

Submitter: Linwood Johnson
On Behalf Of: HB 2004
Committee: Senate Committee On Rules
Measure: HB2004

Please approve ranked choice voting for Oregon.

Numerous states have switched to this form of voting to ensure a more equitable and democratic form of voting.

I feel that this would let people feel that their vote counts even if they choose to vote for a third-party candidate and thus allow all of us to truly feel that our vote counts.

This could lead to a more participatory democracy in my opinion.
