoice shall clearly state that fact. If any component system installed is composed of new and used parts, such invoice shall clearly state that fact. One copy of the invoice shall be given to the customer and one copy shall be retained by the motor vehicle body and frame repair shop.

(2) Before commencing repair work and upon the request of any customer, a motor vehicle body and frame repair shop shall make an estimate in writing of the parts and labor necessary for the repair work, and shall not charge for the work done or parts supplied in excess of the estimate without the consent of such customer.

(3)(a) If crash parts to be used in the repair work are supplied by the original equipment manufacturer, the parts shall be accompanied by a warranty that guarantees the customer that the parts meet or exceed standards used in manufacturing the original equipment.

(b) If crash parts to be used in the repair work are not supplied by the original equipment manufacturer, the estimate shall include a statement that says:

This estimate has been prepared based on the use of a motor vehicle crash part not made by the original equipment manufacturer. The use of a motor vehicle crash part not made by the original equipment manufacturer may invalidate any remaining warranties of the original equipment manufacturer on that motor vehicle part. The person who prepared this estimate will provide a copy of the part warranty for crash parts not made by the original equipment manufacturer for comparison purposes.

(4) [No] A motor vehicle body and frame shop may not:

(a) Supply or install used parts, or any component system composed of new and used parts, when new parts or component systems are or were to be supplied or installed.

(b) Supply or install, without the owner's consent, any aftermarket crash part unless the part has been certified by an independent test facility to be at least equivalent to the part being replaced. For purposes of this paragraph, an aftermarket crash part is at least equivalent to the part being replaced if the aftermarket crash part is the same kind of part and is at least the same quality with respect to fit, finish, function and corrosion resistance.

(c) Charge for repairs not actually performed, or add the cost of repairs not actually to be performed to any repair estimate.

(d) Refuse any insurer, or its insured, or their agents or employees, reasonable access to any repair facility for the purpose of inspecting or reinspecting the damaged vehicle during usual business hours.

(5) As used in ORS 746.287 and this section, “aftermarket crash part” means a motor vehicle replacement part, sheet metal or plastic, that constitutes the visible exterior of the vehicle, including an inner or outer panel, is generally repaired or replaced as the result of a [collision] crash and is not supplied by the original equipment manufacturer.
