

Submitter: Cameron Wilde

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

I strongly support Ranked Choice Voting. As an independent voter, I find myself shut out of the primary process each year as I watch the two major parties vote for people that aren't my favorite candidates. Ranked Choice Voting allows me to participate and vote my conscious. Regardless of party affiliation, I can choose the candidates who best represent my views without fear of "throwing away my vote." Please support this bill.
