Senator Golden [<https://www.oregonlegislature.gov/golden>]:

You have the right idea to create a "Trust Fund" for the Oregon Wildfire Mitigation and Adaptation Fund (Fund). The Funding Source you propose is asinine per se.

The Oregon Wildfire Mitigation and Adaptation Fund (Fund) could easily be funded in toto from reallocating taxpayer dollars from the Housing and Community Services Department.

The Housing and Community Services Department is a bloated, obese waste of taxpayer money and should be significantly downsized and eventually shuttered.

Read **[SB 5511 (2023 Regular Session)]** as seen below.

**Scroll down and Read "Section 5"**

**"[\$155,800,792] taxpayer dollars is to be spent just to pay the "Debt service" on Bonds.**

When the Oregon Legislature acquires so much debt for the Housing and Community Services Department and the service on the debt incurred is [\$155,800,792] "heads should have rolled a long time ago."

**Leave the "Kicker" alone.**
