25 of this section on behalf of a consumer that is subject to a guardianship, conservatorship or

30 designate an authorized agent by means of an internet link, browser setting, browser ex-
31 tension, global device setting or other technology that enables the consumer to opt out of
32 the controller's processing of the consumer's personal data. A controller shall comply with
33 an opt-out request the controller receives from an authorized agent if the controller can
34 verify, with commercially reasonable effort, the identity of the consumer and the authorized
35 agent's authority to act on the consumer's behalf.

36 (5) Except as otherwise provided in sections 1 to 9 of this 2023 Act, in responding to a
37 request under subsection (1) of this section, a controller shall:

38 (a) Respond to a request from a consumer without undue delay and not later than 45 days
39 after receiving the request. The controller may extend the period within which the controller
40 responds by an additional 45 days if the extension is reasonably necessary to comply with the
41 consumer's request, taking into consideration the complexity of the request and the number
42 of requests the consumer makes. A controller that intends to extend the period for re-

44 reason for the extension.

45 (b) Notify the consumer without undue delay and not later than 45 days after receiving

4 (c) Provide information the consumer requests once during any 12-month period without
5 charge to the consumer. A controller may charge a reasonable fee to cover the administra-

8 rected inaccuracies in, or deleted, the consumer's personal data in compliance with the
9 consumer's request.

10 (d) Notify the consumer if the controller cannot, using commercially reasonable methods,
11 authenticate the consumer's request without additional information from the consumer. A
12 controller that sends a notification under this paragraph does not have to comply with the
13 request until the consumer provides the information necessary to authenticate the request.

14 (e) Comply with a request under section 3 (1)(d) of this 2023 Act to opt out of the
15 controller's processing of the consumer's personal data without requiring authentication,
16 except that:

17 (A) A controller may ask for additional information necessary to comply with the re-
18 quest, such as information that is necessary to identify the consumer that requested to opt
19 out.

20 (B) A controller may deny a request to opt out if the controller has a good-faith, rea-
21 sonable and documented belief that the request is fraudulent. If the controller denies a re-
22 quest under this subparagraph, the controller shall notify the consumer that the controller
23 believes the request is fraudulent, stating in the notice that the controller will not comply
24 with the request.

25 (6) A controller shall establish a process by means of which a consumer may appeal the
26 controller's refusal to take action on a request under subsection (1) of this section. The
27 controller's process must:

28 (a) Allow a reasonable period of time after the consumer receives the controller's refusal
29 within which to appeal;

30 (b) Be conspicuously available to the consumer;

31 (c) Be similar to the manner in which a consumer must submit a request under sub-
32 section (1) of this section; and

33 (d) Require the controller to approve or deny the appeal within 45 days after the date on
34 which the controller received the appeal and to notify the consumer in writing of the
35 controller's decision and the reasons for the decision. If the controller denies the appeal, the
36 notice must provide or specify information that enables the consumer to contact the Attor-
37 ney General to submit a complaint.

38 (7) A controller that obtains personal data about a consumer from a source other than
39 the consumer complies with the consumer's request to delete the personal data if the con-
40 troller:

41 (a) Deletes the data but retains a record of the deletion request and a minimal amount
42 of data necessary to ensure that the personal data remains deleted and does not use the
43 minimal data for any other purpose; or

44 (b) Opts the consumer out of the controller's processing of the consumer's personal data
45 for any purpose other than a purpose that is exempt under section 2 of this 2023 Act.

1 **SECTION 5. (1) A controller shall:**

3 purposes for which the controller is collecting and processing personal data;

4 (b) Limit the controller's collection of personal data to only the personal data that is
5 adequate, relevant and reasonably necessary to serve the purposes the controller specified
6 in paragraph (a) of this subsection;

7 (c) Establish, implement and maintain for personal data the same safeguards described
8 in ORS 646A.622 that are required for protecting personal information, as defined in ORS
9 646A.602, such that the controller's safeguards protect the confidentiality, integrity and ac-
10 cessibility of the personal data to the extent appropriate for the volume and nature of the
11 personal data; and

12 (d) Provide an effective means by which a consumer may revoke consent a consumer
13 gave under sections 1 to 9 of this 2023 Act to the controller's processing of the consumer's
14 personal data. The means must be at least as easy as the means by which the consumer
15 provided consent. Once the consumer revokes consent, the controller shall cease processing
16 the personal data as soon as is practicable, but not later than 15 days after receiving the
17 revocation.

18 **(2) A controller may not:**

19 (a) Process personal data for purposes that are not reasonably necessary for and com-
20 patible with the purposes the controller specified in subsection (1)(a) of this section, unless
21 the controller obtains the consumer's consent;

22 (b) Process sensitive data about a consumer without first obtaining the consumer's con-
23 sent or, if the controller knows the consumer is a child, without processing the sensitive
24 data in accordance with the Children's Online Privacy Protection Act of 1998, 15 U.S.C. 6501
25 et seq. and the regulations, rules and guidance adopted under the Act, all as in effect on the
26 effective date of this 2023 Act;

27 (c) Process a consumer's personal data for the purposes of targeted advertising, of pro-
28 filing the consumer in furtherance of decisions that produce legal effects or effects of similar
29 significance or of selling the consumer's personal data without the consumer's consent if the
30 controller has actual knowledge that, or willfully disregards whether, the consumer is at
31 least 13 years of age and not older than 15 years of age; or

32 (d) Discriminate against a consumer that exercises a right provided to the consumer
33 under sections 1 to 9 of this 2023 Act by means such as denying goods or services, charging
34 different prices or rates for goods or services or providing a different level of quality or se-
35 lection of goods or services to the consumer.

36 **(3) Subsections (1) and (2) of this section do not:**

37 (a) Require a controller to provide a good or service that requires personal data from a
38 consumer that the controller does not collect or maintain; or

39 (b) Prohibit a controller from offering a different price, rate, level of quality or selection
40 of goods or services to a consumer, including an offer for no fee or charge, in connection
41 with a consumer's voluntary participation in a bona fide loyalty, rewards, premium features,
42 discount or club card program.

43 **(4) A controller shall provide to consumers a reasonably accessible, clear and meaningful**
44 **privacy notice that:**

45 (a) Lists the categories of personal data, including the categories of sensitive data, that

1 **the controller processes;**

2 **(b) Describes the controller's purposes for processing the personal data;**

3 **(c) Describes how a consumer may exercise the consumer's rights under sections 1 to 9**
4 **of this 2023 Act, including how a consumer may appeal a controller's denial of a consumer's**
5 **request under section 4 of this 2023 Act;**

6 **(d) Lists all categories of personal data, including the categories of sensitive data, that**
7 **the controller shares with third parties;**

8 **(e) Describes all categories of third parties with which the controller shares personal**
9 **data at a level of detail that enables the consumer to understand what type of entity each**
10 **third party is and, to the extent possible, how each third party may process personal data;**

11 **(f) Specifies an electronic mail address or other online method by which a consumer can**
12 **contact the controller that the controller actively monitors;**

13 **(g) Identifies the controller, including any business name under which the controller**
14 **registered with the Secretary of State and any assumed business name that the controller**
15 **uses in this state;**

16 **(h) Provides a clear and conspicuous description of any processing of personal data in**
17 **which the controller engages for the purpose of targeted advertising or for the purpose of**
18 **profiling the consumer in furtherance of decisions that produce legal effects or effects of**
19 **similar significance, and a procedure by which the consumer may opt out of this type of**
20 **processing; and**

21 **(i) Describes the method or methods the controller has established for a consumer to**
22 **submit a request under section 4 (1) of this 2023 Act.**

23 **(5) The method or methods described in subsection (4)(i) of this section for submitting a**
24 **consumer's request to a controller must:**

25 **(a) Take into account:**

26 **(A) Ways in which consumers normally interact with the controller;**

27 **(B) A need for security and reliability in communications related to the request; and**

28 **(C) The controller's ability to authenticate the identity of the consumer that makes the**
29 **request; and**

30 **(b) Provide a clear and conspicuous link to a webpage where the consumer or an au-**
31 **thorized agent may opt out from a controller's processing of the consumer's personal data**
32 **as described in section 3 (1)(d) of this 2023 Act or, solely if the controller does not have a**
33 **capacity needed for linking to a webpage, provide another method the consumer can use to**
34 **opt out.**

35 **(6) If a consumer or authorized agent uses a method described in subsection (5) of this**
36 **section to opt out of a controller's processing of the consumer's personal data under section**
37 **3 (1)(d) of this 2023 Act and the decision conflicts with a consumer's voluntary participation**
38 **in a bona fide reward, club card or loyalty program or a program that provides premium**
39 **features or discounts in return for the consumer's consent to the controller's processing of**
40 **the consumer's personal data, the controller may either comply with the request to opt out**
41 **or notify the consumer of the conflict and ask the consumer to affirm that the consumer**
42 **intends to withdraw from the bona fide reward, club card or loyalty program or the program**
43 **that provides premium features or discounts. If the consumer affirms that the consumer**
44 **intends to withdraw, the controller shall comply with the request to opt out.**

45 **SECTION 6. (1) A processor shall adhere to a controller's instructions and shall assist**

1 the controller in meeting the controller's obligations under sections 1 to 9 of this 2023 Act.

2 In assisting the controller, the processor must:

3 (a) Enable the controller to respond to requests from consumers under section 4 of this
4 2023 Act by means that take into account how the processor processes personal data and the
5 information available to the processor and that use appropriate technical and organizational
6 measures to the extent reasonably practicable;

7 (b) Adopt administrative, technical and physical safeguards that are reasonably designed
8 to protect the security and confidentiality of the personal data the processor processes,
9 taking into account how the processor processes the personal data and the information
10 available to the processor; and

11 (c) Provide information reasonably necessary for the controller to conduct and document
12 data protection assessments.

13 (2) The processor shall enter into a contract with the controller that governs how the
14 processor processes personal data on the controller's behalf. The contract must:

15 (a) Be valid and binding on both parties;

16 (b) Set forth clear instructions for processing data, the nature and purpose of the pro-
17 cessing, the type of data that is subject to processing and the duration of the processing;

18 (c) Specify the rights and obligations of both parties with respect to the subject matter
19 of the contract;

20 (d) Ensure that each person that processes personal data is subject to a duty of
21 confidentiality with respect to the personal data;

22 (e) Require the processor to delete the personal data or return the personal data to the
23 controller at the controller's direction or at the end of the provision of services, unless a law
24 requires the processor to retain the personal data;

25 (f) Require the processor to make available to the controller, at the controller's request,
26 all information the controller needs to verify that the processor has complied with all obli-
27 gations the processor has under sections 1 to 9 of this 2023 Act;

28 (g) Require the processor to enter into a subcontract with a person the processor en-
29 gages to assist with processing personal data on the controller's behalf and in the subcon-
30 tract require the subcontractor to meet the processor's obligations under the processor's
31 contract with the controller; and

32 (h) Allow the controller, the controller's designee or a qualified and independent person
33 the processor engages, in accordance with an appropriate and accepted control standard,
34 framework or procedure, to assess the processor's policies and technical and organizational
35 measures for complying with the processor's obligations under sections 1 to 9 of this 2023
36 Act, and require the processor to cooperate with the assessment and, at the controller's
37 request, report the results of the assessment to the controller.

38 (3) This section does not relieve a controller or processor from any liability that accrues
39 under sections 1 to 9 of this 2023 Act as a result of the controller's or processor's actions
40 in processing personal data.

41 (4)(a) For purposes of determining obligations under sections 1 to 9 of this 2023 Act, a
42 person is a controller with respect to processing a set of personal data, and is subject to an
43 action under section 9 of this 2023 Act to punish a violation of sections 1 to 9 of this 2023
44 Act, if the person:

45 (A) Does not need to adhere to another person's instructions to process the personal

1 **data;**

2 **(B) Does not adhere to another person's instructions with respect to processing the**
3 **personal data when the person is obligated to do so; or**

4 **(C) Begins at any point to determine the purposes and means for processing the personal**
5 **data, alone or in concert with another person.**

6 **(b) A determination under this subsection is a fact-based determination that must take**
7 **account of the context in which a set of personal data is processed.**

8 **(c) A processor that adheres to a controller's instructions with respect to a specific**
9 **processing of personal data remains a processor.**

10 **SECTION 7. (1)(a) A controller that possesses deidentified data shall:**

11 **(A) Take reasonable measures to ensure that the deidentified data cannot be associated**
12 **with an individual;**

13 **(B) Publicly commit to maintaining and using deidentified data without attempting to**
14 **reidentify the deidentified data; and**

15 **(C) Enter into a contract with a recipient of the deidentified data and provide in the**
16 **contract that the recipient must comply with the controller's obligations under sections 1**
17 **to 9 of this 2023 Act.**

18 **(b) A controller that discloses deidentified data shall exercise reasonable oversight to**
19 **monitor compliance with any contractual commitments to which the deidentified data is**
20 **subject and shall take appropriate steps to address any breaches of the contractual com-**
21 **mitments.**

22 **(c) This section does not prohibit a controller from attempting to reidentify deidentified**
23 **data solely for the purpose of testing the controller's methods for deidentifying data.**

24 **(2) Sections 1 to 9 of this 2023 Act do not:**

25 **(a) Require a controller or processor to:**

26 **(A) Reidentify deidentified data; or**

27 **(B) Associate a consumer with personal data in order to authenticate the consumer's**
28 **request under section 4 of this 2023 Act by:**

29 **(i) Maintaining data in identifiable form; or**

30 **(ii) Collecting, retaining or accessing any particular data or technology.**

31 **(b) Require a controller or processor to comply with a consumer's request under section**
32 **4 of this 2023 Act if the controller:**

33 **(A) Cannot reasonably associate the request with personal data or if the controller's at-**
34 **tempt to associate the request with personal data would be unreasonably burdensome;**

35 **(B) Does not use personal data to recognize or respond to the specific consumer who is**
36 **the subject of the personal data or associate the personal data with any other personal data**
37 **about the specific consumer; and**

38 **(C) Does not sell or otherwise voluntarily disclose personal data to a third party, except**
39 **as otherwise provided in this section.**

40 **SECTION 8. (1)(a) A controller shall conduct and document a data protection assessment**
41 **for each of the controller's processing activities that presents a heightened risk of harm to**
42 **a consumer.**

43 **(b) Processing activities that present a heightened risk of harm to a consumer include:**

44 **(A) Processing personal data for the purpose of targeted advertising;**

45 **(B) Processing sensitive data;**

1 (C) Selling personal data; and

2 (D) Using the personal data for purposes of profiling, if the profiling presents a reason-
3 ably foreseeable risk of:

4 (i) Unfair or deceptive treatment of, or unlawful disparate impact on, consumers;

5 (ii) Financial, physical or reputational injury to consumers;

6 (iii) Physical or other types of intrusion upon a consumer's solitude, seclusion or private
7 affairs or concerns, if the intrusion would be offensive to a reasonable person; or

8 (iv) Other substantial injury to consumers.

9 (c) A single data protection assessment may address a comparable set of processing op-
10 erations that present a similar heightened risk of harm.

11 (2) A data protection assessment shall identify and weigh how processing personal data
12 may directly or indirectly benefit the controller, the consumer, other stakeholders and the
13 public against potential risks to the consumer, taking into account how safeguards the con-
14 troller employs can mitigate the risks. In conducting the assessment, the controller shall
15 consider how deidentified data might reduce risks, the reasonable expectations of consumers,
16 the context in which the data is processed and the relationship between the controller and
17 the consumers whose personal data the controller will process.

18 (3) The Attorney General may require a controller to provide to the Attorney General
19 any data protection assessments the controller has conducted if the data protection assess-
20 ment is relevant to an investigation the Attorney General conducts under section 9 of this
21 2023 Act. The Attorney General may evaluate a data protection assessment for the
22 controller's compliance with the requirements of section 1 to 9 of this 2023 Act. If a data
23 protection assessment the Attorney General obtains under this subsection includes infor-
24 mation that is subject to attorney-client privilege or is work product that is subject to a
25 privilege, the controller's provision of the data protection assessment does not waive the
26 privilege.

27 (4) A data protection assessment that a controller conducts to comply with another ap-
28 plicable law or regulation satisfies the requirements of this section if the data protection
29 assessment is reasonably similar in scope and effect to a data protection assessment con-
30 ducted under this section.

31 (5) Requirements that apply to a data protection assessment under this section apply
32 only to processing activities that occur on and after July 1, 2024, and are not retroactive.

33 (6) A controller shall retain for at least five years all data protection assessments the
34 controller conducts under this section.

35 (7) A data protection assessment is confidential and is not subject to disclosure under
36 ORS 192.311 to 192.478.

37 **SECTION 9.** (1)(a) The Attorney General may serve an investigative demand upon any
38 person that possesses, controls or has custody of any information, document or other ma-
39 terial that the Attorney General determines is relevant to an investigation of a violation of
40 sections 1 to 9 of this 2023 Act or that could lead to a discovery of relevant information. An
41 investigative demand may require the person to:

42 (A) Appear and testify under oath at the time and place specified in the investigative
43 demand;

44 (B) Answer written interrogatories; or

45 (C) Produce relevant documents or physical evidence for examination at the time and

1 place specified in the investigative demand.

2 (b) The Attorney General shall serve an investigative demand under this section in the
3 manner provided in ORS 646.622. The Attorney General may enforce the investigative demand
4 as provided in ORS 646.626.

5 (2)(a) An attorney may accompany, represent and advise in confidence a person that ap-
6 pears in response to a demand under subsection (1)(a)(A) of this section. The person may
7 refuse to answer any question on constitutional grounds or on the basis of any other legal
8 right or privilege, including protection against self-incrimination, but must answer any other
9 question that is not subject to the right or privilege. If the person refuses to answer a
10 question on grounds that the answer would be self-incriminating, the Attorney General may
11 compel the person to testify as provided in ORS 136.617.

12 (b) The Attorney General shall exclude from the place in which the Attorney General
13 conducts an examination under this subsection all persons other than the person the Attor-
14 ney General is examining, the person's attorney, the officer before which the person gives
15 the testimony and any stenographer recording the testimony.

16 (3)(a) The Attorney General shall hold in confidence and may not disclose to any person
17 any documents, including data protection assessments, answers to interrogatories and tran-
18 scripts of oral testimony, except that the Attorney General may disclose the documents to:

19 (A) The person that provided the documents or the oral testimony;

20 (B) The attorney or representative of the person that provided the documents or oral
21 testimony;

22 (C) Employees of the Attorney General; or

23 (D) An official of the United States or of any state who is authorized to enforce federal
24 or state consumer protection laws if the Attorney General first obtains a written agreement
25 from the official in which the official agrees to abide by the confidentiality requirements of
26 this subsection.

27 (b) The Attorney General may use any of the materials described in paragraph (a) of this
28 subsection in any investigation the Attorney General conducts under this section or in any
29 action or proceeding the Attorney General brings or initiates in a court or before an ad-
30 ministrative agency in connection with the investigation.

31 (4)(a) The Attorney General may bring an action to seek a civil penalty of not more than
32 \$7,500 for each violation of sections 1 to 9 of this 2023 Act or to enjoin a violation or obtain
33 other equitable relief. The Attorney General shall bring the action in the circuit court for
34 Multnomah County or the circuit court of a county where any part of the violation occurred.

35 (b) A court may award reasonable attorney fees, expert witness fees and costs of inves-
36 tigation to the Attorney General if the Attorney General prevails in an action under this
37 subsection. The court may award reasonable attorney fees to a defendant that prevails in
38 an action under this subsection if the court finds that the Attorney General had no objec-
39 tively reasonable basis for asserting the claim or for appealing an adverse decision of the
40 trial court.

41 (c) The Attorney General shall deposit the proceeds of any recovery under this sub-
42 section into the Department of Justice Protection and Education Revolving Account, as
43 provided in ORS 180.095.

44 (5) Before bringing an action under subsection (4) of this section, the Attorney General
45 shall notify a controller of a violation of sections 1 to 9 of this 2023 Act if the Attorney

1 **General determines that the controller can cure the violation. If the controller fails to cure**
2 **the violation within 30 days after receiving the notice of the violation, the Attorney General**
3 **may bring the action without further notice.**

4 **(6) The Attorney General shall bring an action under subsection (4) of this section within**
5 **five years after the date of the last act of a controller that constituted the violation for**
6 **which the Attorney General seeks relief.**

7 **(7) The remedies available to the Attorney General under subsection (4) of this section**
8 **are in addition to and not in lieu of any other relief available to the Attorney General or**
9 **another person under other applicable provisions of law. A claim available under another**
10 **provision of law may be joined to the Attorney General's claim under subsection (4) of this**
11 **section.**

12 **(8) The Attorney General has exclusive authority to enforce the provisions of sections 1**
13 **to 9 of this 2023 Act. Sections 1 to 9 of this 2023 Act, or any other laws of this state, do not**
14 **create a private right of action to enforce a violation of sections 1 to 9 of this 2023 Act.**

15 **SECTION 10.** ORS 180.095 is amended to read:

16 180.095. (1) The Department of Justice Protection and Education Revolving Account is created
17 in the General Fund. All moneys in the account are continuously appropriated to the Department
18 of Justice and may be used to pay for only the following activities:

19 (a) Restitution and refunds in proceedings described in paragraph (c) of this subsection;

20 (b) Consumer and business education relating to the laws governing antitrust and unlawful trade
21 practices; and

22 (c) Personal services, travel, meals, lodging and all other costs and expenses incurred by the
23 department in investigating, preparing, commencing and prosecuting the following actions and suits,
24 and enforcing judgments, settlements, compromises and assurances of voluntary compliance arising
25 out of the following actions and suits:

26 (A) Actions and suits under the state and federal antitrust laws;

27 (B) Actions and suits under ORS 336.184 and 646.605 to 646.656;

28 (C) Actions commenced under ORS 59.331; *[and]*

30 **(E) Actions commenced under section 9 of this 2023 Act.**

31 (2) Moneys in the Department of Justice Protection and Education Revolving Account are not
32 subject to allotment. Upon request of the Attorney General, the State Treasurer shall create sub-
33 accounts within the account for the purposes of managing moneys in the account and allocating
34 those moneys to the activities described in subsection (1) of this section.

35 (3) Except as otherwise provided by law, all sums of money received by the Department of Jus-
36 tice under a judgment, settlement, compromise or assurance of voluntary compliance, including
37 damages, restitution, refunds, attorney fees, costs, disbursements and other recoveries, but excluding
38 civil penalties under ORS 646.642, in proceedings described in subsection (1)(c) of this section shall,
39 upon receipt, be deposited with the State Treasurer to the credit of the Department of Justice Pro-
40 tection and Education Revolving Account. However, if the action or suit was based on an expendi-
41 ture or loss from a public body or a dedicated fund, the amount of such expenditure or loss, after
42 deduction of attorney fees and expenses awarded to the department by the court or agreed to by the
43 parties, if any, shall be credited to the public body or dedicated fund and the remainder thereof
44 credited to the Department of Justice Protection and Education Revolving Account.

45 (4) If the Department of Justice recovers restitution or refunds in a proceeding described in

1 subsection (1)(c) of this section, and the department cannot determine the persons to whom the
2 restitution or refunds should be paid or the amount of the restitution or refund payable to individual
3 claimants is de minimis, the restitution or refunds may not be deposited in the Department of Justice
4 Protection and Education Revolving Account and shall be deposited in the General Fund.

5 (5) Before April 1 of each odd-numbered year, the Department of Justice shall report to the Joint
6 Committee on Ways and Means:

7 (a) The department's projection of the balance in the Department of Justice Protection and Ed-
8 ucation Revolving Account at the end of the biennium in which the report is made and at the end
9 of the following biennium;

10 (b) The amount of the balance held for restitution and refunds;

11 (c) An estimate of the department's anticipated costs and expenses under subsection (1)(b) and
12 (c) of this section for the biennium in which the report is made and for the following biennium; and

13 (d) Any judgment, settlement, compromise or other recovery, the proceeds of which are used for
14 purposes other than:

15 (A) For deposit into the Department of Justice Protection and Education Revolving Account; or

16 (B) For payment of legal costs related to the judgment, settlement, compromise or other recov-
17 ery.

18 (6) The Joint Committee on Ways and Means, after consideration of recommendations made by
19 the Department of Justice, shall use the information reported under subsection (5) of this section to
20 determine an appropriate balance for the revolving account.

21 **SECTION 11.** Section 9 of this 2023 Act is amended to read:

22 **Sec. 9.** (1)(a) The Attorney General may serve an investigative demand upon any person that
23 possesses, controls or has custody of any information, document or other material that the Attorney
24 General determines is relevant to an investigation of a violation of sections 1 to 9 of this 2023 Act
25 or that could lead to a discovery of relevant information. An investigative demand may require the
26 person to:

27 (A) Appear and testify under oath at the time and place specified in the investigative demand;

28 (B) Answer written interrogatories; or

29 (C) Produce relevant documents or physical evidence for examination at the time and place
30 specified in the investigative demand.

31 (b) The Attorney General shall serve an investigative demand under this section in the manner
32 provided in ORS 646.622. The Attorney General may enforce the investigative demand as provided
33 in ORS 646.626.

34 (2)(a) An attorney may accompany, represent and advise in confidence a person that appears in
35 response to a demand under subsection (1)(a)(A) of this section. The person may refuse to answer
36 any question on constitutional grounds or on the basis of any other legal right or privilege, includ-
37 ing protection against self-incrimination, but must answer any other question that is not subject to
38 the right or privilege. If the person refuses to answer a question on grounds that the answer would
39 be self-incriminating, the Attorney General may compel the person to testify as provided in ORS
40 136.617.

41 (b) The Attorney General shall exclude from the place in which the Attorney General conducts
42 an examination under this subsection all persons other than the person the Attorney General is
43 examining, the person's attorney, the officer before which the person gives the testimony and any
44 stenographer recording the testimony.

45 (3)(a) The Attorney General shall hold in confidence and may not disclose to any person any

1 documents, including data protection assessments, answers to interrogatories and transcripts of oral
2 testimony, except that the Attorney General may disclose the documents to:

3 (A) The person that provided the documents or the oral testimony;

4 (B) The attorney or representative of the person that provided the documents or oral testimony;

5 (C) Employees of the Attorney General; or

6 (D) An official of the United States or of any state who is authorized to enforce federal or state
7 consumer protection laws if the Attorney General first obtains a written agreement from the official
8 in which the official agrees to abide by the confidentiality requirements of this subsection.

9 (b) The Attorney General may use any of the materials described in paragraph (a) of this sub-
10 section in any investigation the Attorney General conducts under this section or in any action or
11 proceeding the Attorney General brings or initiates in a court or before an administrative agency
12 in connection with the investigation.

16 or the circuit court of a county where any part of the violation occurred.

17 (b) A court may award reasonable attorney fees, expert witness fees and costs of investigation
18 to the Attorney General if the Attorney General prevails in an action under this subsection. The

33 in addition to and not in lieu of any other relief available to the Attorney General or another person
34 under other applicable provisions of law. A claim available under another provision of law may be
35 joined to the Attorney General's claim under subsection (4) of this section.

36 *[(8)]* (7) The Attorney General has exclusive authority to enforce the provisions of sections 1 to
37 9 of this 2023 Act. Sections 1 to 9 of this 2023 Act, or any other laws of this state, do not create

10 (2) A controller may not:

16 with the Children's Online Privacy Protection Act of 1998, 15 U.S.C. 6501 et seq. and the regulations,
17 rules and guidance adopted under the Act, all as in effect on the effective date of this 2023 Act;

18 (c) Process a consumer's personal data for the purposes of targeted advertising, of profiling the
19 consumer in furtherance of decisions that produce legal effects or effects of similar significance or

22 older than 15 years of age; or

23 (d) Discriminate against a consumer that exercises a right provided to the consumer under
24 sections 1 to 9 of this 2023 Act by means such as denying goods or services, charging different
25 prices or rates for goods or services or providing a different level of quality or selection of goods

33 club card program.

34 (4) A controller shall provide to consumers a reasonably accessible, clear and meaningful pri-

37 controller processes;

38 (b) Describes the controller's purposes for processing the personal data;

40 2023 Act, including how a consumer may appeal a controller's denial of a consumer's request under
41 section 4 of this 2023 Act;

42 (d) Lists all categories of personal data, including the categories of sensitive data, that the
43 controller shares with third parties;

1 to the extent possible, how each third party may process personal data;

2 (f) Specifies an electronic mail address or other online method by which a consumer can contact
3 the controller that the controller actively monitors;

4 (g) Identifies the controller, including any business name under which the controller registered
5 with the Secretary of State and any assumed business name that the controller uses in this state;

6 (h) Provides a clear and conspicuous description of any processing of personal data in which the
7 controller engages for the purpose of targeted advertising or for the purpose of profiling the con-
8 sumer in furtherance of decisions that produce legal effects or effects of similar significance, and a
9 procedure by which the consumer may opt out of this type of processing; and

10 (i) Describes the method or methods the controller has established for a consumer to submit a
11 request under section 4 (1) of this 2023 Act.

12 (5) The method or methods described in subsection (4)(i) of this section for submitting a
13 consumer's request to a controller must:

14 (a) Take into account:

15 (A) Ways in which consumers normally interact with the controller;

16 (B) A need for security and reliability in communications related to the request; and

17 (C) The controller's ability to authenticate the identity of the consumer that makes the request;

18 [*and*]

19 (b) Provide a clear and conspicuous link to a webpage where the consumer or an authorized
20 agent may opt out from a controller's processing of the consumer's personal data as described in
21 section 3 (1)(d) of this 2023 Act or, solely if the controller does not have a capacity needed for

29 **(C) Is consumer friendly and easy for an average consumer to use;**

30 **(D) Is as consistent as possible with similar platforms, technologies or mechanisms re-**
31 **quired under federal or state laws or regulations; and**

32 **(E) Enables the controller to accurately determine whether the consumer is a resident**
33 **of this state and has made a legitimate request under section 4 of this 2023 Act to opt out**
34 **as described in section 3 (1)(d) of this 2023 Act.**

35 (6) If a consumer or authorized agent uses a method described in subsection (5) of this section
36 to opt out of a controller's processing of the consumer's personal data under section 3 (1)(d) of this
37 2023 Act and the decision conflicts with a consumer's voluntary participation in a bona fide reward,
38 club card or loyalty program or a program that provides premium features or discounts in return
39 for the consumer's consent to the controller's processing of the consumer's personal data, the con-
40 troller may either comply with the request to opt out or notify the consumer of the conflict and ask
41 the consumer to affirm that the consumer intends to withdraw from the bona fide reward, club card
42 or loyalty program or the program that provides premium features or discounts. If the consumer
43 affirms that the consumer intends to withdraw, the controller shall comply with the request to opt
44 out.
