

Submitter: Sheri Brady

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB502

Dear Senate Committee on Finance and Revenue,

I urge you to vote NO on SB 502. Oregon taxes should be limited. Excessive taxation leads to unemployment, poverty, lower personal income and business revenues, and reduced growth. Hardworking Oregonians deserve to keep their tax kickers and refunds. Please vote NO.

Respectfully,

Sheri Brady
