Declares emergency, effective on passage.

A BILL FOR AN ACT

Relating to climate rules for land use planning; and declaring an emergency.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Sections 2 and 3 of this 2023 Act are added to and made a part of ORS chapter 197.

SECTION 2. On or before January 1, 2028, the Land Conservation and Development Commission shall adopt amendments to the statewide planning goals or additional goals, as provided in ORS 197.245, that require:

(1) Citizen involvement to focus on equity and engagement with underserved populations within the community involvement processes; and

(2) Addressing climate change and reducing greenhouse gas emissions.

SECTION 3. (1) As used in this section, “climate rule” means any rule adopted by the Land Conservation and Development Commission in response to Executive Order 20-04 requiring agencies to take action to reduce and regulate greenhouse gas emissions, including rules related to parking mandates, reduced-vehicle areas, transportation planning, electric vehicle infrastructure or housing density.

(2) On or before January 1, 2028, and after amending statewide planning goals under section 2 of this 2023 Act, the commission shall adopt amendments or replacement rules to the climate rules that:

(a) Advance climate targets and equity;

(b) Are the result of collaboration with local governments impacted by the climate rules;

(c) Develop an implementation timeline that acknowledges differing local capabilities and circumstances;

(d) Are consistent with ORS 197.040 (1)(b), allow local governments alternative actions to comply with the rules and provide flexibility for local circumstances;

(e) Allow for the consideration of existing local plans and projects;

(f) Allow for local governments to meaningfully engage with their constituents in determining how to achieve outcomes;

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

LC 3023
(g) Provide model ordinances implementing the rules; and
(h) Balance implementation of statewide planning goals.
(3) The commission may not adopt amendments or replacement rules to the climate rules under this section unless the rule:
   (a) Has the support of the governing bodies of at least 80 percent of all local governments that would be subject to the rule; and
   (b) Includes a comprehensive economic impact statement identifying impacts on businesses, the public and local governments.
(4) The model ordinances under subsection (2)(g) of this section are enforceable against local governments who do not adopt amendments to their comprehensive plan or land use regulations to comply with the rules within the time required by the rules.
(5) In conjunction with adopting amendments or replacement rules to the climate rules adopted under this section, the Department of Land Conservation and Development shall identify strategies to ensure funding for the local government’s implementation of the rules. The department shall include moneys necessary for grants to local governments in the department’s agency request budget, as described in ORS 291.208.
(6) Climate rules may not be enforced until the commission adopts amendments or replacement rules to the climate rules under this section.
(7) On or before September 15, 2025, the department shall provide a report to an appropriate interim committee of the Legislative Assembly in the manner provided in ORS 192.245 on the updates to the climate rules under this section.

SECTION 4. Sections 2 and 3 of this 2023 Act are repealed on January 2, 2028.

SECTION 5. This 2023 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2023 Act takes effect on its passage.
