Senate Bill 922
Sponsored by Senator DEMBROW

SUMMARY

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Requires Oregon Health Authority to study screening for diseases. Directs authority to submit findings to interim committees of Legislative Assembly related to health care not later than September 15, 2024.

A BILL FOR AN ACT

Relating to screening for disease.

Be It Enacted by the People of the State of Oregon:

SECTION 1. The Oregon Health Authority shall study the benefits and risks of health care providers screening for and advising on diseases, including but not limited to osteoporosis. The authority shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to health care no later than September 15, 2024.

SECTION 2. Section 1 of this 2023 Act is repealed on January 2, 2025.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
