Committee: Senate Committee On Finance and Revenue

Measure: SJR26

I write to oppose this measure of canceling the Oregon Kicker all together as it was put in place to keep our government accountable. Removing it gives them more freedom to misspend our taxes even more. It was voted by the people to be put in place years ago- it should be voted on to be removed. This is a republic at all, by the people and for the people. It's not a democracy that is run by the rulers dictating what ver they want.

Sincerely,
Jocelyn Wallbaum
