21 “SECTION 31. (1) The Legislative Assembly finds that:

22 “(a) Having an adequate supply of housing is critical to the well-  
23 being and safety of the people of this state and to the economic welfare  
24 of this state.

25 “(b) A limited supply of housing causes the costs of housing to in-  
26 crease, which causes adverse effects in those communities.

27 “(c) Home and land ownership is essential to breaking cycles of  
28 poverty and increasing the economic prosperity of this state.

29 “(d) The people of this state have the right to an adequate supply  
30 of affordable housing on lands zoned for residential use.

1       “(e) Land use planning should limit opportunities for arbitrary de-  
2 lay, conflict or unnecessary costs to building needed housing.

3       “(f) Housing development must be protected from regulation, zon-  
4 ing ordinances, policies or legal actions limiting needed housing pro-  
5 duction.

6       “(2) The Legislative Assembly declares that it is the policy of this

8       “(a) Housing development on lands zoned for residential use must  
9 be protected.

10       “(b) The lack of a housing supply is a matter of public concern.

11       “(c) Persons who reside in or near an area zoned for residential use  
12 must accept that housing of all types and of all income levels will be  
13 built in their community.

14       “(d) Section 32 of this 2023 Act is necessary to immediately increase  
15 the housing supply in this state.

16       “SECTION 32. (1) As used in this section, ‘housing’ means all  
17 housing types, including single-family, middle, multifamily and man-

19 residential and commercial use.

20       “(2) Notwithstanding ORS chapter 195, 197A, 215 or 227 or any other  
21 provision of this chapter, any statewide land use planning goal, rule  
22 of the Land Conservation and Development Commission or local land  
23 use regulation, zoning ordinance, regional framework plan, functional  
24 plan or comprehensive plan, a local government shall evaluate and  
25 approve an application for the development of housing, including land  
26 division, if the applicant requests review under this section and the  
27 housing:

28       “(a) Is or can be serviced by all necessary urban services, as defined  
29 in ORS 195.065, by the time a building permit will be issued;

10 mapped environmental health hazards, unless the development com-  
11 plies with regulations directly related to the hazard.

12 “(3) In evaluating an application for the development of housing  
13 under subsection (2) of this section, a local government shall approve  
14 the application if it finds substantial evidence for each of the criteria  
15 required under subsection (2)(a) to (c) of this section. The local gov-  
16 ernment may not apply additional criteria.

17 “(4) Within 21 days after receiving an application for development  
18 under this section, a local government shall notify the applicant if the  
19 application is incomplete, and shall specify the missing information.  
20 For the purposes of this section, an application is considered complete  
21 when the local government determines that the application is complete  
22 or when the applicant provides written notice that additional missing  
23 information will not be provided.

24 “(5) Within 21 days of receiving a complete application for develop-

9 cision as defined in ORS 197.015 (10), and may be appealed only by the  
10 applicant and only in the manner set forth in ORS 34.010 to 34.100.

11 “(9) In applying the standards in subsection (2) of this section, a
