

Submitter: Amanda Straub

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SJR26

Let us Oregonians keep our own money!

We are in a recession. I have never seen so many Mothers, Fathers, Non binary, on Facebook groups posting that they do not have enough money to feed their children. There is a surplus for a reason. Please give back what was taken in excess of what was needed. Is Hardworking Oregonians need this money more than the state does. I oppose this bill 100%.
