Senate Joint Memorial 6
Sponsored by Senator MANNING JR (at the request of Noah Wills)

SUMMARY
The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure as introduced.

Urges Congress to enact legislation granting statehood to Washington, D.C.

JOINT MEMORIAL
To the President of the United States and the Senate and the House of Representatives of the United States of America, in Congress assembled:

We, your memorialists, the Eighty-second Legislative Assembly of the State of Oregon, in legislative session assembled, respectfully represent as follows:

Whereas the people living on the land that would eventually be designated as the District of Columbia were provided the right to vote for representation in Congress when the United States Constitution was ratified in 1788; and

Whereas the passage of the District of Columbia Organic Act of 1801 placed the District of Columbia under the exclusive authority of the United States Congress and abolished residents’ right to vote for members of Congress and the President and Vice President of the United States; and

Whereas residents of the District of Columbia were granted the right to vote for the President and Vice President through passage of the Twenty-Third Amendment to the United States Constitution in 1961; and

Whereas as of 2022, United States Census Bureau data estimate that the District of Columbia’s population of approximately 670,000 residents is comparable to the populations of Wyoming, Vermont, Alaska and North Dakota; and

Whereas residents of the District of Columbia share all the responsibilities of United States citizenship, including paying more federal taxes than residents of 22 states, service on federal juries and defending the nation as members of the Armed Forces of the United States in every war since the War for Independence, yet they are denied full representation in Congress; and

Whereas the residents of the District of Columbia themselves have endorsed statehood for the District of Columbia and passed a district-wide referendum on November 8, 2016, which favored statehood by 86 percent; and

Whereas no other democratic nation denies the right of self-government, including participation in its national legislature, to the residents of its capital; and

Whereas the residents of the District of Columbia lack full democracy, equality and citizenship enjoyed by the residents of the 50 states; and

Whereas the United States Congress repeatedly has interfered with the District of Columbia’s limited self-government by enacting laws that affect the District of Columbia’s expenditure of its locally raised tax revenue, including barring the usage of locally raised revenue, thus violating the fundamental principle that states and local governments are best suited to enact legislation that

represents the will of their citizens; and

Whereas although the District of Columbia has passed consecutive balanced budgets since fiscal year 1997, it still faces the possibility of being shut down yearly because of congressional deliberations over the federal budget; and

Whereas District of Columbia Delegate Eleanor Holmes Norton and United States Senator from Delaware Tom Carper introduced in the 118th Congress H.R. 51 and S. 51, the Washington, D.C. Admission Act, which provides that the people of the State of Washington, D.C., would have all the rights of citizenship as taxpaying American citizens, including representation by two Senators and at least one House member; and

Whereas the United Nations Human Rights Committee has called on the United States Congress to address the District of Columbia’s lack of political equality, and the Organization of American States has declared the disenfranchisement of District of Columbia residents to be a violation of its charter agreement, to which the United States is a signatory; now, therefore,

Be It Resolved by the Legislative Assembly of the State of Oregon:

That we, the members of the Eighty-second Legislative Assembly, respectfully urge the Congress of the United States to pass, and the President to sign, legislation granting statehood to Washington, D.C.; and be it further

Resolved, That the State of Oregon supports admitting Washington, D.C., into the Union as a state of the United States of America; and be it further

Resolved, That a copy of this memorial shall be sent to the President of the United States, to the Senate Majority Leader, to the Speaker of the House of Representatives and to each member of the Oregon Congressional Delegation.
