Committee: Senate Committee On Finance and Revenue

Measure: SJR26

Dear Senate Committee on Finance and Revenue,

I urge you to strongly oppose and vote NO on SJR 26!! Oregon taxes should be limited. Excessive taxation leads to unemployment, poverty, lower personal income and business revenues, and reduced growth. Hardworking Oregonians deserve to keep their tax kickers and refunds. This is not your money to keep! Please vote NO.

Respectfully,

Sheri Brady
