The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Directs Environmental Quality Commission to establish program for source reduction of single-use plastic food ware and single-use packaging and achieve 25 percent source reductions compared to 2023 levels by 2030. Establishes civil penalty for violation of program.

A BILL FOR AN ACT

Relating to prohibiting certain consumer products; creating new provisions; and amending ORS 459.995.

Be It Enacted by the People of the State of Oregon:

SECTION 1. As used in this section and section 2 of this 2023 Act:

(1) “Elimination” means the removal of a packaging component from a product without replacing that component with another packaging component made from another material type.

(2) “Plastic single-use food service ware” means single-use food service ware made partially or entirely of plastic, including, but not limited to, plastic-coated paper or plastic-coated paperboard, paper or paperboard with plastic intentionally added during the manufacturing process, and multilayer flexible material.

(3) “Plastic single-use packaging” means the packaging of a product made partially or entirely of plastic, including, but not limited to, plastic-coated paper or plastic-coated paperboard, paper or paperboard with plastic intentionally added during the manufacturing process, and multilayer flexible material:

(a) That is routinely recycled, disposed of or discarded after its contents have been used or unpackaged; and

(b) That is typically not refilled by the producer.

(3) “Producer” means any person, irrespective of the selling technique used, including that of remote sale, that:

(a) Manufactures plastic single-use food service ware or plastic single-use packaging that is sold, offered for sale or distributed in this state;

(b) Is the owner of a trademark or brand under which plastic single-use food service ware or plastic single-use packaging is sold, offered for sale or distributed in this state, whether or not such trademark or brand is registered in this state; or

(c) Imports plastic single-use food service ware or plastic single-use packaging into the United States that is sold or offered for sale in this state.

(4) “Reusable or refillable” means packaging or food service ware that is:

(a) Explicitly designed to be utilized multiple times for the same product, or for another

(b) Designed for durability to function properly in its original condition for multiple uses;
(c) Supported by adequate infrastructure to ensure the packaging or food service ware can be conveniently and safely reused or refilled for multiple cycles; and
(d) Capable of being repeatedly recovered, inspected and, if necessary, repaired and reissued into the supply chain for reuse or refill.

(5) “Single-use food service ware” includes plates, bowls, cups, trays, clamshells, utensils, stirrers, hinged and lidded containers, wraps or wrappers, bags and straws.

(6) “Source reduction” means the elimination of or net reduction, by total weight or weight of plastic components, of plastic single-use food service ware and plastic single-use packaging before creation, including, but not limited to, transitioning plastic single-use food service ware and plastic single-use packaging to reusable or refillable packaging or a reusable or refillable product.

SECTION 2. The Environmental Quality Commission shall establish by rule a program to require the source reduction of plastic single-use food service ware and plastic single-use packaging in this state. Rules adopted by the commission under this section must:

(1) Require producers of plastic single-use food service ware and plastic single-use packaging to achieve by January 1, 2030, source reduction targets of:
   (a) A 25 percent reduction of the total weight of plastic single-use food service ware and plastic single-use packaging sold or distributed in this state compared to 2023; and
   (b) A 25 percent reduction in plastic components by weight of plastic single-use food service ware and plastic single-use packaging sold or distributed in this state compared to 2023 levels.

(2) Require that at least 10 percent of the source reduction described in subsection (1) of this section are attributable to elimination or the development and utilization of infrastructure for reusable or refillable products.

(3) Require producers to achieve the source reductions described in subsection (1) of this section by at least 15 percent compared to 2023 levels by January 1, 2027, with at least 5 percent of the source reduction attributable to the development and utilization of infrastructure for reusable or refillable products.

(4) Prohibit or limit the use of plastic single-use food service ware and plastic single-use packaging if the commission determines that product or packaging is unnecessary for the delivery of a product or food item.

SECTION 3. Rules adopted by the Environmental Quality Commission establishing the program described in section 2 of this 2023 Act shall be effective no later than July 1, 2025.

SECTION 4. ORS 459.995, as amended by section 15, chapter 102, Oregon Laws 2022, is amended to read:

459.995. (1) Except as provided in subsection (2) of this section, in addition to any other penalty provided by law:
   (a) Any person who violates ORS 459.205, 459.270, 459.272, 459.386 to 459.405, 459.705 to 459.790, 459A.005 to 459A.620, 459A.310 to 459A.335, 459A.860 to 459A.975 or 646A.080, or any rule or order of the Environmental Quality Commission pertaining to the disposal, collection, storage or reuse or recycling of solid wastes, as defined by ORS 459.005, or any rule or order pertaining to the disposal, storage or transportation of waste tires, as defined by ORS 459.705, or any rule or order pertaining to the sale of novelty items that contain encapsulated liquid mercury, or any rule or order per-
taining to the program established under section 2 of this 2023 Act, incurs a civil penalty not
