18 mitted by federal law.

19       “(2) No later than September 15, 2024, the board shall report to the interim committees  
20 of the Legislative Assembly related to health, in the manner provided in ORS 192.245, the  
21 following information:

22       “(a) A detailed explanation of the plan developed under subsection (1) of this section.

23       “(b) An analysis of potential savings from or costs of implementing the plan with respect  
24 to:

25       “(A) The state;

26       “(B) Insurers;

27       “(C) Hospitals; and

28       “(D) Consumers.

29       “**SECTION 4.** ORS 646A.680, 646A.683, 646A.686, 646A.689, 646A.692, 646A.696 and 646A.697  
30 are added to and made a part of ORS 646A.693 to 646A.695.

31       “**SECTION 5.** ORS 646A.689 is amended to read:

32       “646A.689. (1) As used in [*this section and*] ORS 646A.693 to 646A.695:

33       “(a) ‘Drug’ has the meaning given that term in ORS 689.005.

34       “(b) ‘Health care facility’ has the meaning given that term in ORS 442.015.

35       “(c) ‘Health care service contractor’ has the meaning given that term in ORS 750.005.

36       “(d)(A) ‘Manufacture’ means:

37       “(i) The production, preparation, propagation, compounding, conversion or processing of a drug,  
38 either directly or indirectly by extraction from substances of natural origin or independently by  
39 means of chemical synthesis, or by a combination of extraction and chemical synthesis; and

40       “(ii) The packaging or repackaging of a drug or labeling or relabeling of a drug container.

41       “(B) ‘Manufacture’ does not include the preparation or compounding of a drug by an individual  
42 for the individual’s own use or the preparation, compounding, packaging or labeling of a drug:

43       “(i) By a health care practitioner incidental to administering or dispensing a drug in the course  
44 of professional practice;

45       “(ii) By a health care practitioner or at the practitioner’s authorization and supervision for the

1 purpose of or incidental to research, teaching or chemical analysis activities and not for sale;

2 “(iii) By a health care service contractor for dispensing to a subscriber or delivery to a health  
3 care facility or outpatient clinic owned or operated by the health care service contractor or an af-  
4 filiate of the health care service contractor;

5 “(iv) By a centralized repackaging operation for distribution to subscribers of health care ser-  
6 vice contractors or to pharmacies, health care facilities or outpatient clinics operated by or affil-  
7 iated with a health care service contractor; or

8 “(v) By a health care facility for dispensing to a patient or other person.

9 “(e) ‘Manufacturer’ means a person that manufactures a prescription drug that is sold in this  
10 state.

11 “(f) ‘New prescription drug’ has the meaning prescribed by the Department of Consumer and  
12 Business Services by rule.

13 “(g) ‘Patient assistance program’ means a program that a manufacturer offers to the general  
14 public in which a consumer may reduce the consumer’s out-of-pocket costs for prescription drugs  
15 by using coupons or discount cards, receiving copayment assistance or by other means.

16 “(h) ‘Prescription drug’ means a drug that must:

17 “(A) Under federal law, be labeled ‘Caution: Federal law prohibits dispensing without pre-  
18 scription’ prior to being dispensed or delivered; or

19 “(B) Under any applicable federal or state law or regulation, be dispensed only by prescription  
20 or restricted to use only by health care practitioners.

21 “(i) ‘Price’ means the wholesale acquisition cost as defined in 42 U.S.C. 1395w-3a(c)(6)(B).

22 “(2) No later than March 15 of each year, a manufacturer shall report the information described  
23 in subsection (3) of this section to the department regarding each prescription drug for which:

24 “(a) The price was \$100 or more for a one-month supply or for a course of treatment lasting less  
25 than one month; and

26 “(b) There was a net increase of 10 percent or more in the price of the prescription drug de-  
27 scribed in paragraph (a) of this subsection over the course of the previous calendar year.

28 “(3) For each prescription drug described in subsection (2) of this section, a manufacturer shall  
29 report to the department, in the form and manner prescribed by the department:

30 “(a) The name and price of the prescription drug and the net increase, expressed as a percent-  
31 age, in the price of the drug over the course of the previous calendar year;

32 “(b) The length of time the prescription drug has been on the market;

33 “(c) The factors that contributed to the price increase;

34 “(d) The name of any generic version of the prescription drug available on the market;

35 “(e) The research and development costs associated with the prescription drug that were paid  
36 using public funds;

37 “(f) The direct costs incurred by the manufacturer:

38 “(A) To manufacture the prescription drug;

39 “(B) To market the prescription drug;

40 “(C) To distribute the prescription drug; and

41 “(D) For ongoing safety and effectiveness research associated with the prescription drug;

42 “(g) The total sales revenue for the prescription drug during the previous calendar year;

43 “(h) The manufacturer’s profit attributable to the prescription drug during the previous calendar  
44 year;

45 “(i) The introductory price of the prescription drug when it was approved for marketing by the

1 United States Food and Drug Administration and the net yearly increase, by calendar year, in the  
2 price of the prescription drug during the previous five years;

3 “(j) The 10 highest prices paid for the prescription drug during the previous calendar year in  
4 any country other than the United States;

5 “(k) Any other information that the manufacturer deems relevant to the price increase described  
6 in subsection (2)(b) of this section; and

7 “(L) The documentation necessary to support the information reported under this subsection.

8 “(4) The department may use any prescription drug price information the department deems  
9 appropriate to verify that manufacturers have properly reported price increases as required by  
10 subsections (2) and (3) of this section.

11 “(5) **No later than March 15 of each year**, a manufacturer shall [*accompany the*], **in addition**  
12 **to the information required under subsection (2) of this section**, report [*provided under sub-*  
13 *section (2) of this section with*] the following information about each patient assistance program of-  
14 **fered or funded** by the manufacturer **that provided assistance** to consumers residing in this state  
15 [*for the prescription drugs described in subsection (2) of this section*] **during the previous calendar**  
16 **year**:

17 “(a) The number of consumers who participated in the program;

18 “(b) The total value of the coupons, discounts, copayment assistance or other reduction in costs  
19 provided to consumers in this state who participated in the program;

20 “(c) For each drug, the number of refills that qualify for the program, if applicable;

21 “(d) If the program expires after a specified period of time, the period of time that the program  
22 is available to each consumer; and

23 “(e) The eligibility criteria for the program and how eligibility is verified for accuracy.

24 “(6) No later than 30 days after a manufacturer introduces a new prescription drug for sale in  
25 the United States at a price that exceeds the threshold established by the Centers for Medicare and  
26 Medicaid Services for specialty drugs in the Medicare Part D program, the manufacturer shall notify  
27 the department, in the form and manner prescribed by the department, of all the following informa-  
28 tion:

29 “(a) A description of the marketing used in the introduction of the new prescription drug;

30 “(b) The methodology used to establish the price of the new prescription drug;

31 “(c) Whether the United States Food and Drug Administration granted the new prescription  
32 drug a breakthrough therapy designation or a priority review;

33 “(d) If the new prescription drug was not developed by the manufacturer, the date of and the  
34 price paid for acquisition of the new prescription drug by the manufacturer;

35 “(e) The manufacturer’s estimate of the average number of patients who will be prescribed the  
36 new prescription drug each month; and

37 “(f) The research and development costs associated with the new prescription drug that were  
38 paid using public funds.

39 “(7)(a) After receiving the report or information described in subsection (2), (3), (5) or (6) of this  
40 section, the department may make a written request to the manufacturer for supporting documen-  
41 tation or additional information concerning the report. The department shall prescribe by rule the  
42 periods:

43 “(A) Following the receipt of the report or information during which the department may re-  
44 quest additional information; and

45 “(B) Following a request by the department for additional information during which a manufac-

1 turer may respond to the request.

2 “(b) The department may extend the period prescribed under paragraph (a)(B) of this subsection,  
3 as necessary, on a case-by-case basis.

4 “(8) A manufacturer may be subject to a civil penalty, as provided in ORS 646A.692, for:

5 “(a) Failing to submit timely reports or notices as required by this section;

6 “(b) Failing to provide information required under this section;

7 “(c) Failing to respond in a timely manner to a written request by the department for additional  
8 information under subsection (7) of this section; or

9 “(d) Providing inaccurate or incomplete information under this section.

10 “(9) Except as provided in subsection (10) of this section, the department shall post to its  
11 website all of the following information:

12 “(a) A list of the prescription drugs reported under subsection (2) of this section and the man-  
13 ufacturers of those prescription drugs;

14 “(b) Information reported to the department under subsections (3) and (5) to (7) of this section;  
15 and

16 “(c) Written requests by the department for additional information under subsection (7) of this  
17 section.

18 “(10)(a) The department may not post to its website any information described in subsection (9)  
19 of this section if:

20 “(A) The information is conditionally exempt from disclosure under ORS 192.345 as a trade se-  
21 cret; and

22 “(B) The public interest does not require disclosure of the information.

23 “(b) If the department withholds any information from public disclosure pursuant to this sub-  
24 section, the department shall post to its website a report describing the nature of the information  
25 and the department’s basis for withholding the information from disclosure.

26 “(c) A person may petition the Attorney General, as provided in ORS 192.411, to review a deci-  
27 sion by the department to withhold information pursuant to paragraph (a) of this subsection.

28 “(11) In accordance with ORS 646A.694, the department shall provide to the Prescription Drug  
29 Affordability Board established in ORS 646A.693:

30 “(a) Each calendar quarter, a list of prescription drugs included in reports submitted under  
31 subsections (2) and (6) of this section; and

32 “(b) Access to pricing information submitted to the department under subsections (3), (6) and (7)  
33 of this section.

34 “(12) The department shall make available to consumers, online and by telephone, a process for  
35 consumers to notify the department about an increase in the price of a prescription drug. **Any**  
36 **personally identifiable information about a consumer obtained by the department through a**  
37 **notification under this subsection, including but not limited to a consumer’s name, address,**  
38 **telephone number and electronic mail address, is confidential and not subject to disclosure.**

39 “(13) The department may adopt rules as necessary for carrying out the provisions of this  
40 section[, *including but not limited to rules establishing fees to be paid by manufacturers to be used*  
41 *solely to pay the costs of the department in carrying out the provisions of this section*].

42 “(14) No later than December 15 of each year, the department shall compile and report the in-  
43 formation collected by the department under this section to the interim committees of the Legisla-  
44 tive Assembly related to health. The report shall include recommendations for legislative changes,  
45 if any, to contain the cost of prescription drugs and reduce the impact of price increases on con-

1 sumers, the Department of Corrections, the Public Employees' Benefit Board, the Oregon Health  
2 Authority, the Department of Human Services, the Oregon Educators Benefit Board and health in-  
3 surance premiums in the commercial market.

4 “**SECTION 6.** ORS 646A.693 is amended to read:

5 “646A.693. (1) The Prescription Drug Affordability Board is established in the Department of  
6 Consumer and Business Services to protect residents of this state, state and local governments,  
7 commercial health plans, health care providers, pharmacies licensed in this state and other  
8 stakeholders within the health care system in this state from the high costs of prescription drugs.

9 “(2) The board consists of [*five*] **eight** members [*and three alternates*] appointed by the Governor.

10 “(3) The term of office of each member of the board is four years, but a member serves at the  
11 pleasure of the Governor. Before the expiration of the term of a member, the Governor shall appoint  
12 a successor whose term begins on January 1 next following. A member is eligible for reappointment.  
13 If there is a vacancy for any cause, the Governor shall make an appointment to become immediately  
14 effective for the unexpired term.

15 “(4) The appointment of each member of the board is subject to confirmation by the Senate in  
16 the manner prescribed in ORS 171.562 and 171.565.

17 “(5) A member of the board is entitled to compensation and expenses as provided in ORS  
18 292.495.

19 “(6) The members of the board must be residents of this state with expertise in health care  
20 economics and clinical medicine.

21 “(7) A member of the board may not be an employee of, a board member of or a consultant to  
22 a manufacturer or a trade association of manufacturers.

23 “(8) The board shall select one of its members as chairperson and another as vice chairperson,  
24 for terms and with duties and powers necessary for the performance of the functions of the offices  
25 as the board determines.

26 “(9) A majority of the members of the board constitutes a quorum for the transaction of busi-  
27 ness.

28 “(10) The department shall appoint an executive director for the board, may employ consultants,  
29 investigators or other staff and shall provide staff support to the board to carry out its duties.

30 “(11) The board shall meet at least once every six weeks at a time and place determined by the  
31 chairperson. The chairperson may cancel or postpone a regular meeting if there is no prescription  
32 drug to review. The board may also meet at other times and places specified by the call of the  
33 chairperson or of a majority of the members of the board.

34 “(12)(a) The following actions by the board shall be open to the public in accordance with ORS  
35 192.610 to 192.690:

36 “(A) Any deliberation on whether to conduct an affordability review of a prescription drug un-  
37 der ORS 646A.695; and

38 “(B) Any decision or deliberation toward a decision on any matter before the board except as  
39 provided in paragraph (b) of this subsection.

40 “(b) The board may meet in executive session to discuss trade secret information.

41 “(13) The board shall:

42 “(a) Provide public notice of each board meeting at least two weeks in advance of the meeting;

43 “(b) Make materials for each board meeting available to the public at least one week in advance  
44 of the meeting;

45 “(c) Provide an opportunity for public comment at each open meeting of the board; and

1 “(d) Provide the public with the opportunity to submit written comments on any pending deci-  
2 sion of the board.

3 “(14) The board may allow expert testimony at board meetings, including when the board meets  
4 in executive session.

5 “(15)(a) A member of the board shall recuse the member from decisions related to a prescription  
6 drug if the member, or an immediate family member of the member, has received or could receive  
7 any of the following:

8 “(A) A direct financial benefit of any amount deriving from the result or finding of a study, re-  
9 view or determination by or for the board; or

10 “(B) A financial benefit from any person that owns, manufactures, or provides prescription  
11 drugs, services or items to be reviewed by the board that in the aggregate exceeds \$5,000 per year.

12 “(b) For the purposes of paragraph (a) of this subsection, a financial benefit includes honoraria,  
13 fees, stock, the value of the member’s or immediate family member’s stock holdings and any direct  
14 financial benefit deriving from the result or finding of a study, review or determination by or for the  
15 board.

16 “(c) A conflict of interest shall be disclosed:

17 “(A) By the board when hiring board staff;

18 “(B) By the Governor when appointing members [*and alternate members*] to the board; and

19 “(C) By the board, when a member of the board is recused in any final decision resulting from  
20 a review of a prescription drug.

21 “(d) A conflict of interest shall be disclosed at the earlier of:

22 “(A) Prior to the first board meeting after the conflict is identified; or

23 “(B) Within five days after the conflict is identified.

24 “(e) A conflict of interest disclosed under this section shall be posted on the website of the  
25 board unless the chairperson of the board recuses the member from any final decision resulting from  
26 a review of a prescription drug.

27 “(f) A posting under paragraph (e) of this subsection shall include the type, nature and magni-  
28 tude of the conflict of interest of the member involved.

29 “(16) Members [*and alternate members*] of the board, staff and third parties that contract with  
30 the board may not accept any gift or donation of services or property that creates a potential con-  
31 flict of interest or has the appearance of biasing the work of the board.

32 “(17)(a) The board may enter into a contract with a qualified, independent third party for any  
33 service necessary to carry out the powers and duties of the board.

34 “(b) Unless permission is granted by the board, a third party hired by the board may not release,  
35 publish or otherwise use any information to which the third party has access under its contract.

36 “(18) In accordance with applicable provisions of ORS chapter 183, the board may adopt rules  
37 necessary for the administration of ORS 646A.693 to 646A.695.

38 “**SECTION 7.** ORS 646A.694 is amended to read:

39 “646A.694. (1) The Department of Consumer and Business Services shall provide to the Pre-  
40 scription Drug Affordability Board each calendar quarter a list of prescription drugs included in  
41 reports submitted to the department under ORS 646A.689 (2) and (6), a list of drugs included in re-  
42 ports submitted to the department under ORS **646A.683** and 743.025 and a list of insulin drugs  
43 marketed in this state during the previous calendar year. Each calendar year, the board shall  
44 identify nine drugs and at least one insulin product from the lists provided under this subsection  
45 that the board determines may create affordability challenges for health care systems or high out-

1 of-pocket costs for patients in this state based on criteria adopted by the board by rule, including  
2 but not limited to:

3 “(a) Whether the prescription drug has led to health inequities in communities of color;

4 “(b) The number of residents in this state prescribed the prescription drug;

5 “(c) The price for the prescription drug sold in this state;

6 “(d) The estimated average monetary price concession, discount or rebate the manufacturer  
7 provides to health insurance plans in this state or is expected to provide to health insurance plans  
8 in this state, expressed as a percentage of the price for the prescription drug under review;

9 “(e) The estimated total amount of the price concession, discount or rebate the manufacturer  
10 provides to each pharmacy benefit manager registered in this state for the prescription drug under  
11 review, expressed as a percentage of the prices;

12 “(f) The estimated price for therapeutic alternatives to the drug that are sold in this state;

13 “(g) The estimated average price concession, discount or rebate the manufacturer provides or  
14 is expected to provide to health insurance plans and pharmacy benefit managers in this state for  
15 therapeutic alternatives;

16 “(h) The estimated costs to health insurance plans based on patient use of the drug consistent  
17 with the labeling approved by the United States Food and Drug Administration and recognized  
18 standard medical practice;

19 “(i) The impact on patient access to the drug considering standard prescription drug benefit  
20 designs in health insurance plans offered in this state;

21 “(j) The relative financial impacts to health, medical or social services costs as can be quantified  
22 and compared to the costs of existing therapeutic alternatives;

23 “(k) The estimated average patient copayment or other cost-sharing for the prescription drug in  
24 this state;

25 “(L) Any information a manufacturer chooses to provide; and

26 “(m) Any other factors as determined by the board in rules adopted by the board.

27 “(2) A drug that is designated by the Secretary of the United States Food and Drug Adminis-  
28 tration, under 21 U.S.C. 360bb, as a drug for a rare disease or condition is not subject to review  
29 under subsection (1) of this section.

30 “(3) The board shall accept testimony from patients and caregivers affected by a condition or  
31 disease that is treated by a prescription drug under review by the board and from individuals with  
32 scientific or medical training with respect to the disease or condition.

33 “(4)(a) If the board considers the cost-effectiveness of a prescription drug in criteria adopted by  
34 the board under subsection (1) of this section, the board may not use quality-adjusted life-years, or  
35 similar formulas that take into account a patient’s age or severity of illness or disability, to identify  
36 subpopulations for which a prescription drug would be less cost-effective. For any prescription drug  
37 that extends life, the board’s analysis of cost-effectiveness must weigh the value of the quality of life  
38 equally for all patients, regardless of the patients’ age or severity of illness or disability.

39 “(b) As used in this subsection:

40 “(A) ‘Health utility’ means a measure of the degree to which having a particular form of disease  
41 or disability or having particular functional limitations negatively impacts the quality of life as  
42 compared to a state of perfect health, expressed as a number between zero and one.

43 “(B) ‘Quality-adjusted life-year’ is the product of a health utility multiplied by the extra months  
44 or years of life that a patient might gain as a result of a treatment.

45 “(5) To the extent practicable, the board shall access pricing information for prescription drugs

1 by:

2 “(a) Accessing pricing information collected by the department under ORS 646A.689 and 743.025;

3 “(b) Accessing data reported to the Oregon Health Authority under ORS 442.373;

4 “(c) Entering into a memorandum of understanding with another state to which manufacturers  
5 already report pricing information; and

6 “(d) Accessing other publicly available pricing information.

7 “(6) The information used to conduct an affordability review may include any document and re-  
8 search related to the introductory price or price increase of a prescription drug, including life cycle  
9 management, net average price in this state, market competition and context, projected revenue and  
10 the estimated value or cost-effectiveness of the prescription drug.

11 “(7) The department and the board shall keep strictly confidential any information collected,  
12 used or relied upon for the review conducted under this section if the information is:

13 “(a) Information submitted to the department by a manufacturer under ORS 646A.689; and
