A BILL FOR AN ACT

Relating to worker classification; creating new provisions; and amending ORS 670.600 and 670.605.

Be It Enacted by the People of the State of Oregon:

SECTION 1. For purposes of classifying an individual's status as an employee or an independent contractor as necessary for purposes of administering the wage and hour laws under ORS chapters 652 and 653 and the employment discrimination statutes under ORS chapter 659A, the Commissioner of the Bureau of Labor and Industries shall classify the individual by determining whether the individual meets the criteria of an independent contractor, as defined in ORS 670.600.

SECTION 2. Notwithstanding any other provision of law, in any proceeding where a question of fact regarding the classification of an individual as an employee or an independent contractor is at issue, there is a rebuttable presumption that the individual is an employee whenever another individual or entity engages the individual to perform services or labor in exchange for remuneration. An individual or entity that engages an individual to perform such services or labor may overcome the presumption by demonstrating by a preponderance of the evidence that the individual is an independent contractor.
