

Submitter: Anna Munson

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

I strongly oppose HB2004. It adds confusion and disenfranchises voters. It cannot be audited for any accountability. Oregonians cannot know or trust that their vote is actually and accurately counted. Alaska used this in their elections and I understand that there is a movement to repeal it.

One citizen, one vote. Trust but verify.
