If the amount of the bond or bond substitute is insufficient to cover all obligations, amounts owing to and for the benefit of the state pursuant to ORS 462.073 (3) shall have priority over any other claims. No action may be brought for recovery on the bond or bond substitute unless written notice of the claim is made to the commission and to the race meet licensee within 120 days after the last day of the race meet or continuous race meet in which the obligation arose. The notice must be by registered mail, certified mail with return receipt or personal service to the licensee or to the licensee’s registered agent. Any action for recovery on the
bond or bond substitute must be brought no earlier than 60 days and no later than 180 days after

claim pursuant to ORS 462.073 (2).

“(5) Every person licensed to conduct a race meet for horses shall carry insurance to protect
jockeys and, if appropriate, drivers. The type, form and amount of insurance, and the carrier, must

subject to provisions of ORS 462.062 and 462.067. Not more than 350 days of racing, exclusive of
racing days authorized to designated licensees pursuant to subsection (5) of this section, shall be
held in any metropolitan area in any fiscal year. A licensee shall conduct at least 720 live races
under the license during each fiscal year race meets are held under the license. The commission

“(2) If a licensee under ORS 462.062 or 462.067 fails, for good cause, to complete all of the al-
located days in a licensed race meet or if the commission does not receive and approve license ap-
plications for all of the days allocated to [either class of] racing, the commission may add the unused
or unallocated days no later than June 30 of the following fiscal year, to the racing days allocated
to and available to the licensee or, in the discretion of the commission, to any other licensee [of
either class of racing] in the metropolitan area. Additional race days allocated under this subsection
are exempt from the limit of 350 days of racing in a fiscal year imposed by subsection (1) of this
section. The additional racing days granted by the commission to any eligible licensee may not ex-
ceed the total of the unused or unallocated racing days in any one fiscal year.

“(3) If an emergency occurs on the day of racing, and a night racing program runs past the hour
of midnight, such time after midnight is not considered an additional racing day.

[racing] to be held within the county in which the licensee holds its fair or show or
at a race course owned by a governmental agency or a nonprofit corporation in an adjoining county.
If a licensee does not use all of the licensee's allocated race days during the fiscal year, the com-
mission, in the commission's discretion, may allow that licensee to use the leftover days in the next
fiscal year. If a licensee referred to in this subsection wishes to make application to the commission
to schedule racing days that conflict with racing days previously scheduled by another such
licensee, at least 30 days prior to the date of a meeting of the commission, the governing bodies of
the applicant and the previous licensee shall meet at a time and place prescribed by the previous
licensee to discuss the applicant’s proposed racing day schedule. The conclusion of the parties re-
garding the proposals for conflicting racing days and the matters upon which the parties agree or
disagree shall be reduced to writing signed by the parties and submitted to the commission not later
than 14 days prior to a meeting of the commission. The commission may approve or disapprove
proposals for conflicting racing days upon such terms and conditions as the commission considers appropriate.

“(6) The commission may not grant a license for any race meet within a county for dates that conflict with racing dates granted to the county fair of such county.

“(7) The commission may not grant a licensee that is subject to ORS 462.062 a license for a race meet for a date that conflicts with a race meet date granted to a licensee that is subject to ORS 462.057, unless the commission has the consent of the licensee that is subject to ORS 462.057. This subsection applies only if the licensee that is subject to ORS 462.057 held a race meet during the 2002 calendar year on a date substantially similar to the date that is the subject of the conflict. A licensee that is subject to ORS 462.057 may not unreasonably withhold consent under this subsection.

(1) A person may not conduct or commit, attempt or conspire to conduct or commit pool selling, bookmaking, or circulate handbooks, or bet or wager on any licensed race meet, other than by the mutuel method. All moneys wagered in Oregon must be accounted for through a computerized mutuel wagering system in use by an operating race meet in this state and approved by the Oregon Racing Commission. Wagering into pools outside of Oregon via telephone or other device is prohibited unless the wagering information is transmitted by a licensee that conducts off-race course mutuel wagering pursuant to ORS 462.700 to 462.740.

“(2) A race meet licensee may not take more than 22 percent of the gross receipts of any mutuel wagering system subject to approval by the commission.

“(3) A race meet licensee shall compute breaks in the mutuel system at 10 cents for each dollar wagered in a specific mutuel pool except, when the breaks in the mutuel system compute to less than 10 cents total for each dollar wagered, the race meet licensee shall compute the breaks on that specific mutuel pool at five cents. When the breaks in the mutuel system compute at 10 cents or more for each dollar wagered, the race meet licensee shall pay in increments of 10 cents for each dollar wagered. When the breaks in the mutuel system compute to less than 10 cents for each dollar wagered, the race meet licensee shall pay five cents for each dollar wagered. For horses, 45 percent of the breaks shall be retained by the licensee. [For greyhounds, 33-1/3 percent shall be retained by the licensee.] The other 55 percent [for horses and 66-2/3 percent for greyhounds] shall be paid as follows:

training facilities within the state. All such funds shall be retained by the licensee in an account sep-
arate from all other funds, and no disbursements or transfers shall be made therefrom without prior
approval of the commission.

SECTION 17. ORS 462.155 is amended to read:
462.155. (1) The Oregon Racing Commission may allow a race meet operator [that holds a Class
A license] to conduct mutuel wagering at the licensee’s race course on horse races previously held
if:
“(a) The races were actual events held at race courses during race meets;
“(b) The races were subject to mutuel wagering at the time the races were originally held; and
“(c) The race meets at which the races were originally held were approved by the commission
or by an equivalent regulatory body in another state.
“(2) Subsection (1) of this section allows mutuel wagering on a horse race displayed as a video
or audio recording, or another form of recording approved by the commission, but does not authorize
wagering on any animation, computer simulation or other artificial representation of horse racing.
“(3) Subsection (1) of this section does not apply to a race meet operator described in ORS
462.057 (2). Subsection (1) of this section does not authorize off-race course wagering or multi-
jurisdictional simulcasting for horse races previously held.
“(4) Wagers authorized under subsection (1) of this section are subject to the provisions of ORS
462.157.

SECTION 18. ORS 462.510 is amended to read:
462.510. (1) Any person who attempts to, or does persuade, procure or cause another person to
wager on an animal participating in a race, and upon which money is wagered, and who asks or
demands, or accepts compensation as a reward for information or purported information given in
such case is a tout, and is guilty of touting.
“(2) Predictions on the outcome of horse races [and greyhound races] may be sold on the
licensee’s premises in accordance with rules promulgated by the Oregon Racing Commission.
"SECTION 19. ORS 462.710 is amended to read:

"462.710. (1) Any race meet licensee may make written application to the Oregon Racing Com-
mission to conduct off-race course mutuel wagering:

"(a) On races held at the licensee’s race course; or

"(b) On races held at race courses outside this state.

"(2) The application shall be in such form, shall contain such information and shall be submitted
at such time and in such manner as the commission may require. Information required by the com-
mmission may include, but is not limited to, a description of the facilities, equipment and method of
operation whereby the applicant proposes to conduct off-race course mutuel wagering activities.

"(3) The commission shall authorize off-race course mutuel wagering upon such terms and condi-
tions regarding the time, location and manner of operation as the commission considers appropri-
ate. The commission may not authorize more than 20 locations for off-race course mutuel wagering
to be in operation at any one time and shall permit off-race course mutuel wagering only at an au-
thorized location. The commission may not authorize the conduct of off-race course mutuel wagering
at any time or place or in any manner that the commission determines would have substantial ad-
verse impact upon mutuel wagering on races held at a race course in this state. The commission
may not authorize a race meet licensee to conduct off-race course mutuel wagering within the
boundaries of any city or county that has adopted an ordinance prohibiting the conduct of that ac-
tivity within the city or county. The commission may not authorize a race meet licensee to conduct
off-race course mutuel wagering in any county with a population of less than 250,000 at a location
that is within 40 miles of any other location where another race meet licensee is conducting a live
race meet without written consent of the live race meet licensee.

"(4) In addition to other grounds provided in this chapter, the commission may refuse to issue
or renew or may revoke or suspend the license of any race meet licensee, or any employee thereof,
for failure to comply with ORS 462.700 to 462.740 or commission rules.

"(5) If a race meet licensee proposes to conduct off-race course mutuel wagering at a physical
facility separate from the race course:

"(a) Individuals working at the separate facility must obtain a license for such employment from
the commission if the individuals are performing duties for which a license would be required if the
duties were performed at a race course. The fee for any such license shall be the same as the fee
for the license required if the individual were working at a race course.

"(b) ORS 462.080, 462.190 and 462.195 apply to the race meet licensee and to individuals at the
facility in the same manner as if the mutuel wagering activity were being conducted at a race
course.

"(6) In addition to other requirements of ORS 462.700 to 462.740, the commission may authorize
a race meet licensee to conduct off-race course mutuel wagering on a particular race that is held
at a race course outside this state subject to the following [conditions] provisions:

"(a) The commission may authorize only one race meet licensee, that is the holder of a license
under ORS 462.062 or 462.067, to conduct off-race course mutuel wagering on the race.

"(b) The commission may authorize such off-race course mutuel wagering to be conducted at the
licensee’s race course and any off-race course wagering site approved by the commission.

"(c) The commission may authorize a race meet licensee to conduct off-race course mutuel
wagering on either horse races or greyhound races, except that:

"[(A) A horse race meet licensee may conduct off-race course mutuel wagering on greyhound races
only if there is no active greyhound race meet licensee; and]
“(B) A greyhound race meet licensee may conduct off-race course mutuel wagering on horse races only if there is no active horse race meet licensee.

“(d) If a licensee applies for authority to conduct mutuel wagering on horse races held at race courses outside this state, the commission may require that the licensee provide such evidence as the commission considers appropriate regarding the ability of the licensee to comply with the Interstate Horseracing Act of 1978, 15 U.S.C. 3001 to 3007, as amended.”.
