4 district.

5 “(5) If an individualized education program team recommends that
6 a student with a disability be placed in a program or school that offers
7 fewer hours of instruction and educational services than are provided

10 parent or foster parent in a language and format accessible to the
11 parent or foster parent of the following:

12 “(a) That placement in the program or school would be an abbre-
13 viated school day program placement unless a sufficient number of
14 additional hours of instruction or educational services are provided to
15 the student to ensure that the student has meaningful access to at
16 least the same total number of hours of instruction and educational
17 services that are provided to the majority of other students who are
18 in the same grade within the student’s resident school district; and

19 “(b) The number of hours of instruction and educational services

27 that the student has meaningful access to the same number of hours
28 of instruction and educational services that are provided to the ma-

30 resident school district unless the student’s parent or foster parent

1 has provided informed and written consent for an abbreviated school
2 day program placement.

3 “(b) Prior to the placement of a student with a disability in a school
4 or program, the student’s resident school district shall ensure that the
5 student has meaningful access to the same number of hours of in-
6 struction and educational services that are provided to the majority
7 of other students who are in the same grade within the student’s res-
8 ident school district.

9 “(c) When calculating the number of hours of instruction and edu-
10 cational services that are provided by a school or program that oper-
11 ates on a different schedule than the schedule of the resident school
12 district of a student with a disability, the resident school district must
13 compare the total number of hours of instruction and educational
14 services offered over the course of two ordinary full school weeks to
15 determine whether the student will have meaningful access to the
16 same number of hours of instruction and educational services that are
17 provided to the majority of other students who are in the same grade
18 in the student’s resident school district.

19 “(d) The requirements of this subsection apply regardless of
20 whether the resident school district has control over the school or
21 program that the school district is considering placing the student
22 with a disability in, including schools and programs that provide ser-
23 vices under a contract with a school district or that serve students

2 **“(a) Recommends that the student should be placed on an abbrevi-**
3 **ated school day program:**
4 **“(A) Based on the student’s individual needs, which may not in-**
5 **clude consideration of a lack of school district resources, including:**
6 **“(i) Licensed or classified staff;**
7 **“(ii) Availability of training;**
8 **“(iii) Accessible facilities; and**
9 **“(iv) Related services, including nursing services and transportation**
10 **services; and**
11 **“(B) After the opportunity for the student’s parent or foster parent**
12 **to meaningfully participate in a meeting of the individualized educa-**
13 **tion program team to discuss an abbreviated school day program**

16 **the abbreviated school day program placement is discussed.**
17 **“(b) Makes determinations about the instruction and educational**

20 **“(c) Documents that the school district offered at least one rea-**

22 **the student and that could enable the student to have meaningful ac-**
23 **cess to the same number of hours of instruction and educational ser-**
24 **vices that are provided to the majority of other students who are in**
25 **the same grade within the student’s resident school district.**
26 **“(d) Documents the specific provisions of the abbreviated school day**
