“SECTION 1. ORS 327.103 is repealed on July 1, 2024.

“SECTION 2. Section 3 of this 2023 Act is added to and made a part of ORS 327.006 to 327.133.

“SECTION 3. (1) As used in this section:

“(a) ‘Commission licensee’ has the meaning given that term in ORS 342.120.

“(b) ‘State and federal law’ means state and federal directives that:

“(A) Have the force of law, including statutes, court decisions, administrative rules or regulations, orders issued in compliance with ORS chapter 183, executive orders or any other directives, declarations or statements that are issued in compliance with the law as having the force of law;

“(B) Are issued by the state government, as defined in ORS 174.111, or by the federal government with administrative or enforcement functions delegated to the state education agency; and
“(C) Relate to the administration and operation of the public elementary and secondary schools of this state or to early childhood special education and early intervention services provided in this state.

“(2) For the purposes of this section:

“(a) A school district is standard if the school district is in compliance with state and federal law.

“(b) A school district is nonstandard if the school district is in violation of any state and federal law involving student health or safety, discrimination, special education or access to education.

“(c) A school district is conditionally standard if the school district is in violation of any state and federal law not described in paragraph (b) of this subsection.

“(3) The State Board of Education by rule shall establish state standards for the school districts of this state that:

“(a) Are clear and enforceable; and

“(b) Allow the Department of Education to determine if a school district is standard, nonstandard or conditionally standard.

“(4) Pursuant to rules adopted by the State Board of Education, the department shall:

“(a) Establish a monitoring process, based on an annual review of school districts and complaints received by the department about a school district, to ensure that school districts comply with the state standards established under subsection (3) of this section; and

“(b) Annually determine if a school district is standard, nonstandard or conditionally standard.

“(5)(a) If a school district is found to be nonstandard or conditionally standard, the school district shall prepare a corrective action plan.

“(b) The department shall review each corrective action plan prepared by a school district. If the department determines that a cor-
rective action plan appropriately addresses the deficiencies that caused the school district to be found nonstandard or conditionally standard, the department shall approve the corrective action plan.

“(c) A school district must rectify any deficiencies as prescribed by a corrective action plan within the timeline established by the department based on factors identified by the State Board of Education by rule.

“(6)(a) If a school district does not rectify any deficiencies as prescribed by the corrective action plan within the timeline established by the department, the department shall take enforcement action that may include any combination of the following:

“(A) Except for moneys distributed from the State School Fund under ORS 327.006 to 327.133, withhold any moneys otherwise allocated to the school district, including moneys from the Student Investment Account or from any other grant or source of funding identified by the State Board of Education by rule as not causing an undue hardship to the school district.

“(B) Direct or approve expenditures of school district funding to rectify the deficiencies. Expenditures may be from the general fund of the school district or from other funding sources available to the school district. For funding for which conditions were placed on the use or receipt of the funds, expenditures must be consistent with those conditions.

“(C) File a complaint with the Teacher Standards and Practices Commission for investigation of a commission licensee if the department has reasonable cause to believe an administrator has acted in a manner that violates state and federal law or for which the commission may impose discipline as provided by ORS 342.175 or any rules adopted by the commission relating to competent and ethical performance of professional duties.
“(D) Designate the school district as a high needs school district for purposes of ORS 327.222.

“(b) When determining which actions to take as allowed under paragraph (a) of this subsection, the department may take into consideration any efforts by the school district to comply with the corrective action plan.

“(7) The department shall provide on the department’s website the following information:

“(a) The determinations of each school district as standard, non-standard or conditionally standard; and

“(b) For nonstandard and conditionally standard school districts:

“(A) The basis for the determination as nonstandard or conditionally standard;

“(B) The corrective action plan prepared by the school district;

“(C) The date by which the school district must comply with the corrective action plan;

“(D) Any enforcement actions taken by the department under subsection (6) of this section; and

“(E) Any previous determinations of nonstandard or conditionally standard.

“(8) Upon a determination that a school district is nonstandard or conditionally standard, the department must give public notice of that determination in a manner accessible to the residents of the school district and as prescribed by the State Board of Education by rule.

“(9) Each biennium, the department shall submit to the interim committees of the Legislative Assembly related to education a report in the manner provided by ORS 192.245. The report must summarize:

“(a) Determinations of the department that a school district was nonstandard or conditionally standard;

“(b) The requirements of any correction action plans; and
“(c) Any enforcement actions taken by the department.
“(10) The State Board of Education may adopt any rules necessary for the implementation of this section.

“SECTION 4. (1) Section 3 of this 2023 Act becomes operative on July 1, 2024.
“(2) Section 3 of this 2023 Act first applies to the 2024-2025 school year.
“(3) The State Board of Education may adopt rules and take any other action before the operative date specified in subsection (1) of this section that is necessary to enable the Department of Education, on and after the operative date specified in subsection (1) of this section, to undertake and exercise all of the duties, functions and powers conferred on the department by section 3 of this 2023 Act.

“SECTION 5. ORS 326.051 is amended to read:
“326.051. Subject to ORS 417.300 and 417.305:
“(1) In addition to such other duties as are prescribed by law and pursuant to the requirement of ORS chapter 183, the State Board of Education shall:
“(a) Establish state standards for public kindergartens and public elementary and secondary schools consistent with the policies stated in ORS 326.011 and section 3 of this 2023 Act.
“(b) Adopt rules for the general governance of public kindergartens and public elementary and secondary schools.
“(c) Prescribe required or minimum courses of study.
“(d) Adopt rules for public kindergartens and public elementary and secondary schools consistent with the policy stated in ORS 342.437.
“(e) Adopt rules regarding school and interscholastic activities.
“(f) Adopt rules that provide that no public elementary or secondary school shall discriminate in determining participation in interscholastic activities. As used in this paragraph, ‘discrimination’ has the meaning given
that term in ORS 659.850.

“(g) Adopt rules that will eliminate the use and purchase of elemental mercury, mercury compounds and mercury-added instructional materials by public elementary and secondary schools.

“(2) The State Board of Education may:

“(a) Consistent with the laws of this state, accept money or property not otherwise provided for under paragraph (b) of this subsection, which is donated for the use or benefit of the public kindergartens and public elementary and secondary schools and use such money or property for the purpose for which it was donated. Until it is used, the board shall deposit any money received under this paragraph in a special fund with the State Treasurer as provided in ORS 293.265 to 293.275.

“(b) Apply for federal funds, accept and enter into any contracts or agreements on behalf of the state for the receipt of funds from the federal government or its agencies and disburse or expend the federal funds as provided by ORS 327.128. This paragraph applies to federal funds to be used for:

“(A) Educational purposes, including but not limited to any funds available for the school lunch program;

“(B) Career and technical education programs in public elementary and secondary schools; and

“(C) Any grants available to the state or its political subdivisions for general federal aid for public kindergartens, public elementary schools and public secondary schools and their auxiliary services, improvement of teacher preparation, teacher salaries, construction of school buildings, administration of the Department of Education and any other educational activities under the jurisdiction of the State Board of Education.

“(c) Adopt rules to administer the United States Department of Agriculture’s National School Lunch Program and School Breakfast Program for public and private prekindergarten through grade 12 schools and residential child care facilities.
“SECTION 6. ORS 326.726 is amended to read:

“326.726. (1) The Department of Education shall designate a dyslexia spe-
cialist for the department to provide school districts with support and re-
sources that are necessary to:

“(a) Assist students with dyslexia and their families; and
“(b) Comply with the requirements of this section.

“(2) Each school district shall ensure that at least one kindergarten
through grade five teacher in each kindergarten through grade five school
has received training related to dyslexia. The training must comply with the
requirements described in subsection (3) of this section.

“(3) For the purpose of subsection (2) of this section, a training oppor-
tunity related to dyslexia must:

“(a) Comply with the knowledge and practice standards of an interna-
tional organization on dyslexia;
“(b) Enable the teacher to understand and recognize dyslexia; and
“(c) Enable the teacher to implement instruction that is systematic, ex-
plicit and evidence-based to meet the educational needs of students with
dyslexia.

“(4) The department shall annually develop a list of training opportunities
related to dyslexia that satisfy the requirements described in subsection (3)
of this section. The list must:

“(a) Be developed in collaboration with the Teacher Standards and Prac-
tices Commission to ensure that the training opportunities also satisfy pro-
fessional development requirements; and
“(b) Include at least one opportunity that is provided entirely online.

“(5) Each school district shall ensure that every student is screened for
risk factors of dyslexia using a screening test identified by the department
when the student is in:

“(a) Kindergarten, if the student first enrolls at a public school in this
state for kindergarten; or
“(b) First grade, if the student first enrolls in a public school in this state for first grade.

“(6) For the purpose of subsection (5) of this section, the department shall:

“(a) Identify screening tests that are cost effective. The tests administered to students in kindergarten must take into account the following factors:

“(A) Phonological awareness;

“(B) Rapid naming skills;

“(C) The correspondence between sounds and letters; and

“(D) Family history of difficulty in learning to read, if the student shows risk factors for reading difficulties, including dyslexia.

“(b) Provide guidance for notifications to be sent by school districts to parents of students who are identified as having risk factors for reading difficulties, including dyslexia.

“(7) The department shall develop guidance regarding best practices for assisting students who are identified through screening or through parental input as showing risk factors or being at risk for reading difficulties, including dyslexia. The department shall make the guidance available to school districts.

“(8)(a) A school district that does not comply with the requirements of subsection (2) of this section and that does not secure a waiver from the department within the time required by the State Board of Education by rule is [considered] nonstandard under [ORS 327.103] section 3 of this 2023 Act.

“(b) The board shall adopt by rule the criteria for a waiver from the requirements of subsection (2) of this section to address instances when non-compliance is outside the control of the school district.

“SECTION 7. ORS 327.106 is amended to read:

“327.106. (1) Any school district that does not offer education programs in kindergarten through grade 12 shall be [considered] nonstandard under [ORS 327.103] section 3 of this 2023 Act. A school district may satisfy the
requirements of this section by offering half-day kindergarten or full-day
kindergarten.

“(2) Notwithstanding subsection (1) of this section, a school district is not
[considered to be] nonstandard under [ORS 327.103] section 3 of this 2023
Act if the school district:

“(a) Is not required to merge under section 2 (3) or (4), chapter 393, Oregon Laws 1991.

“(b) Meets all of the following requirements:

“(A) The school district offered education programs in kindergarten
through grade 12 on September 1, 1996;

“(B) After September 1, 1996, a majority of the board of the school district
voted not to offer education programs in grades 9 through 12; and

“(C) The school district merges with a unified school district and the
merger takes effect under ORS 330.103 within one year after the vote of the
board under this paragraph.

“(c) Is a union high school district, as defined in ORS 330.005.

“SECTION 8. ORS 328.205 is amended to read:

“328.205. (1) Common and union high school districts may contract a
bonded indebtedness for any one or more of the following purposes for the
district:

“(a) To acquire, construct, reconstruct, improve, repair, equip or furnish
a school building or school buildings or additions thereto;

“(b) To fund or refund the removal or containment of asbestos substances
in school buildings and for repairs made necessary by such removal or con-
tainment;

“(c) To acquire or to improve all property, real and personal, to be used
for district purposes, including school buses;

“(d) To fund or refund outstanding indebtedness; and

“(e) To provide for the payment of the debt.

“(2) [However] Notwithstanding subsection (1) of this section, when a
common or union high school district is found [under ORS 327.103 not to be a standard school or when a school district is operating a conditionally standard school under ORS 327.103 (3)] to be nonstandard or conditionally standard under section 3 of this 2023 Act, the school district may contract a bonded indebtedness only for the purposes enumerated in subsection (1) of this section that are approved by the [Superintendent of Public Instruction] Department of Education pursuant to rules of the State Board of Education.

“(3) The school district may use the proceeds received from the sale of school district bonds to pay for any costs incurred by the school district in authorizing, issuing, carrying or repaying the bonds, including, but not limited to, attorney, consultant, paying agent, trustee or other professional fees and the cost of publishing notices of bond elections, printing such bonds and advertising such bonds for sale.

“SECTION 9. ORS 329.496, as amended by section 20, chapter 81, Oregon Laws 2022, is amended to read:

“329.496. (1) Every public school student in kindergarten through grade eight shall participate in physical education for the entire school year.

“(2)(a) Students in kindergarten through grade five, and students in grade six at a school that teaches kindergarten through grade six, shall participate in physical education for at least 150 minutes during each school week.

“(b) Except as provided by paragraph (a) of this subsection, students in grades six through eight shall participate in physical education for at least 225 minutes during each school week.

“(c) Notwithstanding the time requirements established by paragraphs (a) and (b) of this subsection, the State Board of Education shall adopt rules that prorate the time requirements for:

“(A) School weeks with scheduled school closures, including closures for holidays, inservice days and days scheduled for parent-teacher conferences;

“(B) School weeks with unscheduled school closures, including closures
for inclement weather and emergencies;

“(C) School weeks with out-of-school activities that occur during usual school hours, including field trips and outdoor school programs;

“(D) Part-time school programs, including half-day kindergarten; and

“(E) Irregular class schedules, including class schedules based on a four-day week.

“(d) School districts and public charter schools are not required to comply with the time requirements established by paragraphs (a) and (b) of this subsection for school years during the biennium in which the total amounts appropriated or allocated to the State School Fund and available for distribution to school districts are less than the amounts determined to be needed for school districts through the State School Fund under the tentative budget prepared as provided by ORS 291.210. After the beginning of a biennium, a school district or a public charter school may cease to comply with the time requirements established by paragraphs (a) and (b) of this subsection if the amounts appropriated or allocated to the State School Fund and available for distribution to school districts are less than the amounts determined to be needed for distribution through the State School Fund, as calculated under ORS 291.210.

“(3) School districts and public charter schools shall offer instruction in physical education that meets the academic content standards for physical education adopted by the State Board of Education under ORS 329.045. The instruction shall be a sequential, developmentally appropriate curriculum that is designed, implemented and evaluated to help students develop the knowledge, motor skills, self-management skills, attitudes and confidence needed to adopt and maintain physical activity throughout their lives.

“(4)(a) School districts and public charter schools shall devote at least 50 percent of physical education class time to actual physical activity in each school week, with as much class time as possible spent in moderate physical activity.
“(b)(A) For the purpose of satisfying the time requirements established by subsection (2) of this section, school districts and public charter schools may provide up to 45 minutes of activities during each school week that:

“(i) Meet the academic content standards for physical education adopted by the State Board of Education under ORS 329.045;

“(ii) Are provided for students by a teacher whose license allows the teacher to provide instruction in physical education to those students, even if the teacher does not have a physical education endorsement; and

“(iii) Have been reviewed by a licensed teacher with a physical education endorsement.

“(B) The Department of Education shall:

“(i) Review and, as appropriate, approve activities that are developed by nonprofit professional organizations representing health and physical education educators if the activities meet the requirements of subparagraph (A) of this paragraph; and

“(ii) Make available to school districts and public charter schools a list of activities approved as provided by this subparagraph.

“(C) School districts and public charter schools may provide activities that meet the requirements of subparagraph (A) of this paragraph even if the activities are not approved as provided by subparagraph (B) of this paragraph.

“(5)(a) Notwithstanding subsections (1), (2) and (4) of this section, a student with disabilities shall have suitably adapted physical education incorporated as part of the individualized education program developed for the student under ORS 343.151.

“(b) Notwithstanding subsections (1), (2) and (4) of this section, a student who does not have an individualized education program but has chronic health problems, other disabiling conditions or other special needs that preclude the student from participating in regular physical education instruction shall have suitably adapted physical education incorporated as part of
an individualized health plan developed for the student by the school district or public charter school.

“(6) School districts and public charter schools shall assess school curricula at regular intervals to measure the attainment of the minimum number of minutes that students are required to participate in physical education under this section.

“(7)(a) All teachers of physical education for public school students in kindergarten through grade eight shall be adequately prepared and shall regularly participate in professional development activities to effectively deliver the physical education program.

“(b)(A) Notwithstanding any licensing or endorsement requirements established by the Teacher Standards and Practices Commission, a teacher with an elementary multiple subject endorsement may instruct students in activities described in subsection (4)(b) of this section if the activities are reviewed by a licensed teacher with a physical education endorsement.

“(B) A teacher described in this paragraph may provide instruction in activities described in subsection (4)(b) of this section to students who are not regularly taught by the teacher as long as the instruction in the activities to students who are not regularly taught by the teacher does not exceed 45 minutes during each school week. Nothing in this subparagraph allows a school district to employ a teacher for the sole purpose of providing instruction in activities described in subsection (4)(b) of this section.

“(8) A school district that does not comply with the requirements of this section is [considered to be] nonstandard under [ORS 327.103] section 3 of this 2023 Act.

“(9)(a) Notwithstanding subsection (8) of this section and pursuant to rules adopted by the State Board of Education, the Superintendent of Public Instruction may grant a waiver of the requirements of this section to a school district or a public charter school if the superintendent finds that the school district or public charter school is unable to meet the requirements
because of a human-created disaster or a natural disaster.

“(b) A waiver granted under this subsection may be:

“(A) In whole or in part of the requirements prescribed by this section; and

“(B) Granted for only one school year, but may be renewed for subsequent school years based on rules adopted by the board if the school district or public charter school continues to be impacted by the disaster.

“SECTION 10. ORS 336.580 is amended to read:

“336.580. (1) Every child at a youth care center, as defined in ORS 420.855, is entitled to receive appropriate education suited to the needs of the child in the least restrictive environment in which the child can function until the child is no longer of compulsory school age or receives a high school diploma or an equivalent.

“(2)(a) Except as provided by paragraph (b) of this subsection, the school district in which the youth care center is located shall develop an educational plan for the children in the youth care center in consultation with the director of the center. The plan shall be approved annually by the school district board.

“(b) For children placed at a youth care center within a detention facility, as defined in ORS 419A.004, the children shall receive educational services through the Juvenile Detention Education Program as described in ORS 326.695.

“(3) The Superintendent of Public Instruction Department of Education shall have the authority to enforce the provisions of ORS 336.575 and 339.137 and this section. If a district fails to comply, the [superintendent] department shall [find the district deficient and shall apply the penalty provided in ORS 327.103] find that the district is nonstandard under section 3 of this 2023 Act.

“(4) The State Board of Education shall adopt rules to implement this section.
“SECTION 11. ORS 336.665 is amended to read:

“336.665. (1) The [Superintendent of Public Instruction] Department of Education shall find a school district to be [deficient within the meaning of ORS 327.103] nonstandard as provided by section 3 of this 2023 Act if the district fails to cause the proposal of alternative programs to be made under ORS 339.250 (5)(h) or (7)(c)(B).

“(2) The failure to cause the proposal of alternative programs shall not be grounds for a civil action against the school district.

“SECTION 12. ORS 339.297 is amended to read:

“339.297. (1) Each entity that has jurisdiction over a public education program must prepare and submit to the Department of Education an annual report detailing the use of restraint and seclusion for the preceding school year, including, at a minimum:

“(a) The total number of incidents involving restraint.
“(b) The total number of incidents involving seclusion.
“(c) The total number of seclusions in a locked room.
“(d) The total number of rooms available for use by the public education program for seclusion of a student and a description of the dimensions and design of the rooms.
“(e) The total number of students placed in restraint.
“(f) The total number of students placed in seclusion.
“(g) The total number of incidents that resulted in injuries or death to students or personnel as a result of the use of restraint or seclusion.
“(h) The number of students who were placed in restraint or seclusion more than 10 times in the course of a school year and an explanation of what steps have been taken by the public education program to decrease the use of restraint and seclusion for each student.
“(i) The number of incidents in which the personnel of the public education program administering restraint or seclusion were not trained as provided by ORS 339.300.
“(j) The demographic characteristics of all students upon whom restraint or seclusion was imposed, including race, ethnicity, gender, disability status, migrant status, English proficiency and status as economically disadvantaged, unless the demographic information would reveal personally identifiable information about an individual student.

“(2)(a) Each entity that has jurisdiction over a public education program shall make its annual report about restraint and seclusion available to:

“(A) The public at the entity’s main office and the website of the entity;

“(B) The board or governing body overseeing the entity;

“(C) If the entity is an education service district, the component school districts of the education service district; and

“(D) If the entity is a public charter school, the sponsor of the public charter school.

“(b) Parents and guardians of students in a public education program shall be advised at least once each school year about how to access the report.

“(3) A public education provider that does not comply with the requirement to submit a report to the Department of Education under subsection (1) of this section or to make the report available as described in subsection (2) of this section is [considered] nonstandard under [ORS 327.103] section 3 of this 2023 Act.

“SECTION 13. ORS 339.343 is amended to read:

“339.343. (1) This section shall be known and may be cited as Adi’s Act.

“(2) In accordance with rules adopted by the State Board of Education in consultation with the Oregon Health Authority, each school district shall adopt a policy requiring a comprehensive district plan on student suicide prevention for students in kindergarten through grade 12.

“(3) A plan required under this section must include:

“(a) Procedures relating to suicide prevention, intervention and activities that reduce risk and promote healing after a suicide;
“(b) Identification of the school officials responsible for responding to reports of suicidal risk;

“(c) A procedure by which a person may request a school district to review the actions of a school in responding to suicidal risk;

“(d) Methods to address the needs of high-risk groups, including:

“(A) Youth bereaved by suicide;

“(B) Youth with disabilities, mental illness or substance use disorders;

“(C) Youth experiencing homelessness or out-of-home settings, such as foster care; and

“(D) Lesbian, gay, bisexual, transgender, queer and other minority gender identities and sexual orientations;

“(e) A description of, and materials for, any training to be provided to school employees as part of the plan, which must include:

“(A) When and how to refer youth and their families to appropriate mental health services; and

“(B) Programs that can be completed through self-review of suitable suicide prevention materials; and

“(f) Any other requirement prescribed by the State Board of Education by rule, based on consultations with state and national suicide prevention organizations, suicide experts and school-based mental health providers, and based on reviews of national models.

“(4) A school district may consult with state or national suicide prevention organizations, the Department of Education, school-based mental health professionals, parents, guardians, school employees, students, administrators and school board associations when developing the plan required under this section.

“(5) The plan required under this section:

“(a) Must be written to ensure that a school employee acts only within the authorization and scope of the employee’s credentials or licenses. Nothing in this section shall be construed as authorizing or encouraging a school
employee to diagnose or treat mental illness unless the employee is specifically licensed and employed to do so.

“(b) Must be:

“(A) Made available annually to the community of the school district, including students of the school district, parents and guardians of students of the school district, and employees and volunteers of the school district.

“(B) Readily available at the school district office and on the school district website, if applicable.

“(6) A school district that does not comply with the requirements of this section is [considered to be] nonstandard under [ORS 327.103] section 3 of this 2023 Act.

“SECTION 14. ORS 339.356 is amended to read:

“339.356. (1) Each school district shall adopt a policy prohibiting harassment, intimidation or bullying and prohibiting cyberbullying. School districts shall develop the policy after consultation with parents, guardians, school employees, volunteers, students, administrators and community representatives.

“(2) School districts must include in the policy:

“(a) A statement prohibiting harassment, intimidation or bullying and prohibiting cyberbullying.

“(b) Definitions of ‘harassment,’ ‘intimidation’ or ‘bullying’ and of ‘cyberbullying’ that are consistent with ORS 339.351.

“(c) Definitions of ‘protected class’ that are consistent with ORS 174.100 and 339.351.

“(d) A statement of the scope of the policy, including a notice that the policy applies to behavior at school-sponsored activities, on school-provided transportation and at any official school bus stop.

“(e) A description of the type of behavior expected from each student.

“(f) A procedure that is uniform throughout the school district for reporting an act of harassment, intimidation or bullying or an act of
cyberbullying. A procedure established under this paragraph shall:

“(A) Identify by job title the school officials responsible for receiving such a report at a school.

“(B) Require a school employee to report an act of harassment, intimidation or bullying or an act of cyberbullying to a person identified under subparagraph (A) of this paragraph.

“(C) Require the school official identified under subparagraph (A) of this paragraph to notify the parents or guardians of a student who was subjected to an act of harassment, intimidation or bullying or an act of cyberbullying and the parents or guardians of a student who may have conducted an act of harassment, intimidation or bullying or an act of cyberbullying. Notification must occur with involvement and consideration of the needs and concerns of the student who was subjected to an act of harassment, intimidation or bullying or an act of cyberbullying. For the purposes of this subparagraph:

“(i) Notification is not required under this subparagraph if the school official reasonably believes notification could endanger the student who was subjected to an act of harassment, intimidation or bullying or an act of cyberbullying or if all of the following occur:

“(I) The student who was subjected to an act of harassment, intimidation or bullying or an act of cyberbullying requests that notification not be provided to the student’s parents or guardians;

“(II) The school official determines that notification is not in the best interest of the student who was subjected to an act of harassment, intimidation or bullying or an act of cyberbullying; and

“(III) The school official informs the student that federal law may require the student’s parents or guardians to have access to the student’s education record, including any requests made as provided by this sub-subparagraph.

“(ii) If the school official does not make the determination described in sub-subparagraph (i)(II) of this subparagraph, the school official must inform
the student of that determination prior to providing notification.

“(iii) When notification is provided under this subparagraph, the notification must occur:

“(I) Within a reasonable period of time; or

“(II) Promptly, for acts that caused physical harm to the student.

“(D) Identify any remedial action that may be imposed on a school employee for failure to make a report as required by subparagraph (B) of this paragraph.

“(E) Allow a student or volunteer to report an act of harassment, intimidation or bullying or an act of cyberbullying voluntarily and anonymously to a person identified under subparagraph (A) of this paragraph. Nothing in this subparagraph may be construed to permit remedial action solely on the basis of an anonymous report.

“(g) A procedure that is uniform throughout the school district for prompt investigation of a report of an act of harassment, intimidation or bullying or an act of cyberbullying. A procedure established under this paragraph shall identify by job title the school officials responsible for investigating such a report.

“(h) A procedure by which a person may request a school district to review the actions of a school in responding to a report of an act of harassment, intimidation or bullying or an act of cyberbullying or investigating such a report.

“(i) A statement of the manner in which a school and a school district will respond after an act of harassment, intimidation or bullying or an act of cyberbullying is reported, investigated and, if applicable, confirmed.

“(j) A statement of the consequences and appropriate remedial action for a person found to have committed an act of harassment, intimidation or bullying or an act of cyberbullying.

“(k) A statement prohibiting reprisal or retaliation against any person who reports an act of harassment, intimidation or bullying or an act of
cyberbullying and stating the consequences and appropriate remedial action for a person who engages in such reprisal or retaliation.

“(L) A statement of the consequences and appropriate remedial action for a person found to have falsely accused another of having committed an act of harassment, intimidation or bullying or an act of cyberbullying as a means of reprisal or retaliation, as a means of harassment, intimidation or bullying or as a means of cyberbullying.

“(m) A statement of how the policy is to be publicized within the district. At a minimum, a school district shall make the policy:

“(A) Annually available to parents, guardians, school employees and students in a student or employee handbook; and

“(B) Readily available to parents, guardians, school employees, volunteers, students, administrators and community representatives at each school office or at the school district office and, if available, on the website for a school or the school district.

“(n) The identification by job title of school officials and school district officials responsible for ensuring that the policy is implemented.

“(3) A school district that does not comply with the requirements of this section is [considered] nonstandard under [ORS 327.103] section 3 of this 2023 Act.

“SECTION 16. ORS 334.217 is amended to read:

“(a) ‘Commission licensee’ has the meaning given that term in ORS 342.120.

“(b) ‘State and federal law’ means state and federal directives that:

“(A) Have the force of law, including statutes, court decisions, administrative rules or regulations, orders issued in compliance with
ORS chapter 183, executive orders or any other directives, declarations
or statements that are issued in compliance with the law as having the
force of law;

“(B) Are issued by the state government, as defined in ORS 174.111,
or by the federal government with administrative or enforcement
functions delegated to the state education agency; and

“(C) Relate to the administration and operation of the public ele-
mental and secondary schools of this state or to early childhood
special education and early intervention services provided in this state.

“(2) For the purposes of this section:

“(a) An education service district is standard if the education ser-
district is in compliance with state and federal law.

“(b) An education service district is nonstandard if the education
service district is in violation of any state and federal law involving
student health or safety, discrimination, special education or access
to education.

“(c) An education service district is conditionally standard if the
education service district is in violation of any state and federal law
not described in paragraph (b) of this subsection.

“[...]

“(3)(a) The State Board of Education by rule shall establish state
standards for the education service districts of this state that:

“(A) Are clear and enforceable; and

“(B) Allow the Department of Education to determine:

“(i) The adequacy of services and facilities provided by the education
service districts[.]; and

“(ii) If the education service district is standard, nonstandard or
conditionally standard.

“(b) In establishing [such] the standards, the state board shall consider
the most economic method of providing services and facilities, the quality
of the services and facilities according to the best educational standards, and
the needs of the students.

“(2) When the Superintendent of Public Instruction determines pursuant to rule that an education service district is nonstandard, the district designated nonstandard shall file a plan to meet standards over a specified period of time. The Superintendent of Public Instruction may accept, reject or modify the plan and order the nonstandard district to comply with the plan as approved by the superintendent. Once a plan is approved, the district shall be conditionally standard until all deficiencies are corrected. If a district corrects all deficiencies, the district shall be designated as standard. The district shall have 180 days from the date the plan is accepted to make all corrections. After that time, the Superintendent of Public Instruction may impose sanctions on the district if the district has not made the necessary corrections.

“(3) The state board shall establish by rule appropriate sanctions for noncompliance. The sanctions may include:

“(4) Pursuant to rules adopted by the state board, the department shall:

“(a) Establish a monitoring process, based on an annual review of education service districts and complaints received by the department about an education service district, to ensure that education service districts comply with the state standards established under subsection (3) of this section; and

“(b) Annually determine if an education service district is standard, nonstandard or conditionally standard.

“(5)(a) If an education service district is found to be nonstandard or conditionally standard, the education service district shall prepare a corrective action plan.

“(b) The department shall review each corrective action plan prepared by an education service district. If the department determines that a corrective action plan appropriately addresses the deficiencies that caused the education service district to be found nonstandard or
conditionally standard, the department shall approve the corrective action plan.

“(c) An education service district must rectify any deficiencies as prescribed by a corrective action plan within the timeline established by the department based on factors identified by the State Board of Education by rule.

“(6)(a) If an education service district does not rectify any deficiencies as prescribed by the corrective action plan within the timeline established by the department, the department shall take enforcement action that may include any combination of the following:

“(A) Except for moneys distributed from the State School Fund under ORS 327.019, withhold any moneys otherwise allocated to the education service district, including moneys from the Statewide Education Initiatives Account and from any other grant or source of funding identified by the state board by rule as not causing an undue hardship to the education service district.

“(B) Direct or approve expenditures of education service district funding to rectify the deficiencies. Expenditures may be from the general fund of the education service district or from other funding sources available to the education service district. For funding for which conditions were placed on the use or receipt of the funds, expenditures must be consistent with those conditions.

“(C) File a complaint with the Teacher Standards and Practices Commission for investigation of a commission licensee if the department has reasonable cause to believe an administrator has acted in a manner that violates state and federal law or for which the commission may impose discipline as provided by ORS 342.175 or any rules adopted by the commission relating to competent and ethical performance of professional duties.

“[(a)] (D) Mandatory merger of the nonstandard education service district
with a contiguous education service district that is standard[;].

“[(b) The sanctions described in ORS 342.173, if applicable;]

“[(c) The withholding of funds from the State School Fund;]

“[(d)] (E) The removal of the superintendent of the education service
district[;].

“[(e)] (F) The temporary governance of the education service district by
the state board[; or].

“[(f)] (G) Dissolution of the education service district.

“(b) When determining which actions to take as allowed under
paragraph (a) of this subsection, the department may take into con-
sideration any efforts by the education service district to comply with
the corrective action plan.

“(7) The department shall provide on the department’s website the
following information:

“(a) The determinations of each education service district as
standard, nonstandard or conditionally standard; and

“(b) For nonstandard and conditionally standard education service
districts:

“(A) The basis for the determination as nonstandard or condi-
tionally standard;

“(B) The corrective action plan prepared by the education service
district;

“(C) The date by which the education service district must comply
with the corrective action plan;

“(D) Any enforcement actions taken by the department under sub-
section (6) of this section; and

“(E) Any previous determinations of nonstandard or conditionally
standard.

“(8) Upon a determination that an education service district is
nonstandard or conditionally standard, the department must give
public notice of that determination in a manner accessible to persons served by the education service district and as prescribed by the state board by rule.

“(9) Each biennium, the department shall submit to the interim committees of the Legislative Assembly related to education a report in the manner provided by ORS 192.245. The report must summarize:

“(a) Determinations of the department that a school district was nonstandard or conditionally standard;

“(b) The requirements of any correction action plans; and

“(c) Any enforcement actions taken by the department.

“(10) The State Board of Education may adopt any rules necessary for the implementation of this section.

“SECTION 17. (1) The amendments to ORS 334.217 by section 16 of this 2023 Act become operative on July 1, 2024.

“(2) The amendments to ORS 334.217 by section 16 of this 2023 Act first apply to the 2024-2025 school year.

“(3) The State Board of Education may adopt rules and take any other action before the operative date specified in subsection (1) of this section that is necessary to enable the Department of Education, on and after the operative date specified in subsection (1) of this section, to undertake and exercise all of the duties, functions and powers conferred on the department by the amendments to ORS 334.217 by section 16 of this 2023 Act.

“SECTION 18. ORS 337.050 is amended to read:

“337.050. (1) The State Board of Education shall review and adopt, for periods established by the board, a list of textbooks and other instructional materials for use by school districts. The list shall contain, whenever possible:

“(a) More than one textbook selection for each grade and subject field in the standard curriculum for which, in its judgment, textbooks are required;
and

“(b) More than one instructional material selection for each grade and subject field in the standard curriculum for which, in its judgment, instructional materials are required.

“(2) The State Board of Education shall consider the best educational interests of the students as well as the most economical method of purchasing textbooks and instructional materials in setting periods for textbook and instructional material review and adoption.

“(3) The board shall refrain from adopting any textbook or instructional material in a subject field whenever it finds that no textbook or instructional material can be documented as meeting, to the degree determined by the board, the guidelines and criteria established by the board for textbooks and instructional materials.

“(4) The board may approve the request of a publisher to substitute a more recent edition of any officially adopted textbook or item of instructional material in lieu of the edition or item adopted by the board.

“(5) A school district that adopts a list of textbooks and other instructional materials that are not on the list adopted under subsection (1) of this section shall be considered nonstandard under section 3 of this 2023 Act.

“SECTION 19. ORS 332.075 is amended to read:

“332.075. (1) Any district school board may:

“(a) Fix the days of the year and the hours of the day when schools shall be in session.

“(b) Adopt textbooks and other instructional materials as provided in ORS 337.050 and 337.120 [and 337.141] and courses of study for the use of such schools as provided in ORS 336.035.

“(c) Authorize the use of the schools for purposes of training students of an approved educator preparation provider, as defined in ORS 342.120, and for such purposes may enter into contracts with the approved educator preparation provider.
preparation provider on such terms as may be agreed upon. Such contracts as they relate to student teachers shall have the same effect and be subject to the same regulations as a contract between a licensed teacher and a district school board.

“(d) Develop and operate with other school districts or community college districts secondary career and technical education programs for pupils of more than one district and fix by agreement the duration of the district’s obligation to continue such activity, subject to the availability of funds therefor.

“(e) Authorize the school district to be a member of and pay fees, if any, to any voluntary organization that administers interscholastic activities or that facilitates the scheduling and programming of interscholastic activities only if the organization:

“(A) Implements equity focused policies that:

“(i) Address the use of derogatory or inappropriate names, insults, verbal assaults, profanity or ridicule that occurs at an interscholastic activity, including by spectators of the interscholastic activity;

“(ii) Prohibit discrimination as defined in ORS 659.850;

“(iii) Permit a student to wear religious clothing in accordance with the student’s sincerely held religious belief and consistent with any safety and health requirements; and

“(iv) Balance the health, safety and reasonable accommodation needs of participants on an activity-by-activity basis;

“(B) Maintains a transparent complaint process that:

“(i) Has a reporting system to allow participants of interscholastic activities or members of the public to make complaints about student, coach or spectator behavior;

“(ii) Responds to a complaint made under sub-subparagraph (i) of this subparagraph within 48 hours of the complaint being received; and

“(iii) Strives to resolve a complaint received under sub-subparagraph (i)
of this subparagraph within 30 days of the complaint being received;

"(C) Develops and implements a system of sanctions against schools, stu-
dents, coaches and spectators if a complaint made under subparagraph (B)
of this paragraph is verified; and

"(D) Performs an annual survey of students and their parents to under-
stand and respond to potential violations of equity focused policies adopted
under subparagraph (A) of this paragraph or violations of ORS 659.850.

"(f) Accept money or property donated for the use or benefit of the school
district and, consistent with the laws of this state, use such money or prop-
erty for the purpose for which it was donated.

"(g) Enter into an approved written agreement with the governing body
of a federally recognized Native American tribe in Oregon to allow the use
of a mascot that represents, is associated with or is significant to the Native
American tribe entering into the agreement. An agreement entered into un-
der this paragraph must:

"(A) Describe the acceptable uses of the mascot;

"(B) Comply with rules adopted by the State Board of Education that:

"(i) Are adopted after consultation with the federally recognized tribes in
Oregon pursuant to ORS 182.164 (3); and

"(ii) Prescribe the requirements for approval; and

"(C) Be approved by the State Board of Education, which the board must
provide if the agreement meets the requirements of this paragraph and the
rules adopted under this paragraph.

"(2) All contracts of the school district must be approved by the district
school board before an order can be drawn for payment. If a contract is made
without the authority of the district school board, the individual making
such contract shall be personally liable.

"(3) Notwithstanding subsection (2) of this section, a district school board
may, by resolution or policy, authorize its superintendent or the
superintendent’s designee to enter into and approve payment on contracts for
products, materials, supplies, capital outlay, equipment and services that are within appropriations made by the district school board pursuant to ORS 294.456. A district school board may not authorize its superintendent or the superintendent’s designee under this subsection to enter into and approve payment on contracts that are collective bargaining agreements or service contracts that include the provision of labor performed by employees of the school district.

“SECTION 20. ORS 337.120 is amended to read:

“337.120. (1)(a) A district school board, with the assistance of teachers and administrators of the district, shall adopt a list of textbooks and other instructional materials for each grade and subject for which instruction is provided by the school district.

“(b) When adopting a list of textbooks and other instructional materials, the district school board shall consider whether the textbooks and other instructional materials are available through online resources that enable students with print disabilities to receive the textbooks and instructional materials free of charge.

“(c) The district school board shall adopt the list in compliance with ORS [337.141] 337.050 and shall involve parents and citizens in the process.

“(2) The district school board shall cause the textbooks or other instructional materials, according to titles, that are included on the list adopted under subsection (1) of this section to be used in its schools at the beginning of the next school year following the state adoption under ORS [337.141] 337.050, except when, pursuant to rules of the State Board of Education, the district school board is authorized by the Superintendent of Public Instruction to postpone use for a reasonable period of time.

“(3) District school boards shall establish a process and timeline for regularly determining whether textbooks and instructional materials on the list adopted under subsection (1) of this section are available through online resources that enable students with print disabilities to receive textbooks and
instructional materials free of charge.

“SECTION 21. ORS 337.141 is repealed.

“SECTION 22. (1) The amendments to ORS 332.075, 337.050 and 337.120 by sections 18 to 20 of this 2023 Act and the repeal of ORS 337.141 by section 21 of this 2023 Act become operative on July 1, 2023.

“(2) The amendments to ORS 332.075, 337.050 and 337.120 by sections 18 to 20 of this 2023 Act and the repeal of ORS 337.141 by section 21 of this 2023 Act apply to textbooks and instructional materials adopted by a district school board on or after July 1, 2023.

“SECTION 23. (1) No later than December 31, 2023, the Department of Education shall submit a report, in the manner provided by ORS 192.245, to the interim committees of the Legislative Assembly related to education and to the office of the Governor.

“(2) The report required under subsection (1) of this section must include:

“(a) Information about the progress the State Board of Education has made related to establishing state standards for school districts under section 3 of this 2023 Act and education service districts under ORS 334.217.

“(b) Information about the progress the Department of Education has made in establishing a monitoring process for school districts as prescribed by section 3 of this 2023 Act and for education service districts as prescribed by ORS 334.217.

“(c) Identification of any statutory changes necessary to implement the requirements of section 3 of this 2023 Act and of ORS 334.217, as amended by section 16 of this 2023 Act.

“(d) Identification of additional staffing and other resources necessary to implement the requirements of section 3 of this 2023 Act and of ORS 334.217, as amended by section 16 of this 2023 Act.

“SECTION 24. Section 23 of this 2023 Act is repealed on January 2,
“SECTION 25. Section 26 of this 2023 Act is added to and made a part of ORS chapter 329.

“SECTION 26. (1) For all public school students in grades 6 through 12, the Department of Education shall collect course-level completion and grade data.

“(2) The department shall use the data collected under subsection (1) of this section to gather information about:

“(a) Equity of opportunity in public education;

“(b) Barriers to high school graduation; and

“(c) Challenges experienced by students who transfer from one public school in this state to another.

“(3) The Superintendent of Public Instruction shall ensure that the information gathered as provided by subsection (2) of this section is included on the Oregon Report Card on the state of the public schools of this state under ORS 329.115.

“(4) The State Board of Education may adopt any rules necessary for the administration of this section.

“SECTION 27. Section 26 of this 2023 Act first applies to the 2023-2024 school year.

“SECTION 28. This 2023 Act being necessary for the immediate preservation of the public peace, health and safety, an emergency is declared to exist, and this 2023 Act takes effect on its passage.”.
