

Submitter: Mary Bianchini

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

This is absolutely unacceptable. I am a retired tax payer and this is money that I have overpaid to the state of Oregon. We already pay higher taxes than nearly any state in the nation. This was voted into law by the taxpayers of Oregon. If the state lawmakers want this changed, that should be decided by the taxpayers, not them.
