The director shall determine the assessments according to one or more percentage rates established by the director by rule. The director shall specify in the rule when assessments shall be made and payments shall be due. The premium-weighted average of the percentage rates may not exceed nine-hundredths of one percent of the gross amount of premiums received by an insurer or the insurer’s insurance producers from and under the insurer’s policies covering direct domestic risks, after deduct-

“(2) The director may collect fees for specific services provided by the department under the Insurance Code according to a schedule of fees established by the director by rule. “(b) Any fees collected under paragraph (a) of this subsection must be the actuarial equivalent of costs attributed to the provision and administration of the required coverage by an insurer that is not exempt.
