Measure: HB2004

I do not support HB2004. No Ranked-Choice Voting System in Oregon! This will add additional election costs and further REDUCE transparency. There needs to be ONE VOTE per ONE American Citizen. This is only a tactic to cement more the needs of computers and machines in our elections. Our DMV records weren't prevented from massive hacking. So what makes you think you can protect us from election fraud and hacking by adding this complexity to the process? SAY NO-NO-NO TO THIS BILL! Voting should NOT be multiple choice.
