

Submitter: Seth Leavens

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

This is outright theft. You are driving more of us center left Dems to the right. As if we don't pay enough in taxes, and see nothing for it. Now you want to steal the rest and squander it away? This is completely undemocratic. You on the far left are just the same as the far right. It's outrageous!
