Nothing in this subparagraph shall be construed to prevent:

(i) A health care provider from participating in ORS 127.800 to 127.897 while acting outside the course and scope of the health care provider’s capacity as an employee or independent contractor; or

(ii) A patient from contracting with his or her attending [physician and] provider or consulting [physician] provider to act outside the course and scope of the attending provider or consulting provider’s capacity as an employee or independent contractor of the sanctioning health care provider.

(A) “Notify” means a separate statement in writing to the health care provider specifically informing the health care provider prior to the health care provider’s participation in ORS 127.800 to 127.897 of the sanctioning health care provider’s policy about participation in activities covered by ORS 127.800 to 127.897.

(B) “Participate in ORS 127.800 to 127.897” means to perform the duties of an attending [physician] provider pursuant to ORS 127.815, the consulting [physician] provider function pursuant to ORS 127.820 or the counseling function pursuant to ORS 127.825. “Participate in ORS 127.800 to 127.897” does not include:
