

Submitter: Jessica Quiroz Zuniga

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

The people voted for these excess tax funds to be returned to them. How dare you try to amend this to rob them of their hard earned money? Especially after the ways in which this state has frittered away tax payer money with little success. Absolute misuse of your government position to represent the people. I oppose any amendment to this legislation.
