On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

I don't agree with the state keeping our tax money, this would be considered cooperate robbery at a store if they were knowingly overcharging me. This is wrong, there are tax brackets for a reason. You need to give the citizens back their hard earned money, especially in a time of high inflation. If you don't stop, this state will become California and everyone will leave, businesses and taxpayers. Please stop ruining the state.
