

Submitter: Michael Parker

On Behalf Of:

Committee: Senate Committee On Rules

Measure: HB2004

I am in support of Oregon adopting RCV as part of our elections. RCV limits the influence of "First Past the Post" style elections. It allows citizens more direct choice by voting along policy matters more than party. It allows candidates with the most overall appeal to all citizens to be elected to office.

It is a fair democracy election method.
