

Submitter: ashlee smith

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

To try to pass a bill like this is outrageous! Give the taxpayer there money back , it is not your to keep. We pay some of the highest taxes in the nation. Instead of taking our hard earned money , manage the money that you already have. I oppose SB774 ,SB507A,SB774, SJR26 !
