A BILL FOR AN ACT

Relating to apprenticeship utilization in public projects; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. (1) As used in this section:

(a) “Apprentice” has the meaning given that term in ORS 660.010.

(b) “Apprenticeable occupation” has the meaning given that term in ORS 660.010.

(c) “Apprenticeship training program” means the total system of apprenticeship that a particular local joint committee, as defined in ORS 660.010, operates, including the local joint committee’s registered standards and all other terms and conditions for qualifying, recruiting, selecting, employing and training apprentices in an apprenticeable occupation.

(d) “Journeyworker” has the meaning given that term in ORS 660.010.

(e) “Training agent” has the meaning given that term in ORS 660.010.

(2) The Department of Transportation, the Oregon Department of Administrative Services and any state contracting agency that uses funds from the American Rescue Plan Act of 2021 (P.L. 117-2) in connection with a public improvement shall study the use of apprentices in public improvement projects and public works projects in which each department or contracting agency engages or for which each department or contracting agency procures construction services from private contractors. The study must examine, at a minimum:

(a) The percentage rates at which each department, contracting agency and contractor from which each department and contracting agency procures construction services employ apprentices in apprenticeable occupations for work on projects for public works and other public improvement projects;

(b) The numbers of apprentices each department, contracting agency or contractor have employed on public works projects and public improvement projects within the previous five years;

(c) The crafts and trades of the apprentices employed as described in paragraph (b) of this subsection;

(d) The percentages of apprentices employed as described in paragraph (b) of this sub-
section who are women, people of color or members of historically disadvantaged communi-

ties;

(e) Among the contractors from which each department or contracting agency has pro-
cured construction services in the previous five years in connection with public works
projects or public improvement projects, the number of contractors who are training agents;

and

(f) The rate at which apprentices employed as described in paragraph (b) of this sub-
section graduate from an apprenticeship training program and attain the status of
journeyworker.

(3) Each department or contracting agency shall report the results of the study described
in subsection (2) of this section to the interim committees of the Legislative Assembly re-
lated to public procurement, transportation and workforce education and training in the
manner provided by ORS 192.245 no later than September 15, 2024. The report must include
recommendations for improvements to each department's or contracting agency's use of
apprentices that will align the department's or contracting agency's efforts with appren-
ticeship utilization rates and apprenticeship standards in the programs of other state agen-
cies that employ apprentices in public works projects and public improvement projects.

SECTION 2. Section 1 of this 2023 Act is repealed on January 2, 2025.

SECTION 3. This 2023 Act takes effect on the 91st day after the date on which the 2023
regular session of the Eighty-second Legislative Assembly adjourns sine die.
