Measure: SJR26

Hello, my name is Karen Williamson and I am lifelong Oregonian resident. I want to encourage you to please vote to preserve all Oregonian's right to surplus tax revenue they had paid to the state. This bill is unfair and does not hold the best interest of Oregonians - Given the state of our economy the kickback could help a majority of Oregonians.

I am writing as a voice of reason on behalf of Oregonians.

Please return the kicker funds to Oregonians. It is absolutely not acceptable to keep this tax surplus.
