Commends first responders for their heroic actions in fighting Santiam Fire.

CONCURRENT RESOLUTION
Whereas on August 16, 2020, thunderstorms moved across the State of Oregon and lightning ignited multiple wildfires, including the Beachie Creek Fire, the Lionshead Fire and the P-515 Fire; and
Whereas on September 7, powerful winds caused these wildfires to explode in size and merge into the Santiam Fire, a situation exacerbated by multiple spot fires caused by downed power lines; and
Whereas in the early morning hours of September 8, the Santiam Fire raced westward down the Santiam Canyon, quickly endangering many communities; and
Whereas residents of the Santiam Canyon were urgently evacuated in the face of the catastrophic and unpredictable wind-whipped wildfire; and
Whereas confronting the possibility of massive property destruction and loss of lives, firefighters and other first responders desperately fought to save the communities of the Santiam Canyon; and
Whereas the Santiam Fire was ultimately one of the most destructive wildfires in the history of the State of Oregon, but countless lives, structures and jobs were saved by the courage and resourcefulness of first responders in the face of unimaginable adversity; and
Whereas many of the first responders who battled the Santiam Fire were volunteers who signed on for this work to help the people they care about while giving back to the places they call home; and
Whereas when their communities needed them most, these first responders stood strong; and
Whereas the public and private entities that responded to the Santiam Fire include the State Forestry Department, the State Fire Marshal, Marion County, Linn County, Santiam Hospital's ambulance service, the American Red Cross and fire departments and first responders from Idanha, Detroit, Lyons, Mill City, Gates, Stayton, Sweet Home, Aumsville, Scio, Drakes Crossing, Silverton, Mt. Angel, Sublimity, Albany, Salem, Turner, Keizer, Jefferson, Woodburn, Hubbard and Lebanon; and
Whereas in the aftermath of the wildfire, Santiam Canyon residents have made great progress with rebuilding efforts in their communities, many of which suffered horrific destruction; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:
