Senate Bill 666

Sponsored by Senator KNOPP (Presession filed.)

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Requires person to review medical history and obtain written consent of parent or guardian before administering vaccine or immune product to child under 18 years of age.

A BILL FOR AN ACT

Relating to administration of vaccines to children.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Before administering a vaccine or immune product to a child under 18 years of age, a person shall:

(1) Obtain and review the child's medical records for adverse events or allergies; and

(2) Obtain the written consent of the child's parent or guardian.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
