A vote for the candidates for President and Vice President is a vote for the group of presidential electors supporting those candidates and selected as provided by law. [(3)(a)] (3) The name of each candidate nominated shall be printed on the ballot for a single office only [in but one place, without regard to how many times the candidate may have been nominated], except in circumstances where a candidate may hold more than one office or nomination without violating ORS 249.013.

[(4)(a)] (4) [The name of a political party, or names of political parties, shall be printed with the name of a candidate for other than nonpartisan office] The name of a candidate for other than nonpartisan office shall be separately printed with the name of each political party that nominated the candidate according to the following rules:

(A) For a candidate not affiliated with a political party who is nominated by a minor political party, the name of the minor political party shall be printed with the name of the candidate;

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.

(C) For a candidate who is a member of a political party who is nominated by a political party of which the candidate is not a member, the name of the political party that nominated the candidate shall be printed with the name of the candidate;

(D) For a candidate who is a member of a political party who is nominated by more than one political party of which the candidate is not a member, the name of the candidate shall be separately printed with the names of not more than three political parties selected by the candidate [shall be printed with the name of the candidate];

(E) For a candidate who is nominated only by a political party of which the candidate is a member, the name of the political party of which the candidate is a member shall be printed with the name of the candidate; and

(F) For a candidate who is nominated by a political party of which the candidate is a member and by any political party or parties of which the candidate is not a member, the name of the candidate shall be separately printed with the name of the political party of which the candidate is a member and the names of not more than two other political parties selected by the candidate [shall be printed with the name of the candidate].

(b) If a candidate is required to select the name of a political party to be printed on the ballot under paragraph (a) of this subsection, the candidate shall notify the filing officer of the selection not later than the 61st day before the day of the election.

(c) The word “incumbent” shall be printed with the name of each candidate for the Supreme Court, Court of Appeals, Oregon Tax Court or circuit court who is designated the incumbent by the Secretary of State under ORS 254.085.

(d) The word “nonaffiliated” shall be printed with the name of each candidate who is not affiliated with a political party and who is nominated by an assembly of electors or individual electors.

(e) If two or more candidates for the same office have the same or similar surnames, the location of their places of residence shall be printed with their names to distinguish one from another.

(4)(5) Notwithstanding subsection (3)(a) (3) of this section, the name of a candidate nominated for more than one district office that is to be filled at the same election shall be separately printed upon the ballot for each district office for which the candidate is nominated.

SECTION 2. ORS 254.145 is amended to read:

254.145. (1)(a) Except as provided in paragraph (b) of this subsection, the names of candidates for nomination for or election to each office shall be arranged on the ballot in the order determined under ORS 254.155.

(b) The names of candidates for the offices of President and Vice President of the United States shall be arranged in groups.

(2) Except as provided in ORS 254.125 and 254.135 and this section, no information about the candidate, including any title or designation, other than the candidate’s name, may appear on the ballot.

(3) Spaces shall be provided for any offices appearing on the ballot in which the elector may write the name of any person not printed on the ballot. If a voting machine is used, spaces shall be provided on the ballot, or on separate material delivered to the elector with the ballot, in which the elector may write or enter the names of persons for any offices appearing on the ballot.
(4) On the left margin of the ballot, the name of each group or candidate may be numbered. The blank spaces may not be numbered. A particular number may not be used to designate more than one candidate at any election.

(5) The names of all candidates for the same office shall be listed in the same column on the ballot. If more than one column is needed to list names of all candidates for that office, the names may be arranged in one or more columns in block form. The block shall be set apart by rulings under the title of the office. If a blank space follows the list of candidates, the space shall be in the same column as the names of candidates for that office. If blocks of columns are used, blank spaces shall be included within the ruled block.

(6) The ballot shall be clearly marked to indicate when names of candidates for the office are continued on the following page.

(7) When a measure is submitted to the people, the number, ballot title and financial estimates under ORS 250.125 of each measure shall be printed after the list of candidates. A measure referred by the Legislative Assembly shall be designated “Referred to the People by the Legislative Assembly.” A state measure referred by petition shall be designated “Referendum Order by Petition of the People.” A state measure proposed by initiative petition shall be designated “Proposed by Initiative Petition.”

(8) (a)(A) The ballot shall be printed to give the elector a clear opportunity to designate the elector’s choice for candidates and approval or rejection of measures submitted. If an elector chooses to vote for a candidate who has been nominated for a single office by multiple political parties, the elector shall indicate a single preference for the pairing of candidate and political party that the elector chooses. If the elector marks the ballot in a manner that indicates a preference for a single candidate, but with multiple pairings of political parties, the ballot shall be considered cast:

(i) For the indicated candidate; and

(ii) For the indicated political party that has the smallest number of members.

(B) Votes that are cast in the manner described in this paragraph and ORS 254.135 for the pairing of a candidate and a minor political party that nominated the candidate may be used to maintain the status of the minor political party under ORS 248.008 (4)(b)(B).

(b) If a voting machine is not used, the elector shall indicate a preference by making a cross or check mark inside a voting square corresponding to the candidate or answer for which the elector wishes to vote. A voting square may be printed on the blank, write-in vote spaces. However, the elector is not required to place a mark in the voting square corresponding to a name written in a blank space.

(c) Words shall be printed on the ballot to aid the elector, such as “Vote for one,” “Vote for three,” and regarding measures, “Yes” and “No.”
