Committee: Senate Committee On Finance and Revenue

Measure: SB774

To the Senate Finance Committee,

I am writing in opposition to SB 774. The residents of the state of Oregon voted to have surplus funds returned to us - that is the overwhelming will of the people you represent. I find it incomprehensible that you would consider passing this bill to keep our money so that you can find other useless ways to spend it. Oregonians are living with unprecedented inflation and deserve to have any surplus funds returned to us.
