HB 3382-4 (LC 1985) 5/16/23 (RLM/ps)

Requested by Representative GOMBERG

PROPOSED AMENDMENTS TO HOUSE BILL 3382

- In line 2 of the printed bill, after "ports" insert "; and declaring an emergency".

 Delete lines 4 through 30 and insert:

 "SECTION 1 Section 2 of this 2023 Act is added to and made a part
- "SECTION 1. Section 2 of this 2023 Act is added to and made a part
 of ORS chapter 197.
- "SECTION 2. (1) Deep draft navigational channel improvements are a reason a local government may adopt an exception under ORS 197.732 (2)(c)(A) to a land use planning goal related to estuarine resources in order to redesignate or rezone natural and conservation estuary management units within a deep draft development estuary, provided that the improvements are:
- "(a) Carried out in a manner that includes mitigation, as defined in ORS 196.800, of adverse impacts to ensure no net loss of estuarine resources and the affected aquatic and shore areas and habitats;
- 15 "(b) Of the location, design and minimum extent necessary for the use;
- 17 **"(c) Applied for by:**
- 18 "(A) A public port;
- 19 "(B) An Indian tribe, as defined in ORS 97.740;
- 20 "(C) An industry in the traded sector, as defined in ORS 285A.010, 21 except for an industry importing or exporting fossil fuels;

- "(D) The developer of an offshore renewable energy facility; or
- 2 "(E) An operator of fishing vessels or cruise ships;
- "(d) Within the jurisdiction of the Oregon International Port of

 Coos Bay, the Port of Astoria or the Port of Newport; and
- 5 "(e) Conducted in accordance with a plan that:
- 6 "(A) Is developed, in consultation with local Indian tribes, for:
- "(i) Archaeological objects, human remains, funerary objects and sites of archaeological significance, as those terms are defined in ORS 9 358.905; and
- "(ii) Archaeological sites identified on an inventory of the State Parks and Recreation Department, a tribal historic preservation officer or local government;
- "(B) Avoids or, if avoidance is not practicable, mitigates adverse impacts to such remains, sites or objects, including by preservation in situ or recovery with permanent protection; and
- 16 "(C) Identifies procedures and requirements to occur should an in-17 advertent discovery of such remains, sites or objects occur.
 - "(2) As used in this section:

18

- 19 "(a) 'Deep draft navigation channel improvements' means dredging 20 for the purposes of:
- "(A) Deepening or widening the existing federal navigation channel as necessary to accommodate vessels that would use the proposed water-dependent uses;
- "(B) Establishing a new access channel, or modifying an existing access channel, that is directly between the federal navigational channel and any of the following structures identified in the application for which the exception is adopted under this section:
- 28 "(i) Navigation support structures; or
- "(ii) Docks, wharfs or similar ship berthing structures;
- 30 "(C) Establishing a turning basin necessary for the safe navigation

- of vessels utilizing the federal navigation channel or access channel; or
- "(D) Enabling the construction or maintenance of necessary structural support for docks, wharfs or similar ship berthing facilities or navigation aids.
- 6 "(b) 'Deep draft navigation channel improvements' does not in-7 clude:
 - "(A) Dredge material disposal; and
- 9 "(B) Fill to create new upland areas.
