3 Britain after 200 years of colonial rule; and

4       Whereas in 2022, people of Indian origin all over the world, including more than four million

7       Whereas India is the world's biggest democracy and one of the world's fastest-growing econo-  
8 mies and is projected to soon be the most populous country on Earth; and

9       Whereas India, as one of humanity's longest-running civilizations, celebrates a wealth of histor-

11 and sports; and

12       Whereas Oregon is home to numerous individuals of Indian origin who have put down roots,  
13 raised families and contributed their skills and talents to the benefit of the economy, education,
